## Modern Medical Center Proposed for Belleville

### Present Hospital Space Inadequate

Planned Structure to Cost  
\$2 Million; Hearing Today

BY HENRY CANTIN  
ANP Staff Writer

BELLEVILLE — A new and modern Medical Center is planned for the Belleville area, it was disclosed Monday.

A request by the Belvil Community Hospital Association for approval to construct the proposed medical facility is scheduled for hearing this afternoon (Wednesday, Sept. 25) before the Planning Committee of the Greater Detroit Area Hospital Council, Inc.

The hearing will be held at the Council's offices, 966 Penobscot Building, Detroit, at 2 p.m.

Directors of the Belvil Community Hospital Association, owners and operators of the Belvil Community Hospital, a 70-bed medical facility at 105 Main Street, and William E. Hinchey, hospital administrator, will present the need for the proposed medical center and plans to undertake the project.

APPROVAL BY the Greater Detroit Area Hospital Council is required by Blue Cross before planned Medical Center can participate in Blue Cross-Blue Shield patient coverage.

The Medical Center is being proposed so that the health needs of the community can be more adequately served, it was said.

When and if approval for construction is granted, the fully equipped medical center

would replace the present Belvil Community Hospital.

It would cost in the neighborhood of \$2 million. Several land sites in the area are under consideration, Hinchey reported.

It was reported that under the recently passed State Licensing Act, approval cannot be denied or revoked if there is a lack of medical facilities.

ONE OF the main purposes of the presentation today is to show the "big need" in the Belleville area for such a medical center, it was said.

"I am of the opinion there is a definite need for our proposed medical facility that would provide complete medical services and programs for in and out-patient care," Hinchey stated.

The present Blue Cross participation contract at Belvil Community Hospital expires Sept. 30. A hearing on extending this coverage is set

(See MEDICAL page 2)

### UP TO BOARD

## Salvation Army Building Is Proposed for Romulus

ROMULUS — A rezoning petition to permit the construction of a new Salvation Army Building in Romulus Township has been approved.

The Romulus Township Planning Commission and the Wayne County Planning Commission both have recommended to the Township Board that the petition to rezone six acres of land, located on the north side of Goddard Road and west of Vining Road, be approved.

The six-acre plot is part of a 62-acre land parcel owned by the Salvation Army.

The H.F. Campbell Company of Detroit is the developer of the proposed new Salvation Army Building and a proposed industrial park on the

remaining portion of the 62 acres.

Some area residents have objected to the proposed Salvation Army structure which, if built, would replace the old barracks on Middlebelt Road, south of Wick Road. The Barracks were formerly used by the Christian Enterprise until taken over by the Salvation Army.

The objections stemmed, it was reported, by the past experiences with Christian Enterprise in the area.

This would be entirely eliminated in the present proposed plans for the new building and industrial park.

The Township Board is expected to hand down their decision on the rezoning at their Oct. 7 session.

### AT OPEN HEARING

## Approval on McMullan Rezoning is Reported

BELLEVILLE — Some 65 area residents attended last Thursday's public hearing on a petition requesting rezoning of 147 acres of Township.

Located land known as McMullan Pointe.

The hearing held Sept. 19 under the sponsorship of the Van Buren Public Civic Association was at the Belleville High School.

A presentation of a new and revised plan for rezoning the

site to construct multiple apartments was made by Land Developer and site owner, Frank Volk, Sr., and his attorney, Rodney Krofy.

Officials of Van Buren Township and members of the Van Buren Township Planning Commission were present.

The meeting was presided over by William Jenkins, president of the Association.

He introduced the directors and officers of the Association

and explained the controversy rezoning and history of an earlier attempt to rezone the land that ended in a referendum vote and defeat.

HE ALSO disclosed that the Association officials had met with Volk, that three sets of rezoning proposals had been checked in an effort to determine feasibility. Also the petitioner had an option on

(See McMULLAN page 2)

**BUSINESS SOLICITATION CHAIRMEN** — The above business leaders have been appointed by United Foundation to spearhead UF's business fund campaign in local areas: left to right (standing) are: Richard S. Smith, Belleville; Edmund Galazka, Romulus Township; Edward Stuart, Romulus Township; Roy Ramsay, Van Buren and Sumpter Townships. Front row (left to right) are J.D. Clark, Canton Township; and Floyd Griffith, section chairman. Not pictured are Mrs. Joseph Richert, Huron Township, and Michael Kirila, Romulus Township. A meeting of Section Six of the Community Business unit was held last week at the Belleville Branch of the National Bank of Detroit.

### REGISTRATION TIME SET

## Classes in Adult Education Open at Belleville High Oct. 7

BELLEVILLE — Classes in Adult Education will begin Oct. 7, C. Cleon Wright, director of Adult Education for the Van Buren Public School System, announced Monday.

Registration for the classes will be held on Wednesday and Thursday, Oct. 2 and 3 from 6

p.m. to 8 p.m. at Belleville High School's Guidance Room 122.

Fees for all courses being offered will be \$9 with the exception of Driver Education which will be \$30. The fees are payable at time of registration. Refunds have to be approved before the third session unless

the classes are discontinued, Wright said.

The classes starting Oct. 7 will continue for 10 weeks for one evening per week during the hours of 7 to 9 p.m. Driver Education will be by special appointment and may be taken only by persons 18 years of age or older.

IF THERE are 12 students enrolled and if an instructor can be obtained for the course, classes will be offered in the following subjects:

(See ADULT page 2)

### FOR INDUSTRY

## School Building Site Sought by Railroad

BELLEVILLE — The construction of a proposed industrial complex on a large tract of land, located at Martinsville and Savage Roads, Van Buren Township, is under consideration and study by officials of the Norfolk and Western Railroad Company, it was disclosed.

Railroad officials made known their intentions to prepare the 180-acre land strip for industry to Van Buren Township School Board last week when requesting a possible trade of a 15 acre vacant school site located adjacent to the railroad's property for another possible site elsewhere.

School Board President Charles W. Bole, had received the initial data of the railroad's proposal.

R.B. Michaels, manager of Industrial Development for the Norfolk and Western, informed the School Board that the railroad owns the 180 acres located immediately to the

north of the school site and across Savage Road, which is zoned for heavy industry.

PLANS CALLED for preparing the land parcel to attract an industrial complex.

The railroad felt that the area, when and if plans under study materialized, would not be conducive to school operation.

Van Buren's Board of Education purchased their 15 acres for future school building.

The site is currently equipped with water and sewer facilities. The School Board accepted the railroad's presentation on a proposed site trade proposal but took no formal action.

Board members told Michaels of the future need of a school in the general area and when and if the railroad representatives come up with a suitable site within certain boundaries then further consideration by the School Board would be taken.

## Pay Hikes Approved By Board

BELLEVILLE — Higher salary adjustments for cafeteria employees were approved by Van Buren Township Board of Education.

The salary increases involving some 30 employees are for the 1968-69 school year and amount to a pay boost of 15 cents an hour.

Starting wage begins at \$2.01 an hour up to \$2.30 an hour at the end of the fourth semester, James Egan, business manager for the Van Buren School System, reported.

The pay range for head cook starts at \$2.44 and hits \$2.65 at the fourth year level.

Cafeteria employees will receive \$3.25 per hour for non-school functions to pay the organization making use of the school's cafeteria.

### ASSISTANT NAMED

## Hobbs Promoted to Principal At Romulus Jr High School

ROMULUS — The promotion of the assistant principal of Romulus Junior High School to principal of the school and the appointment of his successor was announced by Assistant School Superintendent William Jakad.

Stuart C. Hobbs, 41, assistant principal for the last two years was promoted and will head the junior high school for the 1968-69 school year.

Nick Tottis 40, of 367 College, Ferndale, a veteran of 17 years in the educational field was appointed assistant principal.

Hobbs, a native of Michigan, attended high school in Detroit. He obtained his Bachelor of Science Degree

STUART C. HOBBS

from Wayne State University. He also holds a Master of Science Degree from the same university with a major in Guidance and Administration. Hobbs holds both the Elementary and Secondary Teaching Certificates.

HE HAS served 13 years in education, one year as a Fourth and Fifth Grade teacher; five years as an Eighth and Ninth Grade general science and biology instructor; five years with the Redford Union School District as a counselor; and the last two years with the Romulus

(See HOBBS page 2)

### IN AREA ANTI-POLLUTION PROGRAM

## General Motors Announces New Sewer Line Tie-ins

YPSILANTI — General Motors will construct new sewer lines from its Willow Run plants directly to the Ypsilanti Township connection of the Wayne County sewer system, it was announced in a joint statement by J. S. Garlic, General Manager of Hydra-matic Division, G. H. Johnson, Chevrolet Plant Manager, and J. B. Sutherland, Manager of the Fisher Body plant.

The announcement came during a meeting between General Motors Executives and members of the Huron River Anti-Pollution Committee on Pollution problems of Belleville Lake.

Philip E. Cartwright, Director of Plant Engineering, Methods and Layout for Hydra-matic Division, and coordinator of the project, said "with the completion of this construction in April, 1969, all industrially treated water from the three GM operations will completely by-pass Willow Creek and the Huron River complex."

HE EXPLAINED that this approach to handling the water from our treatment plants was first discussed in 1964, and became possible with the availability of the new Wayne County connection.

Contracts for engineering have been awarded to Johnson and Anderson, Inc., of Pontiac, and construction is expected to begin shortly.

"The system will include two separate lines, one from the Hydra-matic complex, the other from the Fisher Body treatment facilities which handles industrial wastes for both the Fisher Body and Chevrolet plants," he added. "In total, more than three-quarters of a mile of concrete pipe will be used in the installation."

"In conjunction with our modern plant waste water treatment facilities," Cartwright concluded, "this project represents a continuing step in our efforts to insure that we, as a responsible industrial citizen, are doing our

part to insure that our vital natural resources are well managed."

**SUGGESTION BOX** — Voters in Van Buren Township will be voting a one-mill levy for financing year-round recreation programs for young and old alike in the Nov. 5 election. Above is a specially constructed suggestion box for residents' ideas aims and suggestions. Information so gathered will be studied by Van Buren Recreation Commission. The box, presently at the Township Hall, 46425 Tyler Road, is being shown by Mrs. Erma Jean Payne, township clerk.

THEY WERE THERE! Left Cheryl Taylor, Jackie Thibert and Kathie Wielusz peddled programs for the Associated Newspapers at the Sept. 14-15 huge air show at Willow Run. A few programs are still available, and you may pick one up at the Belleville Enterprise-Roman. But, unfortunately, these mini-skirted beauties won't be on hand to sell you one. Reason? Jackie and Kathie are employed by Waynco Graphic and Cheryl works in Ecorse.

## MEDICAL CENTER

(continued from page 1)  
for Thursday, Sept. 26, at the Detroit offices of Blue Cross. The physical assets of the Belvil Community Hospital are owned by the Belvil Community Hospital Association subject to a \$240,000 mortgage held by Dr. E. S. Alford, of Belleville, former owner and founder of the hospital.

"THE COST of remodeling the present structure and satisfying the mortgage will cost \$1 million. In doing this the hospital directors would still not be able or allowed to furnish the facilities the community deserves and should have," Hinchey reported.

A review of all the available data studied by the Board of Directors indicates that it is better "moneywise" to build the new structure.

In order to satisfy all the physical plant requirements of the State Board of Health, hospital officials would have to squeeze facilities in a building that lacks adequate space.

In presenting its request to the Council, Belvil Hospital directors and Hinchey stated: "Belvil Community Hospital has been in existence since

1953, but, until 1966 had not enjoyed affiliation with any of the Hospital Associations, Local, State or National.

"In 1966 the Board of Directors reviewed the then existing conditions, changed administration, and assumed active and positive control of the hospital.

New procedures and regulations were instituted and implemented immediately. In February of 1967, the Board entered into a formal written agreement with the State Board of Health to make corrections in the physical plant.

"The progressive time table created by this agreement was adhered to faithfully and the delay on the completion date was by mutual agreement between our architect and the State Board of Health.

"However, in the past six months it became increasingly apparent that the 'cost of correction' was going to amount to an expense high enough to make new construction more realistic than remodeling, hence our request. However, to keep faith with our agreement, correction plans have been completed and are now in the hands of the State Board of Health."

NICK TOTTIS  
Assistant Principal

department head. Tottis, his wife and two children are residents of Ferndale, Michigan.

Hobbs, a college athlete is an avid sportsman and has coached both football and swimming. He holds memberships in the American and Guidance Association, Michigan Counselors Association and the Detroit Scapomen's Club.

Tottis has been an active leader in community youth groups and church and in athletics.

He served in the U. S. Army during the Korean War assigned to the Medical Corps.

## McMULLAN

(continued from page 1)  
adjacent land for the extension of the golf course, if and when feasible. This land is not involved in the rezoning.

The new petition which has already been approved by both the Township Planning Commission and Wayne County Planning Commission is scheduled for decision by the Township Board this week.

In the new and revised rezoning project, the number

## HOBBS

(continued from page 1)  
Community as assistant principal.

Hobbs, and his wife are parents of four children and reside at 14513 Artesan, Detroit.

Tottis is a native of Detroit, Michigan. He attended high school there and received his Bachelor of Science Degree from Wayne State University along with his Master of Arts Degree in Educational Administration.

He holds teaching certificates for both elementary and secondary schools.

HE HAS spent 17 years in education serving the Detroit Public Schools as a secondary and elementary teacher with the last 10 years as a

of apartment dwellings have been reduced from 2,000 to 1,624 units. And a land parcel on the east side of McMullan Pointe to the lake, and south of Denton Road, is being set aside for the construction of homes patterned in the price range of current residences in the area.

A section of land 150 feet in depth west of Beck Road is being excluded from multiple dwellings.

The Association conducted a vote on the proposed plan as presented at the meeting.

In a show of hands, 33 voted for it and nine were against.

It was also reported that the plan was acceptable to the Association but that some members still were objecting.

Wayne State University junior fullback Tom Wilson was thrown for losses just twice in 116 carries as a sophomore, totalling just three yards.

## Chamber's Roster at New High

BELLEVILLE — Membership in the Belleville Area Chamber of Commerce has topped all previous records, Theodore F. Kuckelman, executive director, announced Monday.

As of last week the number of area businesses that are Chamber members reached 106, the highest in this history of the organization, Kuckelman reported.

The merchants who have joined the Chamber during the past week are:

Dorothy Santure, Peninsula Realty; Steve Piokowski, Ski's Dairy Bar; Edward Manier, Lodge Lanes; Robert Hayward, Hayward's Store; Zane Rusinowski, Mobil Manor, 600 Sumpter road; and F. Sexton, Jr., General Manager of John Sexton & Co.

## ADULT

(continued from page 1)

Algebra, Monday; Basic Mathematics, Bookkeeping, Bowling, Bridge, Tuesday; Driver Education, English, Monday.

Flower Arrangements, Government, Interior Decorating, Investments — Stocks & Bonds, Typewriting, Wednesday; Mens Gymnastics or Recreational Exercises.

Judo or Karate Instruction, Monday; Knitting, Tuesday; Lapidary, Wednesday; Modern Mathematics, Cake Decorating, Thursday; Oil Painting, Thursday; Polish Language, Public Speaking, Tuesday.

Sewing — Dressmaking, Thursday; Shop, (Metal); Shorthand, Swimming (Beginning-Women), Wednesday; and Women's Recreational Classes, (Trimming Exercises).

For further information interested adult students are asked to call Van Buren Public Schools, Oxbow 9-2231. Extension 15 of Wright at 483-9660 in the evenings.

## ON SUMPTER

## Faust, Milliken Hear Local School Officials

BELLEVILLE — Van Buren Township school officials will have an opportunity to present their financial needs regarding the Sumpter School District student take over before Michigan Senate Appropriations Committee, Dale E. Kaulitz, Van Buren School superintendent, reported.

The meeting before the state body is tentatively set for October and was scheduled following a meeting between Senator William Faust, (D) for the 13th Senatorial District and school officials from Van Buren Huron Township and Airport Consolidated School District.

Senator Faust called the meeting in his efforts to bring about some financial assistance required and demanded by the three school districts.

These school district, along with the Lincoln Consolidated School District were ordered by the State Board of Education to take over their designated areas of the impoverished Sumpter School District.

The school officials conferred with Senator Faust and Lt. Gov. William Milliken. They were both informed of the financial problems created by the Sumpter District.

The State Board of Education had earlier recommended that the school districts taking over Sumpter be paid additional monies to carry out the reorganization.

Lt. Gov. Milliken told the school executives that he would arrange a meeting with the State Senate Appropriations Committee.

## NOTICE Last Day To Register FOR GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the Township of Sumpter, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned Township clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration; provided, however that any registration received after Friday, October 4, 1968 will not be valid for the primary election to be held Tuesday, November 5, 1968.

Notice is hereby given that I will be at the Sumpter Township Hall, 23483 Sumpter Road on

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

FRIDAY, OCTOBER 4, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTERING SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

WILLIAM GOUGER, Clerk  
Township of Sumpter

**LANSING CONFERENCE ON SUMPTER SCHOOL DISTRICT SPLIT-UP** — Members of the Van Buren Township School Board confer with Senator William Faust (seated left) and Lt. Gov. William Milliken on "promised" financial aid in carrying out Van Buren's participation in Sumpter School Districts re-organization. Left to right are (standing) Dale E. Kaulitz, school superintendent; Charles W. Bole, school board president; Thomas Hopka, school board member; Robert A. Hay, school board secretary; and Mrs. Doris Roe, school board member. Senator Faust arranged the meetings.

## Romulus Committee for City Status Answers Resident Inquiries

**ROMULUS** — The "REACT-KEEP ROMULUS INTACT" Committee is being asked why this slogan, and why, in a presidential election year when national issues are being decided, did we pick this time to ask you to decide such an important issue here at home, a committee spokesman, reported.

The committee's reply was: "Our answer is very plain and simple. When can interest in the future be higher than during a presidential election year?"

"Everyone is giving thoughtful consideration to the national issues and many of these same thoughts can be directed to Romulus and its future."

"What kind of government do we want, and who best can decide what will be our course of action for the future?"

"Our geographical location in Wayne County, (nearby or within our boundaries, we have Metro Airport, two major railroad lines, three expressways), has put us in the position of possessing very desirable property for the expansion needs in the Metropolitan Detroit Area. Our growth and development has not gone unnoticed by some of

our surrounding communities who are experiencing difficulties. They are casting greedy eyes in our direction for relief from their problems. Be rest assured, the danger of annexation does exist."

Many in the township believe that a "YES" vote for City Status and election of a Charter Commission means that on Nov. 6, the day after the election, Romulus will become a city. This is completely "False".

What it really means, the Committee stated, is that we have two years to decide if we want to become a city and our boundary lines will be protected until November, 1970.

Romulus can only become a City on accepting a Charter and electing the officials to govern us.

During this two year period, the charter commission may present several Charters for our approval, so residents do not have to accept the first one presented if it does not meet with their approval. Township citizens can tell the Charter Commission what kind of Charter they want by writing to them and giving them your thoughts. They will be interested in views in order to

write the best possible Charter. If a "NO" vote for city status is decided, all protection of our boundaries will be removed laying them open to annexation attempts from without as well as within the Committee stated.

With this, there is the possibility of losing every valuable tax properties and finding residents in the position of paying the difference from their own pocket, the Committee added. Communities wishing to annex certain sections of an unincorporated township are not interested in residential sections, but rather vacant or industrial property that they can use for their purposes.

"To sum it all up, resident voters must decide whether or not they want to protect what they have and have a say in how the township grows, or face annexation attempts, the possibilities of the loss of valuable tax land and paying the difference from your own pocket.

It's all up to you — the individual voter," the Committee reported.

## WSU Gets Trade Papers

The papers of the Detroit chapter of Association of Catholic Trade Unionist (ACTU) have been placed with the Wayne State University Labor History Archives, Donald Haynes, archivist, announced.

The papers consist of official correspondence as well as bound and microfilmed copies of the Detroit chapter's newspaper, the "Michigan Labor Leader" and later called the "Wage Earner."

**ROMULUS** — Schematic drawings for Romulus Township's new Municipal Building and Library were unanimously approved last week by the Romulus Township Board.

The Township's new Civic

Center is to be constructed on a 16-acre land parcel owned by the Township and located on the east side of Wayne road south of Goddard road.

The pre-floor and elevation designs were prepared by the architectural firm of O'Dell,

Hewlett and Luckenbach, Inc., of Birmingham, Mich.

Cost estimate for the two structures, the initial phase of the Civic Center which will also include a Police Department and Community Center Building, is reported at

\$1,708,800, Joseph Wallis, township treasurer, reported. Romulus Building Authority is responsible for the construction of the Municipal Building, Library and other structures planned for the Civic Center. Officers of the authority have previously approved the plans and designs.

**THE NEXT STEP** now will be for the architects to prepare workable plans for Township Board's approval.

The asking for construction bids by building contractors will then follow.

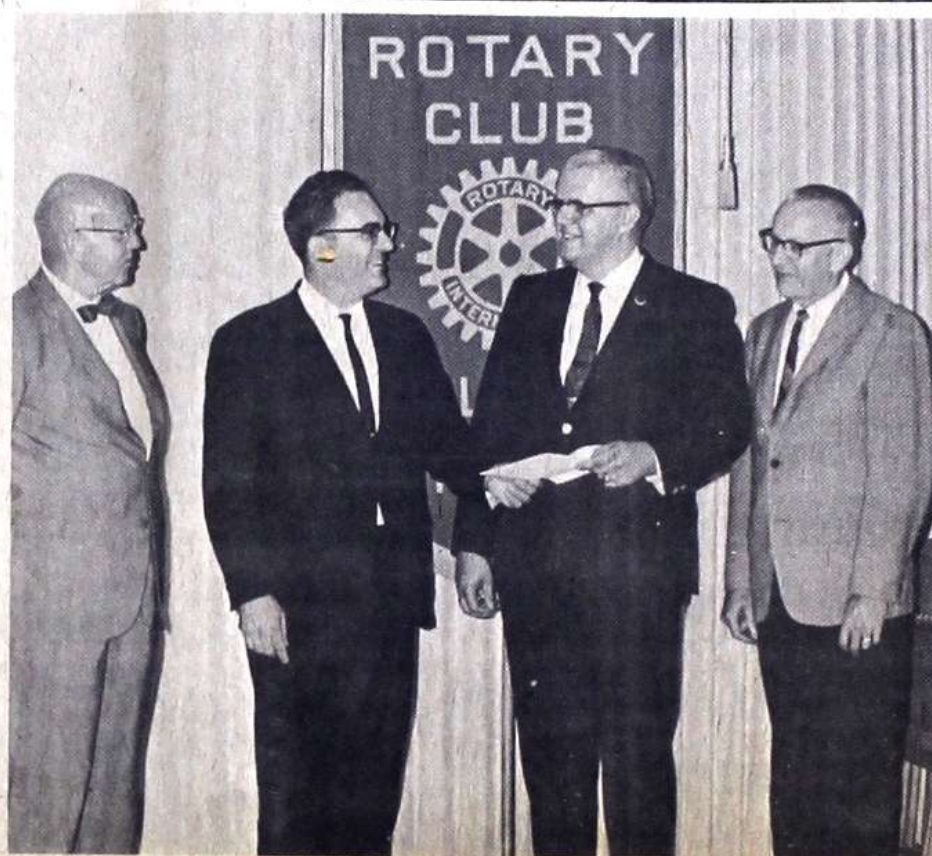

The Civic Center will be financed through a bond issue that will be paid off by revenues received by the Building Authority.

Edmund Bizek, township

supervisor, announced that this financing through the Building Authority will not mean any tax increase for township residents.

**THE COST ESTIMATE** for the proposed 20,000 square-foot administration building and library is as follows:

Municipal Building, (including elevator, council room, seating and air conditioning), \$772,000. Library (including air conditioning), \$352,000. Site Work (including parking lots, drives, walks and plaza), \$230,000. Utilities (underground), \$38,000. Fees, \$94,000. Contingency (five percent), \$70,000 and Furniture, \$152,800.

**GUEST SPEAKER** — Peter Fletcher, Ypsilanti attorney (second from right) was the principal speaker at Belleville Rotary dinner-meeting Sept. 17. He is shown with (left to right) Charles Cozadd, Rev. Allen B. Rice, II and Landy Box. Fletcher spoke about the recent Republican convention and on the citizen's duty to become involved in the political process.

## Kaulitz Denies Reports

**BELLEVILLE** — Reports that another school millage increase proposition will be presented to Van Buren School District voters in the near future were termed erroneously by School Superintendent Dale E. Kaulitz.

The reports were apparently due to a mis-interpretation of comments made at a meeting of teachers, at the start of the 1968-69 school year, he stated and added:

"There are no plans this year

or next for any millage increase, we are not presently planning any. There is however a millage renewal due in 1970."

Kaulitz reported that he addressed the teachers following school opening and requested that they (teachers and school staffs) begin now to create a better image of the school and its administrative operations, to assist in bringing about better communication between the school administration and the community. "Better communication result in improved school-community

relations," he told them.

He stated that he also told the teachers and other personnel that demands no doubt, will be made in the future when, no one knows. It may be quite some time, a lot depends on circumstances and conditions of the school system.

He said that it is better to start now to create a better job on public relations even if a millage request may be made five years from now. Than wait six weeks before a millage election to inform the community on the reasons why.

## Chamber Chatter

BY THEODORE KUCKELMAN  
Executive Director  
Chamber of Commerce

Several years ago an aged warrior of the Civil War was being interviewed by a reporter from a metropolitan newspaper who informed him: "You and two others are the only survivors of the Confederate Army; and there is only one Union soldier still alive."

"Well, now's the time to attack!" snapped the Rebel. "We've got them out-numbered at last!"

### WHAT HAS MADE AMERICA GREAT?

If someone were to ask, "What made America great?", I am sure that any answer would always include at least three things: First, the abundance of our resources. Second, the background and character of the people who came to the New World together with the heritage of the generations that have followed. And, third, the governmental and economic institutions these people have created as they transformed these resources into wealth.

You can no longer run your business simply by making and selling product. You must consider the consequences of your business, what it does to human beings and for human beings.

Like to learn about the Belleville area in which you live? Your Chamber has a brochure on Belleville and its area which is quite interesting and worth your time reading. Please stop by and pick one up.

### DATES TO REMEMBER FOR OCTOBER:

- Oct. 2: Yom Kippur
- Oct. 5: Last day to register to vote for the Nov. 5 election. Be sure and register.
- Oct. 24: Full board and membership meeting at Rogalle's Lounge.
- Oct. 31: Halloween

**YOUR MEMBERSHIP** in the Chamber of Commerce doesn't cost... it pays. Because you're a business or professional man in Belleville... the growth and prosperity of the community has a direct relationship to your own business.

The following are new members in the Chamber: Peninsula Realty, Ski's Dairy Bar, Lodge Lanes, Hayward's Store and Mobil Manor.

How about you joining the Chamber of Commerce? For information concerning your community please feel free to call. 697-7151.

## AN EDITORIAL

## Your Vote Counts

FOR ONCE, your vote is going to count. The current Presidential election has the political experts in an uproar. For the first time in over a century there is a real possibility that the election may be thrown into the House of Representatives for decision. And why? The Democrat party's uneasy coalition of the laboring middle class, Negroes and left-wing dissidents has split up, bringing about the candidacies of the Dixiecrats George Wallace and the black radical Eldridge Cleaver, in addition to the more bland major party fare, Richard Nixon and Hubert Humphrey.

Unlike the election of '64, when many Americans might have gotten the idea, and justifiably, that their vote would count for little in the landslide for LBJ, '68 is a brand new ball game.

And Michigan is a key state in everyone's campaign strategy this year, with some predicting victory for Nixon, some for Humphrey, and some discussing the possibility of Wallace garnering Michigan's electoral votes.

Wallace-ites are basing their hopes on a big vote for George in the suburbs that surround Detroit in the populous tri-county area.

But whether you're for Wallace or against him, whether you intend to vote for the Democratic nominee or the Republican, or whether you want to register your approval of the Peace and Freedom Party candidate Eldridge Cleaver, your vote is going to count.

Michigan is the kind of state that will mean the margin of victory for the next President of the United States, so whatever you do, remember to register before Oct. 4 and vote Nov. 5. Make your voice heard in this election at the turning-point of American politics.

Just to make sure, call your city clerk's office now to get the right information about registering. Then go do it.

## Help Our Scouts Round Them Up

Ever since its beginning in 1910, the program of the Boy Scouts of America has helped boys to build useful lives, based on action and doing to achieve the objectives of building character, citizenship, and mental and physical fitness into the lives of American boys.

Boys like Scouting. This is evidenced by the fact that 40 million American males have been in Scouting. This is further borne out by the fact that one out of every four American boys is a Scout today.

Because boys like Scouting and want to be Scouts, a major effort of the Boy Scouts of America now through December is to make Cub Scouting, Boy Scouting, and Exploring available to many more boys in our area.

THE FALL roundup has as its theme "Scouting Rounds A Guy Out." The experience and excitement of the outdoor activities that are a natural part of Scouting help build boys into men who are physically, mentally, and morally fit.

As a partner with many of our local religious, civic, fraternal, school and community organizations, Scouting has become a vital, educational force in the lives of thousands of boys. Great strides have been made in bringing Scouting to boys wherever they are found.

The fall roundup program of the Boy Scouts of America is a potent force to reach and recruit even more boys. New Scouts are being invited into existing Cub Scout packs, Boy Scout troops, and Explorer posts. It also is a plan to organize new Scout units to take care of the exploding youth population.

Another vital part of the roundup is the recruiting of additional volunteer adult leaders and committeemen.

The success of Scouting for boys of all ages is reflected in the enthusiasm of the volunteer leader. He teaches ideals along with skill, has a genuine interest in the program, and proves that his great concern is in seeing boys grow into the right kind of men.

We encourage every boy who wants to be a Scout to sign up. We urge interested adults to join up as well.

## "Candid Capers"

By Bill Balogh

**CRAZY FLYING ANTICS** — Those of our readers who saw last week's giant air show at nearby Willow Run Airport know that the above picture is "for real"! No one can ever forget the Flying Professor who laugh-thrilled the huge crowd doing crazy antics with an airplane that "is just not in the book". One of the most breathtaking pictured here is when the famed Captain Dick Schram acting as an absent-minded Professor loops his airplane only 100 feet off the ground.

## Yesterday's Headlines

20 YEARS AGO

SEPTEMBER 24, 1948 — Headlines announced 'School Registration Up.' All districts in the area were reporting gains caused by the first contingent of war babies.

Romulus High School gridders were pictured on page one after defeating Belleville High, 13-6, to capture the special trophy which was to be awarded annually at the schools' competition.

G. W. Herzog resigned as Romulus Postmaster in order to make his home in Six Lakes, Mich. and to farm a 340-acre plot.

In the society section, two well-known Belleville couples were announcing the arrivals of baby daughters, both on Sept. 11 and both at Beyer Hospital. Sumpter businessman and Mrs. Joseph Sietz and Mr. and Mrs. James Savage were welcoming the new additions.

15 YEARS AGO

SEPTEMBER 23, 1953 — Members of St. Anthony's parish were saddened at the news which greeted Enterprise-Roman readers in a banner headline — "Father Guzik is Leaving St. Anthony's." Transferred to St. Albertus Church, Detroit, Father "Al" (as he was affectionately known) had been pastor since the parish's establishment in 1946.

Romulus Schools enrolled a record 3,778 students and the Belleville Tigers won their season opener over Milan by a score of 18-0.

Belleville Kiwanians were to mark their annual "Kids Day" with a peanut sale on local street corners. Eight-year-old Beverly Lykins, daughter of Mr. and Mrs. Foy Lykins, of 18801 Elwell rd., was one of the area's children being helped by proceeds from the sale. She had been a victim of polio for over one year.

Work was underway to double hangar facilities at Wayne County Airport.

Former village clerk, Charles S. Forbes, was dead at 84.

Society news notes included the engagement of Mort Stoelton and Bonnie Wilson.

10 YEARS AGO

OCTOBER 1, 1958 — Impressive ceremonies over the week-end marked the dedication of Detroit Metropolitan Airport.

Van Buren school enrollment was up eight per cent. Local teams were again victorious as the Belleville eleven upset Bentley 14-0 and Huron defeated Airport High 13-0.

Miss Irene Whalen was given the honor of "Woman of the Year" by the Belleville Business and Professional Women's Club.

Local insurance agent, Andy Krebs, was honored for his 26 years service with Citizens Mutual Insurance during a dinner party at Dearborn Inn.

## Another Butt Pat for McLain

By JIM FITZGERALD

The game was over but Eddie was still staring intently onto the field, mumbling to himself. "What are you doing?" I asked. "I am counting butt pats for mother," he said.

I took 10-year-old Eddie to Detroit to see the Tigers play Baltimore. My dad used to take me to ballgames and I though he was quite a guy even if he never would buy me a 75-cent Tiger shirt for \$1.75. I started dragging Eddie to games two years ago when he hardly knew a baseball from a dumpling. I was determined that he would think I also was quite a guy, right off an old Saturday Evening Post cover by Norman Rockwell (back when poor people were allowed to read the Post). But the only impression Eddie got from those first few games was that Dad "sure hollers a lot at ball-games." He was also embarrassed when the Tigers lost and I cried. The only thing he was interested in was the TV camera. Everytime it swung his way he did his impression of Ed Sullivan and took three quick bows.

But the Tigers, finally snarling, made a real fan of Eddie this year. He has, in fact, become one of those all-out nuts who can tell you what Norm Cash eats for breakfast the morning after he has struck out three times. At home, in front of the radio or TV, he keeps a running box score of every game. When the tigers win, he bores the family silly by orating loudly on how they did it, frequently consulting his written record to keep the facts straight. When they lose, Eddie flushes that lousy box score down the toilet and forgets it. In fact, if the Tigers are more than three runs behind by the 5th inning he rips up his record and goes outside and throws a ball against the side of the house, bang, bang, BANG. This is a real fair weather kid.

EDDIE ARRIVED for the Baltimore game well prepared. He was wearing his

Al Kaline glove and his Tiger cap and he carried a well-sharpened Tiger pencil. His mother gave him the pencil so he wouldn't have to buy another one at the stadium. She had saved it from a game she saw a while back (Ty Cobb stole three bases).

"Mom saved us 10 cents," Eddie explained as he bulldozed me into buying him one of those shirts my dad would never buy me.

But there was a problem. How was he going to keep accurate score with his cheap pencil and still catch foul balls with his Al Kaline mitt?

"You keep score," he told me, handing over the scorebook and pencil. I wrote in each player's name and was half-way through the first inning before Eddie checked to see if I was doing it correctly. He snatched the book out of my lap.

"Nobody can read your writing," he said. And he erased everything I'd written and started all over again. Boy, fifth graders print as if they were engraving tombstones. Each letter is straight and sturdy enough to trip over. You can read them from across the room. If I wrote like that, no one would know I was a big business executive.

ALL OF which was embarrassing enough but the kicker was that I had to wear Eddie's mitt and watch out for foul balls. We sat in the left field corner and every time a right handed slugger was batting Eddie would caution me to be ready "because this guy pulls a lot of 'em foul." Whenever a ball came within a mile my nerves jumped and I fell out of my seat. You can imagine how I felt. If a ball ever came to me and I blew it — with a mitt on yet! — that little kid would go back to the hospital and ask for another dad.

Fortunately, no ball came that close. I escaped Eddie's scorn. And nuts to all those Tiger fans who kept giving me strange looks. Didn't they ever see a fat left-fielder before?

## Pointed Advice Offered Citizens

Every law abiding citizen fears and detests the sporadic violence and vandalism that have become so much a part of daily life in the U.S. They sense, and rightly so, that if not controlled, the present state of affairs can weaken the very foundations of representative government and personal liberty.

Many find it hard to stand on the sidelines, so to speak, as mute witnesses to the destruction of the institutions and processes of a free society. Many wonder what they can do to help bring back stability.

A short time ago, the nation's leading law enforcement officer, J. Edgar Hoover, long-time director of the Federal Bureau of Investigation, was interviewed by the Associated Press and used the occasion to give some

very pointed advice to private citizens.

Hoover believes our present troubles stem primarily from our own growing indifference to right and wrong. He says, "A rising contempt of and disrespect for law and order lies at the heart of the growing violence in America today. This disrespect is reflected in many ways: a spiraling crime rate, riots, civil disobedience, rebellion on our campuses, and the rise of extremist racial and vigilante groups."

Hoover believes, we have been entirely too soft on the question of civil disobedience which he says is a "pernicious doctrine."

eventual tragic consequences."

Hoover also says bluntly, "We are living in an age when too many citizens are thinking about their rights' and 'privileges' and too little about their 'duties' and 'responsibilities'."

Of course, many of us have heard a similar indictment of the current behavior of U.S. citizens. Implicit in them is the answer for those who still wonder what they can do to help correct the situation.

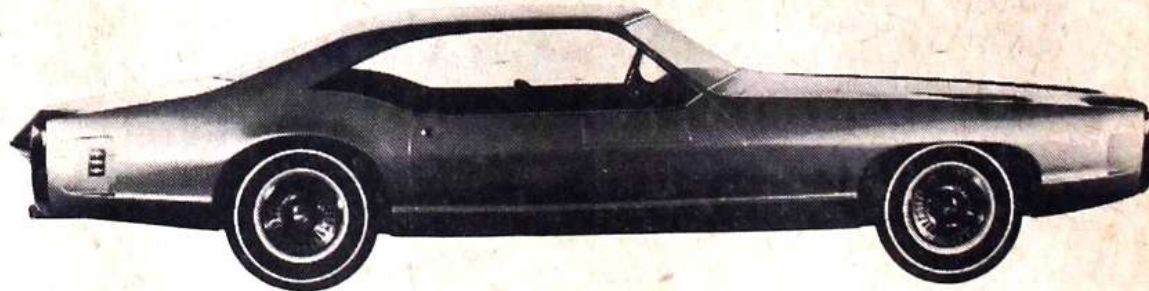

In Hoover's words, "Citizens can set a personal example of obeying the law themselves and encouraging others to do likewise. Far too many adults set bad examples for others to follow. We must encourage respect for our flag, our history, our principles of free government. Young people in particular must learn the

significance of the law. Respect for law is not something to be learned in 'one big bite' but is the result of living this principle day after day."

BEYOND THIS there are specific ways in which the private citizen can aid law enforcement. The press can report facts promptly and accurately in situations of lawlessness. We can all take an interest, as business and industrial leaders are now doing, in helping to remedy the conditions such as poverty, discrimination, poor housing and so forth which help breed crime.

These are a few of the more pertinent points covered in the AP interview with Hoover. His suggestions come from a man who is held in high esteem by nearly everyone in public and private life alike.

We make new car dreams come true!

Deciding on a new model can be pretty exciting. So why allow your enthusiasm to become bogged down with financing details and red tape before you put the first mile on your new car!

Ask your dealer to finance your new car through Security Bank & Trust. If you prefer, you may use our "Phone-a-Loan"™ service by simply dialing 388-0300. Before you know it, your auto loan will be arranged.

When it comes to auto loans we make it as convenient as possible for you to buy a new car. So when you're ready for that new car, remember...

SECURITY BANK & TRUST

is all you need!

1969 TORONADO

BY GOP OPPONENT BOYLE

# Ford Asked to Renounce Support of War Policies

John F. Boyle, 34-year-old Republican candidate for the U.S. Congress, 15th Congressional District, called upon incumbent, Democrat William D. Ford, to renounce his support for the war policies of the Johnson-Humphrey administration.

"Ford's stand is incredible. His own poll of over 14,000 families proved positively that 72 percent of his constituents were fed up with the present United States policy in Vietnam and Southeast Asia.

"The ink was barely dry on his newsletter when the incumbent was pledging his wholehearted support to Vice President Humphrey long before the Democratic Convention in Chicago.

"Once again we find the incumbent aligning himself with the minority of his constituents. It is beyond belief that he can now turn around and ask these same

voters to support four more years of the Johnson-Humphrey war policy.

BOYLE EXPLAINED his stand: "The Vietnam war, as conducted by the past two Democratic administrations, has been devastatingly costly in American lives. In 1960, when there were only 782 Americans stationed in Vietnam. Now, after eight years of Democratic rule, that many men are killed in two weeks alone. Last year 7,842 Americans died. The slaughter toll this year has already mounted to more than 10,000 of our finest youths.

"The Johnson-Humphrey war policy, as supported by the incumbent, is draining this nation's economy also. In financial terms, the war is one of the most expensive in this nation's history.

"During the Johnson administration alone, the

annual cost of conducting the war has increased by 2,500 percent, from \$103 million to \$26.29 billion annually. Huge war spending programs have distorted the U. S. economy, hastened the U. S. gold drain, and perverted the initiation of needed social programs.

"THE DISTORTION in the U. S. economy is seen in the inflation that today affects the nation. This Vietnam war cost is borne by consumers, retirees and others on fixed incomes. The 10 percent surtax will hurt even more next March.

"As U. S. gold stocks are diminished by a steadily worsening balance of payments situation, world respect for the dollar likewise declines, with subsequent ill effects for our foreign trade. Needed social programs such as increased social security benefits, medicare benefits, and aid to our cities are impossible with the present cost of the war.

"In short, the Vietnam war, as conducted by this incompetent Democratic administration, has led to squandering of our wealth abroad, inflation of our dollar at home and neglect of our citizens in their most crying needs.

"IN PURSUING this war, the administration has lost the support and trust of the American people. It has lost this support because of its failure to speak truthfully about our chances of winning the war, and because it has deliberately mistated the costs of fighting the war.

"From 1964 to the present, Americans have been subjected to a steady flow of misinformation and exaggerated claims that the end of the war is in sight. But the war is still going on, Americans are still being killed, and no end appears to be in sight. Americans have grown tired of supporting a war whose objectives are unclear, and a war they have been deceived about.

"I call upon William Ford to renounce his support for the Johnson-Humphrey administration's war policies. Peace with honor should be our only Vietnam objective. I support the Paris peace talks and I urge the administration to pursue negotiations more vigorously.

"The same old team that got us into Vietnam will have trouble getting us out though. New national leadership is needed. Only through electing the Republican ticket, headed by the experienced Dick Nixon, can this nation regain its pride and end this Vietnam war."

Now that you've worked for it and paid for it, be sure to protect your investment with adequate insurance.

## Relations Director Appointed

DETROIT — James G. Juroe has been elected Director of Public Relations at Bank of the Commonwealth Bank President George W. Miller announced.

Prior to joining the bank Juroe was a faculty member at the University of Nebraska where he is a Ph.D. candidate in English and American Literature.

He was a member of Burroughs Corporation's Detroit public relations staff from 1962 to 1966. His last assignment with Burroughs was in Omaha where he was public relations director of the firm's Job Corps Center for Women.

Juroe previously worked for Chrysler Corporation, Missile Division and the Bendix Research Laboratories.

He earned the B.A. and M.A. degrees from Wayne State University which he attended from 1958 to 1964.

Juroe, 32, lives at 13094 Rosemary, with his wife Ellen and their three children.

## Assigned

ROMULUS — Airman Robert M. Talagrand, son of Mr. and Mrs. Marceau P. Talagrand of 28269 Goddard, has completed basic training at Lackland AFB, Tex.

He has been assigned to the Air Force Technical Training Center at Port Hueneme Naval Station, Calif., for specialized schooling as a construction specialist. Airman Talagrand is a graduate of Romulus Senior High School.

## Huron Watershed Council To Hold Meet Tomorrow

ANN ARBOR — The regular September meeting of the Huron River Watershed Council will be held tomorrow, Thursday, Sept. 26, at North Campus Commons, University of Michigan, beginning at 8 p.m.

Topics for discussion and action include: Flood Damage Avoidance and a panel discussion on pollution and Pollution Control Plans in the Huron River Basin.

On the Flood Damage Avoidance, a staff report on a proposed three-point watershed Council program embracing flood warning, flood plain delineation and chemical improvement will be presented.

Pollution of the Huron River below Rawsonville Road reached "crisis proportions this summer." The plan is to hold a panel discussion on both the short and long range pollution problems.

Members on the panel set up to discuss the Belleville lake problem are:

City of Ypsilanti; and Eugene Kramer, director of Washtenaw County Metropolitan Planning Commission.

Raymond Suliman, its chairman is seeking 25,000 signatures on petitions calling for the Water Resources

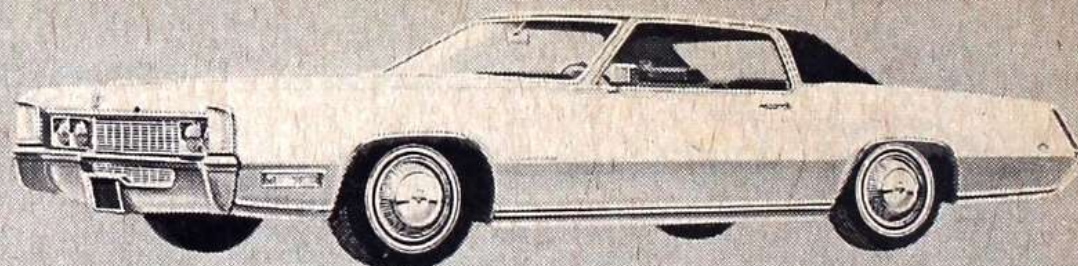

Commission to apply standards which would allow swimming in all the lakes in the Huron River Basin.

ANSWERING QUESTIONS — A public hearing under the sponsorship of the Van Buren Civic Association was held at the Belleville High School's cafeteria last Thursday (Sept. 19) to hear the pro and con views of residents on a new proposed rezoning of McMullan Point for multiple dwellings. Above are two officials of the Association at the podium answering questions presented. Left to right are Tracy Carrabin, secretary and William Jenkins, president.

Presenting Cadillac for nineteen sixty-nine

A masterpiece from the master craftsmen

Beautifully new, distinctively Cadillac

Above, the 1969 Fleetwood Eldorado. Below, the 1969 Hardtop Sedan de Ville. Cadillac Motor Car Division.

### Even Cadillac has never built one like this!

The craftsmen who engineer and build Cadillacs are accustomed to creating the finest of motor cars, but they take special pride in these brilliant 1969 models.

A single glance at this automotive masterpiece reveals striking poise and beauty, dramatically new, yet unmistakably Cadillac. For 1969, Cadillac's traditional dignity is complemented by youthful styling unique in the luxury field.

### New concepts in comfort and convenience.

The 1969 Cadillac is completely new inside, with major innovations in design, convenience and decor. A newly contoured "control center" instrument panel makes controls even more accessible, and virtually surrounds passengers with luxurious protection and convenience.

### A smoother, more responsive engine.

Cadillac's great 472 V-8 engine—the largest V-8 ever to power a production passenger car—is smoother, quieter and more responsive. Never before has power been employed so efficiently in the operation of a car and its equipment. And for 1969 front disc brakes are provided.

### Your judgment is invited.

There are eleven different models of the 1969 Cadillac, more than is offered by any other luxury car manufacturer. Each is truly a masterpiece from the master craftsmen.

Your authorized Cadillac dealer welcomes your personal inspection of this once-in-a-lifetime motor car. Stop by and drive one at your earliest opportunity. We think you'll agree that this is the greatest Cadillac ever built.

THE NEW 1969 CADILLACS WILL BE ON DISPLAY TOMORROW AT YOUR AUTHORIZED CADILLAC DEALER'S

## The hushabye heat.

Soft and low. Gentle and quiet. That's electric heat. It's the quietest heat you can get. If it's radiant, there's no sound at all. If it's a warm-air furnace, the fan runs at a lower speed. Gives only a gentle hum, soft as a lullaby.

What else?

Electric heat is clean. No fumes. No soot. No draft. No chill one moment nor a burst of hot air the next. The humidity stays in the comfort range.

It's better for you. Your nose and throat. Better for your home.

Call Edison for the name of your nearest Edison-approved Electric Heat Contractor. He'll give you a no-obligation survey. And we'll see that you get a \$100 trade-in allowance on your old heating plant.

Electric heat... the hushabye heat. Comforting to have while your little one, your pretty one, sleeps.

**EDISON**

## Gospel Study At Methodist Church

A Bible study on the gospel of John will be conducted each Monday in October, from 10 until 11:30 a.m. at the Belleville United Methodist Church.

The Woman's Society of Christian Service, which is sponsoring the program, invites all interested persons, both men and women, to participate. Those attending are asked to bring their Bibles along.

Mrs. Lawrence Ward, of Milan, a former dean of the Detroit Conference School, will be the instructor. A baby sitter will be provided for those bringing small children.

## Old Movies Returning To Museum

Buster Keaton, Lillian Gish, William S. Hart, and Douglas Fairbanks are some of the stars of the opening feature in the Fall series of Famous Early Movies, which start Sunday, Sept. 29 in the Henry Ford Museum.

The picture is The Great Chase, a compilation of the kind of chase scenes that were almost standard in early American comedies and westerns. A 1940 animated cartoon, Dover boys, also appears on the bill.

Every Sunday through Dec. 15 at 2 and 4 p.m., the Museum will be presenting a variety of films of interest to the whole family.

To nickelodeon-style piano accompaniment, great silent film stars like Charlie Chaplin, Mabel Normand, and Laurel and Hardy will come to life on the screen of the Museum Theater. John Barrymore, Mary Astor, W. C. Fields and others will appear in later films made from the advent of sound to 1940.

Rounding out the schedule are several animated cartoons and a bouncing ball sing-along.

Pictures in the Famous Early Movies series are chosen both for their entertainment value and because they represent a visual history of the industry.

For many years this has been one of the most popular of the many programs the Henry Ford Museum uses to bring American history to life.

Admission to the films is included in the regular Museum admission, \$1.75 for adults and 75 cents for children.

Shock-free carpets are made by combining fine nickel or stainless steel fibers with the nap. These fibers are grounded to prevent generation of static electricity by a person walking on the carpet.

## At Methodist Church

# Michael White, Pat Robson Exchange Double Ring Vows

Arrangements of gladioli and chrysanthemums amid lighted tapers graced the altar of the United Methodist Church of Belleville September 7 as Patricia Lou Robson approached her waiting bridegroom, Michael Glenn White, on the arm of her father.

Some 225 guests were assembled for the seven thirty nuptials read by the Rev. Allen B. Rice, II.

Patricia is the daughter of Lewis Robson, of 375 Liberty street, Belleville, and Mrs. Eugene Tyler, of 500 Ford street, Plymouth. Her bridegroom's parents are Mr. and Mrs. Howard White, of 21534 Frazer, Southfield.

brothers of the bridegroom; Daniel White, of Livonia, and Don Brasch, of Southfield, his cousins; and Bill Emerson, of Belleville, a friend of the bride.

GUESTS TRAVELED to Lofy's, in Plymouth, for the reception which followed. The bride's mother received in a pale pink coat-dress ensemble with hot pink accessories and a corsage of pink carnations and sweetheart roses. A corsage of apricot tea roses was added to the silver gray dress and companion coat which Mrs. White chose for her son's wedding. Her accessories were in matching tones.

Now making their home at 5995 Wildwood, Apt. 210, Westland, the newlyweds will take their honeymoon at a later date when the bridegroom completes classes at Detroit Business School.

The new Mrs. White attended Ferris State College for two years and is currently employed as a secretary at the Ford Motor Company's Rawsonville plant.

Her husband majored in business administration during his four years at Ferris where he was affiliated with Theta Xi fraternity. He is currently working for the Trilex Corporation while attending school.

MRS. MICHAEL G. WHITE

## NEW BOSTON EVENTS

# New Boston Rotary 'Comes Thru' With Balance For Cheerleaders' Sweaters

BY  
MRS. WILLIAM HAVENSTEIN  
753-3801

The New Boston Rotary Club has made the Huron High School Cheerleaders very happy by paying the balance of \$166 on their sweaters. The girls have held fund raising projects to purchase the sweaters but were still in need of the balance when the Rotary generously came to the rescue.

The cheerleaders say "Thank you, Rotarians".

A meeting of the Executive Board of the Huron-New Boston Centennial Committee met Monday, September 16, to discuss the spending of the profits from the event.

It was reported that the balance on hand is \$5207.54.

The original plan was to use this money for a civic center for the residents of the township. But after much

research, it was concluded that a civic center was not feasible for our area at this time.

Other suggestions were the purchase of library books and/or other library materials for the Huron High School library, audio-visual aids for the present classes of emotionally handicapped children of Huron Township, a donation to cover the cost of before-game meals for the Huron High Football team, and a Little League Stadium. No decisions were made on these suggestions.

It is the sincere hope of the committee that residents of Huron Township will feel free to share their ideas for using the Centennial profits. This may be done by sending a postcard or letter stating your suggestion to: Huron-New Boston Centennial Committee, Box 183, New Boston, Michigan, 48164. Each suggestion will be considered and discussed by the Committee.

The next meeting is scheduled for October 7, 7:30 p.m. at the St. Pauls Lutheran Church, New Boston.

On Monday, September 16, a meeting of the Huron Valley 4-H Club was held at the home of Mr. and Mrs. James Tillotson, of Prescott road.

Ed Kentala, who has been the leader of the club for the past three years has decided to terminate his leadership. He has devoted a great deal of time and energy to this effort and has done well in providing worthwhile activities for the young people of this area. His co-leaders were his wife and James Tillotson.

Mrs. Nancy (Toth) Heaner of New Boston will take over the club leadership beginning with the fall season. The membership of Huron Valley welcomes her to the club and hopes she will enjoy being their leader.

## Ages Differ; Food Needs Identical

Older people need the same nutrients as the child or young adult - the only difference is the amount.

Mrs. June L. Sears, home economist with the Cooperative Extension Service in Wayne and Oakland counties, says that as age advances, decreased activity reduces the requirement for fats and sugars.

BUT HIGH quality proteins such as those found in meat and eggs are still essential to the senior citizen's diet, she says. So are the vitamins and minerals supplied by fruits and vegetables.

Lack of appetite, faulty digestion and dentures can inhibit proper nutritional habits among older persons. Making mealtime more pleasant by sharing it with friends, eating out occasionally or listening to the radio can help whet the appetite.

"Good food provides all the nutrients you need," says Mrs. Sears. "Shun the peddlers of pills, tonics and food supplements who falsely promise the return of your youth."

## BPW's Annual Rummage Sale Saturday

The Belleville Business & Professional Womens Club is holding its Fall Rummage Sale Saturday, September 28, at the Masonic Bldg., Main St., Belleville.

The proceeds from this sale are to be used for the clothing purchased at Christmas for the needy children in our area. Also, a portion of the sale money will be used toward the \$200 scholarship given each year to a senior girl in our Belleville High School who is furthering her education.

The B.P.W. Club this year is promoting, statewide, a project concentrated on fighting crime in our State. All the Clubs in Michigan are working to help solve this ugly problem. This project will need financial backing for which we hope to use some of our rummage sale receipts.

Members may bring their old clothing and household items to the Masonic Bldg., Friday evening after 6:30 p.m., or may take them during the week to Artley's barn, 354 West Columbia.

The sale will begin at 8:30 Saturday morning and all unsold items will be given to the Salvation Army for their disposal.

We need the support of Belleville area residents to help make our sale a financial success.

## Twin Daughters

For Dr. and Mrs.

Paul Gerrish

Dr. and Mrs. Paul Gerrish, of 98 Wabash street, newcomers to Belleville, are lullabying twin daughters these early autumn days. The baby girls made their debut September 16 at William Beaumont Hospital, in Detroit, and are the couple's first children.

Michelle Jo was the heavier of the two, weighing in at 7 lbs. - 6 ozs. Her twin, Marla Beth, weighed 6 lbs. - 15½ ozs.

## Women's Page Deadline

Noon Monday

TICKETS ANYONE? - Mrs. Fred Flavell (left) and Mrs. Landy Box posed for our photographer as a reminder of the up-coming benefit card party which the Belleville Junior Study Club is sponsoring Wednesday, October 2. The 7:30 p.m. event will take place at the Belleville Junior High School. Tickets are \$1 each and may be purchased at Box's Jewelry Store of from any club member. Reservations may also be made with Mrs. Ted Hooten, Jr., 697-8306, or Mrs. Thomas Norman, 697-8895.

# Reservations Being Taken For Annual Card Party

It's that season again - autumn - and time for the Annual Fall Card Party sponsored by the Belleville Junior Study Club. The benefit affair will take place Wednesday, October 2, at 7:30 p.m. at Belleville Junior High School.

Guests are invited to play their favorite card games as well as buncos or table games. Tickets are \$1 each and will include refreshments and a chance at numerous door prizes donated by local merchants and a special prize for the winner at each table.

As in the past, 'loot bags' will be a popular feature of the evening with contents coming

from local businessmen as well as from Detroit firms and national companies.

The highlight of the evening will be the awarding of the hope chest items - a handmade quilt, afghan, table cloth and napkins, or three for a quarter.

## IT'S A DATE

• Clubs • Meetings • Activities

BELLEVILLE - The October 3 meeting of the Past Matrons' Association of Belleville Chapter, O.E.S., will be held at the United Methodist Church at 12:30 p.m. P.M. Effie Kerbyson will be hostess.

NEW BOSTON - St. Stephen's Mothers' Guild will hold its annual rummage sale Oct. 4 and 5 from 9 a.m. to 6 p.m. The sale will take place in the white building behind the church at 18858 Huron River drive. Donations may be taken to the building Oct. 2 and 3. For pick-up, call Mrs. Irene Adaline, 753-5034.

BELLEVILLE - Belleville Chapter No. 73, O.E.S., will hold a special meeting Wednesday, Oct. 2, beginning with dinner at 6:30 p.m. Past Matrons and Past Patrons will put on the initiatory work at 7:45. Chapter will be opened at 6 p.m. Reservations for dinner must be made by Sept. 30. Call 699-4021.

NEW BOSTON - The Ushers Club of St. Stephen's Church will sponsor a Harvest Dance Saturday, Oct. 12, at the Romulus Progressive Club from 9 p.m. to 1 a.m. Free refreshments and door prizes will be the evening attractions along with the music of "The Continentals."

EDITOR'S NOTE: Announcements for this column are always welcome and free of charge. Items may be mailed in during the week but must be received by noon on Monday to make that week's issue. Phone calls will also be accepted on Mondays.

## MISS PETER'S

# November Wedding Planned

Mr. and Mrs. Richard Peters, of 37661 Barth road, Romulus, are announcing the engagement of their daughter, Angelann, to Karl Toth, of Romulus.

Miss Peters, a 1967 graduate of Romulus High School, is presently employed with Stahl Manufacturing Company, Plymouth.

Her fiancé, son of Mrs. Helen Toth, of 9740 Shook road, Romulus, also graduated from Romulus High. He is currently employed at Rheem Corporation, Romulus.

A November wedding is being planned.

MRS. DANIEL H. WHICHELLO

## Atlantic Seaboard Honeymoon Destination For Whichellos

Double ring vows were exchanged September 21 at the United Methodist Church of Belleville between Margaret J. Schleif and Daniel H. Whichello.

The young couple was honored at a reception at the U.A.W. Hall on Ecorse road following their wedding and later departed for a two weeks honeymoon to the Atlantic Seaboard.

The Rev. Allen B. Rice, II, presided at the seven o'clock nuptial service which united the daughter of Mr. and Mrs. Henry T. Schleif, of 5956 Burr, Taylor, and the son of Mr. and Mrs. Harlan L. Whichello, of 47136 Denton road, Belleville.

Arrangements of bronze and white pom-pom mums and lighted candles graced the altar with traditional wedding music played by R. Kissel at the organ and sung by soloist, Emil Work.

WALKING UP the aisle with her father, the bride appeared in a full-length bouffant gown of Chantilly lace over satin. The fitted bodice was fashioned with long, tapered sleeves and a square, scalloped neckline with beads and jewels studding the lace overlay.

A double crown of crystals and pearls clasped her mid-back illusion veil and she carried cascading miniature white roses and tendrils of ivy.

As her sister's honor attendant, Mrs. Emil Work, of Taylor, donned a formal gown with a scoop neckline and long sleeves on the gold velvet empire bodice. The slim skirt was created

of custard-colored crepe. Her headpiece was a crepe bow securing a brief nylon net veil and her bouquet was comprised of white carnations and ivy.

Donna Gonyaw and the bridegroom's sister, Nancy Whichello, both of Belleville, wore similar gowns with forest green bodices and lime green skirts. All three added diamond chip pendants to their ensembles - gifts from the bride.

PETER REKSHAN, of Belleville, a life-long friend of the bridegroom, was asked to serve as best man. Others on the esquire side were John Pieman, of Ottawa, Ohio; and John Whichello, of Belleville, the bridegroom's brother.

Gold crepe and a corsage of pink roses and carnations were worn by the bride's mother as she greeted the 250 guests at the reception. Mrs. Whichello chose for her son's wedding a dress of coral chiffon with harmonizing accessories. She, too, added pink roses and carnations to her outfit.

On their return, the newlyweds will make their home at 750 W. Huron River drive, Belleville.

A 1965 graduate of Taylor Center High School, the new Mrs. Whichello is employed at Hudson's Budget Store, Dearborn. Her husband, a 1959 Belleville High alumnus, attended Ferris State College and is now a partner at the Hitchen Post, Belleville.

### Twin Bill Playing At Bob Stamper Home

Mr. and Mrs. Robert Stamper, of 3080 Mott road, Ypsilanti, are announcing the birth of twins September 14 at Beyer Hospital. Their son, Douglas James, weighed in at 6 lbs. 5 ozs., and baby daughter, Dana Ann, weighed 7 lbs. 12 ozs.

Waiting to welcome them home were two big brothers, David, six, and Dennis, three.

Their mother is the former Julia Ann Hartford, daughter of Mr. and Mrs. Orville Hartford, of Geddes road.

MR. AND MRS. RONALD T. CAMPBELL

DIANA BOKON WEDS

## Newlyweds Travel To Smokey Mountains

A week-long honeymoon through the Smokey Mountains was planned by Diana Jean Bokon, of Belleville, and Ronald T. Campbell, of Westland, who were united in marriage September 7. Now making their home at 42660 Savage road, Belleville, the young couple spoke their double ring vows in an afternoon ceremony at the United Methodist Church of Belleville.

The Rev. Allen B. Rice, II, officiated before an altar appointed with bouquets of white gladioli and pom-pom mums. Klair Kissel was at the organ to play traditional bridal selections for the occasion.

Diana is the daughter of Mr. and Mrs. Louis Bokon, of 21805 Elwell road, Belleville, and her bridegroom is the son of Mrs. Jack Campbell, of 33020 Creston, Westland, and the late Mr. Campbell.

HOLDING A CASCADE of 12 white roses and two dozen miniature white carnations centered with a detachable corsage, the bride was escorted to the altar by her father.

For her wedding day, Diana selected a gown of silk organza designed with a fitted midriff, square neckline, and wristpoint sleeves. The bouffant skirt, cascading into Shiffl-embroidered ruffles, terminated in a chapel length train.

Her bouffant veil of silk illusion was caught to a petaled headpiece of organza and lace studded with aurora crystals.

Preceding the bride up the aisle was a trio of attendants: Jacalyn Bokon, who was her sister's maid of honor, in pink; (continued on page 8)

MR. AND MRS. ROBERT L. FERRETT

## Ferrett - Michniewicz Vows Are Read At St. Anthony's

Eastern Michigan University seniors, Mary Jane Michniewicz and Robert Lewis Ferrett, both of Belleville, exchanged double ring nuptial vows Saturday, August 31, at St. Anthony's Catholic Church, Belleville.

The altar was appointed with bouquets of white gladioli as Father Richard C. Welsh read the six o'clock ceremony before some 200 assembled guests. The bride's former music teacher, Lester King, of Belleville, provided organ music for the occasion.

Mary Jane is the daughter of Mrs. Stanley Michniewicz, of 20127 Sumpter road, Belleville, and the late Stanley Michniewicz. Her bridegroom is the son of Mr. and Mrs. E. W. Jack Ferrett, of 122 South street, Belleville.

ESCORTED TO the sanctuary by her brother, Stanley, the bride appeared in a formal A-line gown of lined white organza with Chantilly lace forming the wristpoint sleeves and rounded neckline. A train of organza and lace, secured at the shoulders, drifted to chapel length as she walked.

Her bouffant veil of silk illusion fell to mid-back length from a crystal and lace headpiece inset with white lace rosebuds. A triangular bouquet of white roses and foliage completed her bridal ensemble.

Two shades of green were selected for the attendants' frocks. The honor maid, Cheryl A. Mischak, of St. Clair Shores, the bride's sorority sister, donned willow green. Donna Hosman, a former classmate, and Janet Ferrett, the bridegroom's sister, both from Belleville, wore mint green.

Fashioned identically, the floor-length dresses were in the A-line mode with rounded necklines and Dior bows adding back interest at the waist.

Veiled Dior bows in matching green comprised their headgear and their bouquets were made up of yellow and white carnations.

The yellow and green color scheme of the wedding carried out the traditional colors of the bride's sorority, Alpha Sigma Tau.

JOHN PRESTON, of Belleville, served as best man and others on the esquire side were the bride's brother, Stanley A. Michniewicz; Constantine Vlides, of Ann Arbor, and Michael Dunn, of Dearborn, both college friends of the couple.

The P.N.A. Hall, Belleville, was reserved for the reception which followed after which the newlyweds departed for a week-long honeymoon in Michigan's Upper Peninsula. The Ferretts are now making their home in Ypsilanti.

For her daughter's wedding, Mrs. Michniewicz chose a pink

crepe A-line dress overlaid with pink lace. Her accessories were in white and she added a corsage of pink and white carnations to her gown.

Mrs. Ferrett donned a turquoise crepe sheath and harmonizing accessories. Her corsage was of turquoise and white carnations.

Both Mary Jane and Bob are 1965 graduates of Belleville High School, now in their final year at Eastern Michigan University. She is majoring in special education for the emotionally disturbed and his major is psychology. A member of the R.O.T.C., he is employed at Ypsilanti State Hospital. Prior to her marriage, the bride was an employee of Kirk's Drug Store, Belleville.

The bridegroom's parents entertained at the rehearsal dinner at their home the evening before the wedding.

CONVERSATION STARTERS

DICK and BILL HOOK

From America's beginning, we have been a nation of volunteers. In 1835, the young French nobleman, Alexis de Tocqueville, wrote: "Americans are an unusual people. When they see a problem come up, they immediately form a group or committee - whatever is necessary to get the job done." And we are still solving pressing national and community problems by coming together voluntarily in unprecedented numbers. Estimates are that 55 million volunteers serve philanthropic organizations. Giving themselves, many persons make their lives meaningful.

Knowing that we give you complete and dependable cleaning service makes our lives meaningful. Come to HOOK'S CLEANERS INC., 32328 Mich. Ave., Wayne (PA 2-0162), 35 Main, Belleville (697-8600), and 37311 Goddard, Romulus (941-1010). Coin drycleaning, too, in Belleville and Romulus.

## for and about WOMEN

### Senior Citizens Meet For Season Opener

The Pleasure Seekers of Brownstown Township, Senior Citizens group, held their first meeting at the Hand School Sept. 12. Forty-three members and seven new-comers attended.

Mrs. Emma Britz, president, furnished the refreshments for the meetings - cake, coffee, and cantaloupe.

The club's next get-together, Sept. 26, will be a pot-luck supper at 6 p.m. at Hand School. Those attending are to bring a dish to pass and their own table service.

### Junior Study Club Hears Dr. George Sayre Speak

The Belleville Junior Study Club held its opening meeting of the year at the Harmony lane home of Jean Troxell Wednesday evening, September 18. Twenty-four members and one guest, Nancy Amerman, were present to hear the guest speaker for the evening, Dr. George

Sayre, whose subject was "Women's Diseases".

A well-known gynecologist from Ypsilanti, Dr. Sayre spoke mainly on cancer - the progress being made, theories being studied, and the differences in its effects on men and women. He also stressed the importance of an annual Pap analysis and the need for every woman to learn about self-examination.

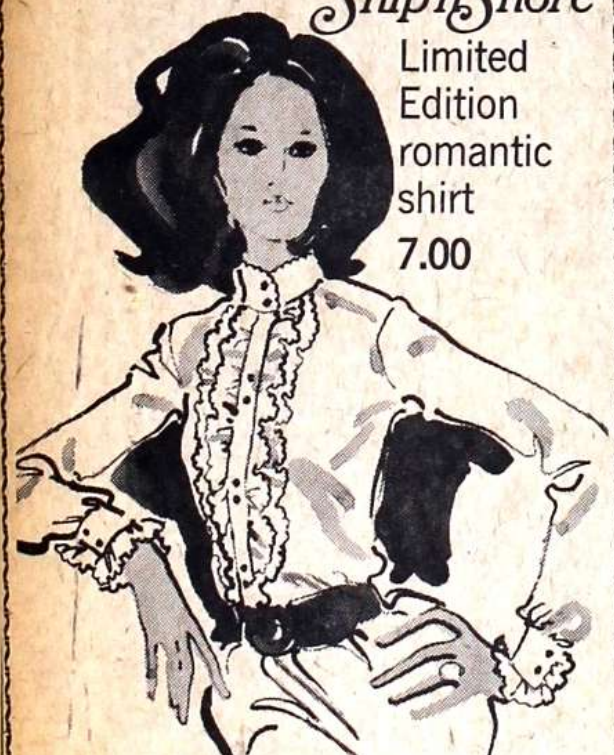

DURING THE business session conducted by president, Betty Schwehr, the main topic was the pending card party - the club's annual benefit affair. Final arrangements were made for the October 2 event which will be held at the Belleville Junior High School at 7:30 p.m.

Sharlene Tator was elected to fill the vacancy of treasurer and Avis White was named parliamentarian for the group.

Co-hostesses Shirley Hennells and Lee Smith served dessert.

MR. AND MRS. JOSEPH SCOTT

### Newlyweds Visiting Here From California

Joseph Scott, a former Romulus resident and a graduate of the Wayne High School, and Mrs. Mildred P.

Mayer were united in marriage September 11, at the Chapel of Roses, in Riverside, California.

The bride was a teacher for 40 years in the San Bernardino, California Schools and retired in June of this year. Joseph Scott, also a retired teacher in the San Bernardino Schools, played football, baseball and basketball for old Wayne High School in 1918, 1919 and 1920.

The newlyweds are now spending several weeks visiting with friends in this vicinity, also with relatives, the Frank Scotts, of Wayne; the Benjamin and Charles Scotts, of Romulus; and the Walter Scotts and Joseph Baders (former Mary Scott), of New Boston.

They will be at home at 3285 F. street, San Bernardino, after November 1.

## All Around The Town...

... WITH LEE

SAYS 'SO LONG'

MRS. F. Y. OWENS returned last week to her home in West Point, Mississippi. Her jet flight out of Detroit Metro carried her Southward following a four weeks visit in Michigan (her first) with her daughter and son-in-law, Gwen and A. R. (Lieb) Liebler, and their son, Ray, of Ormond drive.

During her stay she and her daughter enjoyed a tour of the University of Michigan's North Campus, courtesy of Barb Partridge, of Belleville, who is employed there. Also invited along for the day, which included lunch at "The Commons" and visits to the Phoenix Memorial Lab, the Music Building and various other spots, were Marge Roberts and Lee Smith.

A few days later Mrs. Owens was the guest of honor at a luncheon hosted by Lee Smith, of Edison Lake road, and attended by Mrs. Roberts, Mrs. Liebler, and Mrs. Marshall Hope.

### BIRTHDAY TIME

MRS. HENRY Polzin, of Henry street, and Mrs. Robert Hoeft, of Wabash street, were co-hostesses recently at a birthday party honoring their mother, Mrs. Russell Van Buhler.

Invited to the Bud Hoeft's home were the honoree's nine married sons and daughters and their spouses as well as her sister and brother-in-law, Mr. and Mrs. E. Bushroe, of Wyandotte, and also Mr. and Mrs. Lee Hoeft, from Plymouth.

The birthday cake was baked and decorated by a daughter-in-law, Mrs. Russell Van Buhler, Jr., and was enjoyed along with games and bingo.

Mrs. Van Buhler is a member of St. Anthony's Altar Society and the Senior Citizens of Belleville.

### ON CAMPUS

GEORGE WASHINGTON University, in Washington, D. C., has claimed another member of the Rekshan family. This year

Jim is attending as a member of the freshman class, while his brother, Bill, is in his senior year. They are the sons of Dr. and Mrs. W. R. Rekshan, of North Shore drive... ALSO ATTENDING school out-of-state is Debbie Wimberley, daughter of the Joe E. Wimberleys, of North Shore drive, who's enrolled at 'Ole Miss' - the University of Mississippi at Oxford... COLLEGE STUDENTS are

threefold at the MacDonald home on Denton road. Bruce is a senior, majoring in chemistry, at Oakland University; Bonnie, at Eastern Michigan, is in her junior year as an elementary education major; and the freshman of the trio, Beverly, is at Western.

Their mother is Mrs. Donald MacDonald... OUT IN Romulus the Clarence Hoefts, of Romulus avenue, recently saw their son off for his sophomore year at Eastern.

### ROMULUS PERSONALS

## Community Methodist Church Announces Clothing Appeal

BY PEARL MORRIS  
WH 1-1187

The Community Methodist Church is joining in the United Clothing Appeal, which will be in effect from September 30 to October 4 of this year. Clothing should be weighed (approximate weight), packed and labeled before being brought to the church. Boxes cannot be accepted later than September 25.

Summer visitors of Mr. and Mrs. John Herson and four children, of Menominee, were Mr. and Mrs. Fred Geisler, of Farnum street, and Mr. and Mrs. Raymond Huston and Walter of Garden City, formerly of this area. Mrs. Herson is the former Janet Baker, of Romulus.

Mr. and Mrs. Virgil L. Varner moved recently into their new ranch-type home at 15950 Haggerty road. Mrs. Varner is

the former Pearl E. Hay of Romulus. The Varners formerly resided at 14068 Huron drive South, where Mrs.

Campbell - Bokon (continued from page 7)

Mrs. Larry Agee, of Wayne, wearing maize; and Rainelle Shields, of Southgate, the bride's cousin, in aqua.

Identically styled, their frocks were of chiffon over taffeta in the empire mode. They wore matching bow headresses and carried white sweetheart roses and carnations to match their gowns.

GROOMSMEN INCLUDED the best man, Richard Bohms, of Belleville, the bridegroom's cousin; John Bokon, of Belleville, the bride's brother; Lonnie Landers, of Westland; and Bill Davie, of Ypsilanti, the bride's cousin.

The P.N.A. Hall was the setting for the reception which followed at seven in the evening. Some 300 friends and relatives were greeted by Mrs. Bokon in a coral ensemble of lace organza with matching accessories. Mrs. Campbell donned an aqua shantung outfit and harmonizing accessories. Both mothers added corsages of pink roses and carnations to their frocks.

The new Mrs. Campbell attended Cleary College and is presently employed at Eastern Michigan University. Her husband is attending Washtenaw Community College while employed at Fisher Body, Willow Run.

Myrtle McEwen and son, Tim, now live.

Several young men in the community are working diligently with local youngsters in the Little League Football Program. These men are giving much of their free time in working with the youngsters (football for the boys; cheerleading for the girls). The rest of us can help by supporting their Candy Sale.

Funeral services for a long-time Romulus resident, Peter Edwardson, were held September 18 from the Baum Funeral Home in Romulus, with the Rev. Edward Rainer of the Assembly of God Church in Wayne officiating. Burial was in Michigan Memorial Park near Flat Rock. Because of ill health, Mr. Edwardson and his wife moved from Romulus to 2215 Lazy Brook, Houston, Texas, a few

(continued on page 10)

### BELLEVILLE BREVITIES

## McMullans Congregate - First Meeting In 30 Years For Some

By Mrs. Joseph Spring  
OX 9-4021

On Sunday, Sept. 15, Mr. and Mrs. Henry McMullan, of Denton road, and Mr. and Mrs. Orin McMullan, of North Shore drive, attended a gathering of the McMullan family at the home of Mrs. Marian Matteson, of Detroit. Cousins were present from Chicago, Buffalo, Detroit, Wayne, South Lyon, Belleville, and Kingsley. It was the first time some had met in over 30 years.

Wednesday afternoon callers on Mr. and Mrs. D.H. Raymond, Sr. were friends, Mr. and Mrs. George Lindsay, of Ann Arbor, Mrs. George Robbe and Mrs. Dispenza of Salt Lake City, Utah.

Mrs. Frank Cebolski, of Robbe road, is a patient at Seaway Hospital, Trenton, for observation and treatment.

Mrs. Leon Boldt and Mrs. Joseph Spring were Monday evening callers on Mr. and Mrs. William Monroe and Mr. and Mrs. Herbert Spring of Plymouth.

Mrs. Orlo Roberts has been a patient at University of Michigan Medical Center this past week.

Mr. and Mrs. Harold Clayton, of Bedell street, spent last

weekend camping at Bishop Lake. Their daughter, Mrs. Arthur Tucholski of Edison street, and granddaughter, little Janet Tucholski, accompanied them.

Mrs. Phebe Biery, of Northville, is spending some time with Mr. and Mrs. Leon Boldt and other friends in this community.

Mr. and Mrs. Clayton Saunders were Saturday evening callers on the latter's aunt, Mrs. Bernice Knop, of Wayne.

Mrs. Victor Hopeman and Mrs. Olga Yankee, of Dearborn, were Tuesday afternoon callers on Miss Evelyn Gibbins and other friends.

Mrs. D. W. Ross, of Liberty street, returned home Sunday afternoon after an extended visit with relatives in Texas. After attending a wedding in Fort Worth she journeyed on to visit nieces and nephews, and a sister-in-law at Houston, Galveston, and Freeport.

## Senior Club To Hear of Price's Trip

BELLEVILLE - The Belleville Area Senior Citizens Club will hold a Pot Luck Supper at the Edgemont Elementary School tomorrow, Thursday, Sept. 26, at 6 p.m. Members are asked to bring their own silverware and dishes.

The speaker for the evening will be Charles Price, 12-year-old victim of Muscular Dystrophy, who will tell of his trip and experiences at famed Disneyland.

He is the son of Mr. and Mrs. Cletus Price of 130 South Edgemont. Price's trip to Disneyland, California, was financed through funds obtained by a community-wide solicitation drive.

# Volunteer Probation Department Holds First Meet

The first meeting of the volunteers for the Volunteer Probation Department was held in the City-County Building in the city of Detroit Sept. 10.

Present were Judges from the out-county municipalities including Judge Ernest Ryback of Van Buren Township, Wayne Circuit Court Judges Horace W. Gilmore and Judge Blair Moody, Jr., were the moderators for the program.

Judge Gilmore told the volunteers present that fighting crime means community involvement and the Volunteer Probation Program is the first step towards reducing crime in the community.

He further stated that the Judge of the District was the prime mover in establishing the department and responsible for its functions and effectiveness. He told the audience that the Royal Oak Court under Judge Leethouse started very modestly with only six volunteers, and at present has 175 volunteers working in the program.

THE PROGRAM in Royal Oak has been successful in reducing the crime in the area, and in saving the taxpayer \$277,000 each year.

The program has the full support of the community as was indicated by the presence of the newspapers, service clubs, chamber of commerce and religious leaders.

The guest speaker was Ann Nowlan who participated in the establishment of the Denver, Colorado project. She stated that the project is very effective in reducing crime, and reduces the cost of good law enforcement.

She advised the volunteers that they would receive all the help necessary from the Wayne County Probation Department, in order to make their efforts more effective.

SHE FURTHER stated that the Denver project includes misdemeanors from the age of sixteen to forty years but primarily the program has been found most effective in dealing with youths in the late teens and early twenties.

A diagnostic department was set up to advise the Judge as to which individuals the program could be effectively applied to.

Louis Loeffert of the Royal Oak Court who prepares all pre-sentence reports stated that all youth under twenty years of age and living with their parents are required to appear before the Probation Department in company of their parents.

A thorough study is made of each case, and a determination is made if the subject would benefit from the Probation Program. That recommendation is then forwarded to the Judge for his determination.

MISS NOWLAN stated that the prime requisite of a volunteer is his ability to identify with the misdemeanor, and not his economic, or social standing or his type of employment.

Mostly people in the forty to fifty age group participate, but many younger and older people are required in cases where their age can make them more effective. The program in Denver is applied to traffic violators, alcoholics, petty thieves, prostitutes, delinquent fathers and to all phases relating of petty crimes. Miss Nowlan further stated that the relationship between the volunteers and the misdemeanor is an important factor as professional training, and if the rapport can be established, the volunteer can seek advice and help from the professional Probation Worker. John Amberger of the Wayne County Probation Department said that use of the volunteers would reduce the present load of 145 probationers to one worker substantially, and would permit the professional worker to give more of his time to the hardened criminals and different cases, thus making him more effective.

PRESENT AT the meeting as leaders of the program were Mrs. Crystal Harris, representing Sumpter Township, Pat Stokes, representing Van Buren Township and Judge Ernest Ryback of Van Buren Township, who is establishing this program in his court.

Amberger stated that the training classes for the volunteers will be started shortly and persons interested should contact their area representatives.

For Van Buren please contact Stokes at OX 7-7747; for Sumpter contact Mrs. Crystal Harris at 461-6830; and for Romulus Township Mrs. Kersey at 729-2850.

Citizens in other areas who are interested in the program may contact Judge Ryback at 697-8981.

## SEEK LAKE CLEANUP

## Huron River Anti-Pollution Group Attends State Meeting

BELLEVILLE — Representatives of the Huron River Anti-Pollution Committee, including its Chairman, Ray Sullivan, attended the Michigan Conference on Water and Air Pollution held on Sept. 12.

The conference covered standards for municipalities and industry regarding perils of water and air. Many representatives of large and small industries were also in attendance.

The Huron River Anti-Pollution Committee by unanimous vote approved the support of the State Bonding Proposal 3 and 4 which will be on the Nov. 5 ballot. They urge the full support of the proposal by the voters in November.

Don Carlson, Merle Bird, Ray Sullivan and Glenn Brown of the Wayne County Department of Health toured the purification facilities of the General Motors Fisher Body Plant in Ypsilanti, on Thursday. They were accompanied by representatives of Ypsilanti Township.

STATE REPRESENTATIVE Edward E. Mahalak advised the committee that he will attempt to set up a meeting between the committees and members of the Michigan Water Resources Commission in the near future.

A letter received from the Michigan Resources Commission stated that the Commission could not understand why the quality of the water in the Huron River was not improving.

Ann Arbor and Ypsilanti are still opposed to the designation of "Total Body Contact" for the water of the Huron River, although the city and township of Ypsilanti are planning a recreational area on Ford Lake.

The Anti-Pollution Committee was advised by representatives of Ypsilanti Township that the Township's capacity of treatment of sewage is two million gallons of effluent per day, but presently they are forced to handle approximately eight million gallons of effluent per day.

The condition of the water is deteriorating daily and from all forecasts the water will not be fit for total body contact for at least one year.

The Committee is requesting that all petitions outstanding at the present time be submitted to Ted Hooten, petition chairman, at 146 High Street, Belleville, as soon as possible.

The UAW - CIO labor movement has substantially met its commitment by submitting thousands of signatures.

Local 735, whose headquarters are located on Ecorse Road, through the efforts of its president, Elbert Mitchum and the executive board, submitted over 4,000 signatures in the past few days.

## Romulus Carrier Is Cited

ROMULUS — Romulus Postmaster, George W. Austin, reports that Freda G. Miller, swing carrier for city routes 1, 2, 3, 4 and 5, has been given a "Quality Step Increase" for meritorious service.

Mrs. Miller, who resides with her family at 29974 Prescott, has been an employee of the Romulus Post Office since June, 1965.

She began her Post Office career as a substitute city carrier and, at the present, relieves the carriers on the above mentioned routes, on their day off.

Postmaster Austin maintains Mrs. Miller is one of the best carriers in his organization, and that the above mentioned award is given only to those employees who perform over and above that which might be normally required.

In serving these five routes, Mrs. Miller has made many friends. Many compliments have been received by the postoffice from patrons who tell of the courteous, tactful, and accurate manner in which she performs her duties.

CARRIER CITED — Mrs. Freda G. Miller, swing carrier at the Romulus Post Office, shown receiving a "Quality Step Increase" for meritorious service from Postmaster George Austin. She has been a postal employee since June, 1965.

## Freeway Section Opened

A 1.3-mile section of Interstate 75 (Fisher Freeway) between the Lodge and Chrysler freeways in Detroit is now opened to local traffic, the Department of State Highways has announced.

The \$7 million section across the northern edge of Detroit's central business district will accommodate local traffic only and will not interchange with either the Lodge or Chrysler until 1971.

The opening will help alleviate traffic congestion along Vernor Avenue, the Department said. Traffic will enter and exit at Vernor Avenue.

## Bell Telephone Airs 1968 Expansion Plans

An outlay of \$187 million, the third consecutive construction budget in this range, will be made by Michigan Bell Telephone Company to expand and improve its facilities in 1968. William M. Day, Michigan Bell president, said the 1968 program will raise the company's investment in new plant since 1965 over the half-billion dollar mark. Expressing confidence in the future, he said he sees no deceleration in the state's economic pace.

"We expect to add some 205,000 telephones and handle close to five billion calls in 1968. Both figures represent new highs," Day said.

grades of service. "A large percentage of subscribers who traditionally order two-party service moved up to private line service. This shrank central office margins as fast as they could be built up."

In 1958, Michigan Bell will start construction of 13 new telephone buildings, five more than the previous year, along with 26 building additions.

The conversion of its Harbor Springs exchange from a manual to 7-digit dial system in April of this year will bring the com-

pany near to 100 per cent dial operation. The only two remaining manual offices, Newberry and St. Ignace, are now on engineering schedules for converting to dial systems.

\*\*\*

THE MARQUETTE exchange and seven of its tributaries will be tied into the Direct Distance Dialing network this year. With these additions, virtually all of the company's customers will be able to dial their own long distance calls.

### ROMULUS PERSONALS

(continued from page 8)

months ago, to be near their only son, Otto, and family of Houston. Survivors include his wife, Jennie; son, Otto, and one grandchild.

\*\*\*

Mr. and Mrs. Eugene Madej and son, Tommy, of Cogswell road, spent two weeks recently at their farm at DeTour in the Upper Peninsula. They were

accompanied by Mr. and Mrs. Bill Kolo and baby son, Billy, Jr., also of Romulus. The two families enjoyed some fine fishing while there.

\*\*\*

Mrs. A. T. Mulberry fell while visiting relatives in Lexington, Kentucky, recently while enroute home to Florida from a summer's visit in Michigan. She suffered a broken hip and is now back in Romulus being cared for by her daughter, Mrs. Gary Moore, on Wick road. Mr. Mulberry continued on to their home in Sarasota, but plans to return to Romulus in the near future. The A. T. Mulberry family resided on Huron River drive South before moving to Florida.

\*\*\*

Funeral services were held Tuesday in Jerome, Michigan for Mrs. Martha Moreland of that city. Mrs. Moreland passed away Sunday at the age of 98. Among local relatives attending the services were Mr. and Mrs. J. B. Baker of Wayne (nephew); Pauline Graber of Hollywood street (niece) and Mrs. Clarence Baker of Bibbins street. The deceased was an aunt of the late Clarence Baker.

\*\*\*

The first meeting of Brownie Troop No. 333 was held after school Tuesday at the Cory School. There are three troops at Cory this year, two Junior troops and one Brownie.

\*\*\*

Tim Hoeft, son of the Clarence Hoefts, of Romulus avenue, is a sophomore this fall at Eastern Michigan University, Ypsilanti. He recently spent five months in training with the U. S. National Guard at Sheppard Air Force Base in Wichita Falls, Texas.

\*\*\*

Mr. and Mrs. Larry Hay and 21-month-old son, Rodney, moved recently into their new home at 34445 Wick road. The Hays formerly resided in a mobile home in Trenton.

AWARD OF APPRECIATION — Automobile Club of Michigan received thanks from nearly five million Michigan motorists through Gov. George Romney for the role its "Bring 'Em Back Alive!" positive traffic safety program played in last year's 7.5 percent reduction in fatal accidents. Romney (left) is shown presenting an award of appreciation to Auto Club Executive Vice President Richard R. Dann in Cobo Hall at the Detroit Economic Club luncheon.

## Kelley Details Operation of New District Court System

By FRANK J. KELLY  
Michigan's  
Attorney General

Michigan's new district court system, which replaces certain lower courts abolished by the present State Constitution, comes into existence on Jan. 1.

The system divides the state into judicial districts based on population and existing political boundaries. There will be three types of districts composed of: 1) one or more counties; 2) small cities, townships and villages within a county; and 3) large cities.

The district courts will hear lesser criminal offenses — misdemeanors — and civil actions involving alleged damages of \$3,000 or less.

They will also have the power to arraign persons charged with felonies — more serious crimes — but may not try felony offenses.

\*\*\*

THE JURY in a district court will consist of six persons rather than the traditional twelve found in a circuit court. This affords easier impaneling and saves jury fees.

Criminal convictions will require a unanimous vote; in a civil case, five of the six jurors will constitute a majority.

Perhaps the most unique aspect of the new system is the small claims division of each district court. This division hears only civil cases started to recover money when the

amount claimed does not exceed \$300.

A lawyer cannot represent anyone in this court — even if he is an employee of a corporation being sued there — nor can he prepare and file papers on behalf of a client. No juries are utilized in this court. The district court judge also sits as the small claims court judge.

Right to counsel, right to trial by jury, and right of appeal — rights which can be constitutionally waived by persons who understand the effect of the waiver — must specifically be waived before a matter can be heard in the small claims court.

The purpose of the waiver is to insure quick disposal of claims without time-consuming technical delays.

EACH DISTRICT will also have at least one magistrate — a type of lesser judge empowered to hear minor traffic offenses, to arraign persons accused of crime, and to issue arrest warrants upon the written authorization of a city attorney or county prosecutor.

A district control unit will administer each of the new court districts. These control units will be the county governments of districts which are either county-wide or composed of small towns within a county, and will be city governments in single-city districts.

The legislature has provided

that certain cities which now have a municipal court may exempt themselves from the operation of the district court system.

Not all 116 cities in Michigan presently having municipal courts were afforded the opportunity to retain them; in 49 of these cities, the municipal courts were automatically abolished because their size was insufficient to constitute a district.

Judges of the district courts — who will be elected in the general election in November — will all be lawyers and must live and be registered to vote in the district in which they serve.

The state will provide a basic salary of \$18,000 a year which can be supplemented by the district control unit up to \$27,500 a year.

### Elect New President

EAST LANSING — Frank Heselton of Sault Ste. Marie, Michigan was elected President of the Michigan Association of School Boards for one year.

Other members of the executive committee chosen were Dr. W. Edward Dewey, Battle Creek, Vice President; and Dick C. Tanis, Allandale; Leonard Brandt, Hillman; Leslie Richards, Negaunee; Mrs. Joanne Harvey, Cadillac and Richard Ruhala, Flint.

## The new 5% passbook

# it keeps your money handy.

For the first time, you can get short-term flexibility in passbook form, *plus* the long-term advantages of guaranteed high-return on your money all in the same package.

#### Passbook flexibility

You can make deposits at any time, in any amount of \$50 or more. You can withdraw quarterly, without notice, any amount that has been on deposit 90 days or more. And you always have a handy passbook record of your savings.

#### Highest earnings

Bank of the Commonwealth guarantees to compound 5% interest continuously to give you the highest possible earnings on bank savings programs in Detroit.

#### Four-year guarantee means over 5½% for you

Bank of the Commonwealth guarantees 5% for a full 48 months which will earn you more than 5½% return.

#### Choice of three Interest Payment Plans

You may elect to have your earned interest credited to your account, and continue to earn even more. Or, we will credit the interest to another Commonwealth account. Some may want to receive an interest check each quarter.

#### Money readily available

During the first ten days of any quarter, you can withdraw without notice any amount of your savings that have been on deposit 90 days or more. Or if you need money between quarters, you can get it with just 90 days' written notice.

And you can withdraw your most recently credited interest at any time.

#### Low initial deposit

All it takes is a \$500 deposit to start your Golden Passbook account.

You can add as little as \$50 to your Golden Passbook account at any time.

And to make adding even easier, you can start a systematic savings plan. We can transfer \$50 or more every month from your checking account—automatically.

#### Free checking, too

Once you're enrolled in Golden Passbook, you qualify for a free checking account. Check Free and Earn.

That means you can write all the checks you want, make deposits and get a detailed monthly statement, all free.

#### There's more

Your Golden Passbook is what we call "assignable." That means you can always use it as collateral for a loan at any Commonwealth office.

And, of course, Bank of the Commonwealth issues you an annual statement for tax purposes.

To open your Golden Passbook account, just bring your passbook or other funds from any financial institution into your nearest branch office. We'll make the necessary transfers in minutes.

## NOTICE Last Day To Register FOR GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the City of Belleville, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned City Clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said City not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the fifth Friday prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the City Clerk's Office, 6 Main Street, Belleville on

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

### FRIDAY, OCTOBER 4, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTER-ING SUCH of the qualified electors in said CITY as SHALL PRO-PERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the City at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

IRWIN W. STECH, Clerk  
City of Belleville

**EARTH TURNS FOR PROGRESS** — Left, with shovel, Richard Trolley, mayor of Taylor, and right, with shovel, Joseph L. Hudson, Jr., president of the J. L. Hudson Company, break ground for the new Southland Shopping Center.

## Southland Center Ground is Broken

The Southland Center, a multi-million dollar enclosed mall on a 56-acre tract four miles west of Wyandotte on Eureka road near Telegraph is officially underway.

Participating in the ground breaking ceremonies Sept. 11, were:

Joseph L. Hudson, Jr., president of the J. L. Hudson Company; Horace Carpenter, Jr., president of Shopping Centers, Inc.; Richard W. Frey, vice president and general manager of Shopping Centers, Inc.; Carl Van Leuvan, partner in Victor Gruen Associates, Los Angeles, designers of the center; Louis G. Redstone, president of Louis G. Redstone Associates, Detroit, associate architects; and Richard Trolley, mayor of Taylor.

The center will include a full-line, 300,000-square foot J. L. Hudson department store, together with 50 shops and service centers.

THE CENTER will provide parking for 4,000 cars.

Expected to open in August, 1970, Southland Center will be the fourth shopping complex developed by Shopping Centers, Inc., which also owns Northland, Eastland and Westland.

A fifth center is also being developed by S.C.I. in Flint, Genesee Valley Center, another multi-million dollar enclosed mall, will include a full-line J. L. Hudson department store as well as a Sears Roebuck and Co. one-stop shopping complex. Genesee Valley Center is also expected to open in the summer of 1970.

## Plants Tree In Memory Of Member

ROMULUS — The Dad's of Foreign Service Veterans Post No. 209, at a meeting on Sept. 22 at the V.F.W. Post No. 9568, Romulus, set a tree in memory of Charles Schmeltz first Junior Vice-President of Post 209.

Conrad Schmeltz was well known in Belleville Moose circles having been a club manager for many years. He was also a past governor.

This project of the DAD's will continue and a tree will be set in memory of an officer who is serving his post at the time of his passing. This will apply to an officer of V.F.W. Post 9568, the sponsor of DAD's Post 209.

A copy of the plate to be placed on the tree was presented to Mrs. Schmeltz by Post President Roy Bodenmiller.

Several officers and members of other Posts were present as well as top ranking officers of V.F.W. Post 9568.

## Accident Injures 3 in Family

BELLEVILLE — Three members of one family were seriously injured in an accident on Willis Road near Martinsville Road Sunday night.

Taken to the Wayne County General were Tony Hall, 24, Maria Hall, 21, and Sonja Hall, 3, all of 20001 Fenster Road.

Wayne County Sheriff's Road Patrol reported that Hall was allegedly drag racing with another car when his car going east on Willis Road drove through a stop sign at Martinsville Road, then hit the gravel portion of the road and then turned over into a ditch.

The other car apparently continued on, it was unidentified in the police report.

## Committee Seeks Funds For Drive

ROMULUS — The "REACT-KEEP ROMULUS INTACT" Committee is seeking contributions to pay for the bumper stickers, posters, fact sheets and other materials that will be distributed to the citizens of Romulus for the committee's city incorporation vote campaign.

All contributions will be appreciated be they large or small, and a list of the contributors will be published, or withheld upon request. Your contributions may be sent to:

"REACT-KEEP ROMULUS INTACT" FUND DRIVE c/o Mrs. Mickie Lopota, Secretary-Treasurer, 6711 Merriman Road, Inkster, Michigan.

**All-Climate Power**  
Vented rechargeable nickel-cadmium batteries can be charged and operated effectively at temperatures ranging from 65° F below zero to those near the boiling point of water.

## State Special License Plates are 'Bargains'

Looking for a bargain in Michigan license plates? The question is largely academic, because it's hard to qualify, says Secretary of State James M. Hare.

But if you are a member of the consular corps, which centers in Detroit, you will get your license plates without cost... a courtesy extended to foreign governments.

"If you are the owner of a historical vehicle, you pay only \$6 (plus \$1 uninsured motorist fee) for a permanent plate," Hare notes. "Most of the special plates, however, go to units of government. These are charged only a nominal registration fee of 50 cents."

EACH YEAR the Special License Section of the Michigan Department of State issues more than 100,000 sets of plates in eight categories, Hare said.

For the 1967 licensing year, these plates totaled about 101,000. For 1968 plates, the total will be about 6,000 more.

Nearly half of the special plates issued each year go to automobile dealers. This year dealer plates will total an estimated 52,000, an increase from about 48,000 this year.

To qualify, franchised new-car dealers and all vehicle dealers, except junk dealers, must post a \$10,000 bond with the Secretary of State to protect those with whom they do business against monetary loss through fraud, cheating, or misrepresentation as determined by court action.

HARE SAID dealers also must pay a \$10 fee for a license to do business. This license is also issued by the Department of State.

"Dealers in junk automobiles from which they sell parts pay the same fee. But they are entitled to no special plates."

New-car and used-car dealers are entitled to a minimum of two plates, which cost \$30. The third plate costs \$15 and each additional plate \$5 (\$8 starting with 1969 registrations).

With dealer plates, registration is not required because they are assigned to no particular car. Dealer-licensed cars do not include demonstrators, which must be registered and licensed in the usual way.

Manufacturers, transporters, in-transit repair, and repossessed vehicles are issued special licenses under a similar schedule of payment.

Hare said the biggest group entitled to special licenses under state law is made up of municipal fleets of Michigan cities. Fewer than 9,000 such vehicles will be issued plates in the current licensing year... and only to replace worn out plates or for new vehicles. The total in operation, however, is more than 60,000.

"THEY CARRY permanent plates, set apart by an 'X' design. They differ from other plates since they still carry 1966 colors... beige and navy blue," he said.

Under a 1939 amendment to the corporation laws, owners of resorts may incorporate as a "body politic." Thus they are entitled to municipal plates at the 50-cent rate for police and service vehicles.

According to Hare, there's still another group of motorists who qualify for special plates. Ham radio operators get plates bearing their call letters for a \$2 extra charge.

But there's even a cloak-and-dagger class. You couldn't even check up on their license plates even if you knew the numbers. They belong to FBI, even CIA agents, and a big contingent of state police and other police operatives on special missions, including those who haul down traffic violators in unmarked cars.

IF SUCH cars are government-owned, the registration fee is only 50 cents. If they are individually-owned by the agents, they pay the usual registration fees. But their plates are just like yours.

The Special Licenses Section also handles parking permits for the disabled. There's no charge for these either.

The section, however, gets so many requests for special licenses that it replies by letter. This says the Michigan Motor Vehicle Code provides the 50-cent registration only for vehicles owned by government units and for buses, station wagons, and other such vehicles operated by parochial schools or societies, church schools "or any other grammar school."

IT ALSO notes that lower-cost truck licenses are available only to bona fide ecclesiastical or charitable corporations or the Red Cross, Boy Scout, Girl Scout, and other such organizations.

"Therefore," the letter says with regret, "it does not appear that the vehicles owned by your organization are eligible for these (low-cost) plates."

And, of course, that applies to most individuals, too.

## Was It Sudden?

Following too closely is a dangerous practice.

## Sumpter's Vendors Getting Paid

BELLEVILLE — Bills due vendors and some personnel by the former Sumpter School District are now being paid off by the state treasury's office, James Egan, business manager for Van Buren Schools, disclosed. Approximately \$17,000 in bills of this nature are outstanding.

The State treasurer, it was reported, have paid some 50 vendors and other bills submitted by some personnel. Monies used in paying the bills came from collections of delinquent taxes due the school district.

Those persons who have bills outstanding against the school district are to contact the state treasury's office.

## Course in Leadership Announced

DETROIT — Adults are invited to attend any of the 20 opening classes of the Gabriel Richard Institute Leadership Course which are being held during the week of Sept. 30 - Oct. 4.

This 9-Session Course, with over 12,000 graduates, focuses on the leadership skills, techniques and attitudes needed to build a strong, dynamic and persuasive personality.

In announcing the Fall Classes, Rev. Thomas J. Bresnahan, Director, said, "We try to get people to come out of their shells - to develop more potential. Man has the greatest capacity in the world - his brain. But the average person develops only a small portion of his abilities. We try to raise this average. Participants gain self-confidence and poise. They learn to express themselves more effectively, become more creative, gain a new outlook on life and become more influential wherever they live and work."

The Course, sponsored by the Archdiocese of Detroit, is open to men and women of all faiths at a modest, non-profit fee. Classes are limited to 25 people. Students may register at the opening session.

Advance registration or information can be obtained by calling WO 5-5890, Gabriel Richard Institute, 2315 Orleans, Detroit.

## BY CITY COUNCIL

## Citizens District Council Members are Appointed

BELLEVILLE — The appointment of 15 Belleville residents to the newly created Citizens District Council were approved by Belleville City Council.

The Citizens District Council selections were recommended by Mayor Royce E. Smith. They are:

James Egan, 500 North Liberty Street; Thomas G. Hamlin, 533 High Street; Theodore F. Kuckelman, 46 North Liberty Street; Robert Mason, 110 Henry Street; Charles Baisch, manager of local auto parts store; Dr. Clyde W. Jones, 481 Main Street; Chester Baker, 261 North Liberty Street.

Dr. John H. Tator, 258 Main Street; Howard Kirk, 351 High Street; Robert C. Devine, 233 North Liberty Street; Kasmar Michniewicz, 430 West Columbia Street; Donald Blum, 355 Brain Street; Allen Berlin, 238 Second Street;

David Shackelford of 135 High Street, Apt. 1; Lillian Carr, 135 High Street, Apt. 2.

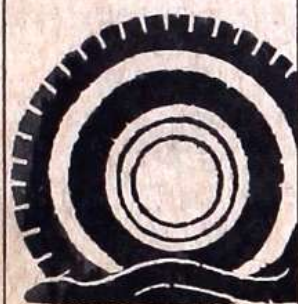

CREATION OF the Citizens District Council for designated Districts embracing Urban Renewal programs is now required under a recent state law.

The term of office for the 15-member council is two years. Members appointed to the council must be citizens living in a development area designated within the district, Mayor Smith announced.

The District designated in Belleville lies on both sides of Liberty Street between Belleville Road and Huron River Drive; and northwesterly of that portion of Huron River Drive south of Liberty Street and that portion lying west of Sumpter (South Street) extended northerly to a point where it intersects Huron River Drive.

Belleville's initial Urban Renewal project involves land less than two acres in size and basically bounded on the north by Main Street, on the east by Roys Street, on the south by an east-west line approximately 200 feet south of Main Street and on the west by High Street.

Recently planning and survey funds were allocated and approved by federal officials for the proposed UR Project.

## Outdoor Group Holds First Picnic

By Ed Shumbura  
BELLEVILLE — The Huron Valley Conservation Association held its first annual corn roast on Sunday, Sept. 15. It proved to be a big success.

With 1,000 people in attendance, 2,000 ears of corn, 600 hot dogs, 33 cases of pop and other beverages were consumed.

Outdoor dart throwing and horse-shoe contests were held for the adults and a sawdust penny search was for the children.

THE GRAND PRIZE drawing for the Remington

Wingmaster Pump 16 Gauge Model 870 Shotgun, was won by the lucky ticket No. 735 which was held by Bill Fensch of Belleville.

The Association gave special thanks to Picnic Chairman Jack Begin and his loyal assistant's for a "job well done."

The Huron Valley Conservation Association Membership meetings are held on the second Monday of each month at Rogalle's Lounge meeting room at 7:30 p.m.

Anyone having inquiries may contact the Huron Valley Conservation Association, Box 273, Belleville, Michigan 48111.

## A Corn Roast Outing

ALL SET TO GO — Members of the Huron Valley Conservation Association stand ready to serve at the Association's first annual Corn Roast held Sunday, Sept. 15. In addition to the Corn Roast, other picnic edibles were available.

WATCHING DART THROWING CONTEST are some of the "excited" youngsters that participated in the various games. Above they are busy watching the adults throwing darts, an event that drew many entries.

THE HUNGRY LINE-UP — A part of the approximately 1,000 persons that attended the Huron Valley Conservation Association's picnic are shown lining-up for the delicious corn, hot dogs, beans and trimmings. Some 2,000 ears of corn was consumed.

LOOKING FOR PENNIES IN SAWDUST — is not an easy task but the children of the members and guests that attended the picnic didn't mind. All seemed to have a lot of profitable fun. Officials of the Association termed their first outdoor picnic a "big success."

## NBD Buys Bank Stock

DETROIT — The National Bank of Detroit has announced that it has purchased through International Bank of Detroit, its wholly-owned subsidiary, newly issued stock of Guaranty Trust Company of Canada

representing 10 per cent of the outstanding stock.

Guaranty Trust, with home office at 366 Bay Street, Toronto, Ontario, and incorporated in 1925 under the laws of the Dominion of Canada, has 44 offices in 30 principal cities and six provinces throughout Canada. It is the third largest trust company in that country.

Although it is not a chartered bank, Guaranty Trust Company does a financial intermediary business, including the acceptance of savings and short-term deposits and the issuance of guaranteed investment certificates which aggregate more than \$450,000,000.

Further, the company offers a broad spectrum of purely fiduciary services. The stock of the company is listed on the Toronto, Montreal and Vancouver exchanges.

Ellis B. Merry, Chairman of the Bank's Executive Committee, said further that, "this investment enables us to participate, to a modest degree, in the future growth of Canada."

In classical mythology, the pilot of Aeneas's ship, Palinurus, fell asleep at the helm, fell overboard and was drowned.

## Ex-Cell-O Elects Williams

The election of Robert C. Williams to the newly created position of Vice President-Corporate Staff Services has been announced by H. G. Bixby, president of Ex-Cell-O Corporation.

Williams' responsibilities will include all corporate staff functions other than accounting and finance.

A native of Ohio, Williams joined the personnel department of Ex-Cell-O Corporation in 1953. He became Assistant to the President in 1958, and has held several corporate staff assignments leading up to his most recent position as Director of Corporate Services and Planning.

He holds a Bachelor of Science degree from Bowling Green State University and attended the University of Michigan Graduate School Executive Development program. He is married, has two sons, and lives at 15678 Woodside Drive, Livonia.

## Precious Catalyst

One of the most important applications for the precious metal platinum is as a catalyst in production of miracle drugs, high-octane gasoline and hundreds of chemicals. In such use, platinum promotes a chemical reaction and then emerges, unchanged, ready to be used again.

# THE '69 FORDS ARE HERE TODAY!

1969 Torino GT SportsRoof

1969 LTD by Ford, 2-Door Hardtop

**1969 Mustang.**  
All new, all over! 5 great models. More engines than ever.

They're like no Mustangs you've ever seen before! Longer. Wider. Roomier, front and back. And far, far sportier. Take the new Mustang Mach 1. Or luxurious Grandé. Choose hardtop, sports-roof or convertible. Then dip into a long list of options and design your Mustang.

**1969 Torino.**  
The winner's back for more... with two hot new Cobras to boot!

Torino for '69 comes on just as hot as or as luxurious as you please. Engines range all the way up to a 428-cu. in. Cobra Jet Ram-Air V-8. For Torino spirit with extra savings added, choose from eight new '69 Fairlanes. See all 52 of the new '69 Fords today.

**1969 Ford.**  
Longer. Wider. Quieter. And alone in its class.

For 1969, Ford tracks as wide as Cadillac. Smooths your ride with a longer wheelbase than Chevrolet. Has more front headroom and legroom than a Chrysler Imperial. The '69 Ford LTD is designed to ride even quieter than the LTD that rode quieter than Rolls-Royce.

## NOTICE

### Last Day To Register

#### FOR

### GENERAL ELECTION

#### TO BE HELD ON

### TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the Township of Huron, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned Township Clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the fifth Friday prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the Huron Township Hall, 37290 Huron River Drive, New Boston.

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

**FRIDAY, OCTOBER 4, 1968**

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTER-ING SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

**WILMA J. WILSON, Clerk**  
Township of Huron

The place you've got to go to see what's going on—Your Ford Dealer.

## TIGERS COME HOME FRIDAY

# Columbia Surprises Belleville, 18-12

BELLEVILLE — Win or lose, Belleville's Tigers and coach Jim Richendollar like to keep their fans sitting on the edge of their seats until the final minute.

And that's what Belleville did again this week against Columbia Central - kept their fans on edge until the last two minutes of play before

surrendering to their nonleague rivals, 18-12.

In their opener at Wayne, the Tigers rallied from behind to nip the Zebras in the final minute, 18-13, on a John Yocum touchdown. But there were no last minute heroics for the veteran Tiger signal-caller and his teammates this week. Although Belleville tied the

score in the fourth period - early in the quarter - Columbia came back with a pass play which covered 35-yards then quarterback Kim Rothfuss went over for the decisive score with two minutes left on the clock.

"We were real flat for this one," said coach Richendollar after the game. "There were a

lot of fine individual efforts on that field but we couldn't tie them all together and the result was defeat."

The Belleville coach went on to say that his team would have to recover from its phlegmatic performance if it hopes to stay on the same field as Bentley, the Tigers' next rival.

"We have to rally ourselves Friday and work on timing and execution, two things we did so poorly at Columbia," he said.

Bentley will be at Belleville Friday night at 8 p.m. That game opens up the Suburban Six Conference season for the Tigers and also is Belleville's first home game of the year.

Columbia to use the air route for most of their yardage instead of trying to get through the line.

IF I WERE 'King' for a day, wonder what Romulus coach George Pratt (above, with 'mike') would do? One sure thing is that he and his Eagles need a couple of football victories. The Eagles lost their second last week to Wayne.

## Wayne Routs Romulus, 27-7

ROMULUS — If coach George Pratt could erase "five" just "five" plays from the books in their game against nonleague rival, Wayne Memorial, the 27-7 outcome may have been a little different.

In those five plays, Wayne picked up three touchdowns and their first victory of the season while the Eagles dropped another to give them a 0-2 record on the year.

Bill Eisiminger. Duane Stinson added the extra point to make it 7-0.

The Romulus' defense, held together by brothers John and Gary Stanek, and ends Ken Barker and Lewis Davis went to work and shut out the Zebras until the third period when they gave up a pair of touchdowns.

Wayne picked up TD No. 2

on halfback Bill Hood's nine-yard off-tackle run. The Eagles helped out by fumbling the ball on their own 35-yard line to set up the score. The Zebras received another break from Romulus when Paul Glass blocked a punt in that third quarter and Doug Truskowski scooped it up and raced 30 yards for the touchdown.

Bob Gourlay intercepted a

pass and sprinted 40 yards for the final Wayne tally.

Romulus got on the scoreboard in the final minutes of the fourth period as Paul Steestedt faked a punt on a fourth down, one yard to go situation from their own 45 and passed off to Lewis Davis, split-end, who dashed into the end zone.

Davis, shifted to left half, and lunged over for the extra point.

The host scored on a pass play midway in the second period with Rothfuss tossing to Dennis Dilworth for a 49-yard score. They widened the gap in the third period to 12-0.

Belleville came back to get on the scoreboard on a pass play with Yocum hitting Bruce Bara for a 15-yard TD. A bad snap prevented the Tiger try for the conversion.

The Tigers got to the 15 via a 65 yard drive with Yocum taking his squad to the air most of the way. He connected to Steve Hampton and Norm Harrington to box the yardage.

Belleville continued the attack in the early minutes of the fourth and Ed Gielinski plunged over from the two-yard-line to tie up the score, but the Tigers failed to get the point that would have moved them ahead. Yocum tossed for the extra point and it went incomplete.

Defensively, Bruce Hampton and Doug Ketchum turned in a good day's work at tackle while linebackers Chris Boyd and Rick Mussehl teamed up with Mike Krawulski to force

## Page Thirteen Associated Newspapers SPORTS Wednesday, September 25, 1968

LOOKING FOR PAYDIRT - Romulus' Glen Dugan (44) heads for Wayne's line in an effort to pick up yardage. Trailing behind him his teammate Dave Brown (37) while in front of him is the outstretched arm of a Wayne defensive man. Romulus dropped its second nonleague game of the season, losing to the Zebras 27-7. The Eagles take on Hamtramck Friday in their first Twin-Valley Conference test.

## Tips on Duck Blinds

By TOM ISLEY  
ANP Outdoors Editor

Many sportsmen will be heading up north in the coming weeks to begin the annual task of building duck blinds and in the interests of providing some tips that could save a few extra steps we would like to throw out a little advice learned from hard experience.

In the first place, as most duck hunters know who have engaged in the task of building blinds, more than just a hatchet or hunting knife should be taken along for this project.

Although a person could conceivably get by with hacking down a small stand of timber and hauling it to the

site chosen for the blind, this is a very undesirable method both from the standpoint of the arduous work involved and the obvious destructiveness that is wrought to the property.

Just a few simple items brought from home can make the job much easier and also greatly relieve the surrounding landscape from depredation.

A small roll of chicken wire and a ball of twine are the essential items to begin the task in the most efficient and effective manner. By driving stakes in the ground and stringing the wire to form the three sides of the blind, the job is virtually accomplished except for the cover.

Instead of having to drag

fallen trees and branches to build up a foundation for the blind, all the hunter has to do is resort to his ball of twine and tie a sufficient number of small bushes to the chicken wire to gain the desired cover.

It might be advisable to take along a sledge hammer to drive in the stakes, since most blinds will be located on rocky shore points which offer difficult ground to work with.

A few bales of straw purchased from a farmer in the area can also make the job of obtaining adequate cover a lot easier. What isn't used in helping to cover the blind can also be a welcomed addition to the floor of the shelter. Not just the kneeling hunter will appreciate the straw but also the dog, if there is one, will make good use of it.

Perhaps overlooked in all of this duck blind building advice is the point that many hunters are unused to swinging axes and hauling brush and over-doing a job like this could well play havoc with the old ticker.

The beauty of the chicken wire idea is the cardiac-saving effort and it is a small enough investment to assure a few more years of hunting.

This approach to building a blind is also adaptable for you bow hunters.

### Graduates

Airman First Class Rudy R. Warren, son of Mr. and Mrs. Ivan J. Warren of 8701-84 Belleville Road, has been graduated from a U.S. Air Force technical school at Keesler AFB, Miss.

He was trained as a tele-communications specialist and has been assigned to a unit of the Aerospace Defense Command at Hamilton AFB, Calif.

## Long CC Season For Belleville

Belleville harriers got off to a slow start and if they don't pick up the speed, then coach Marland Howard and his Tigers can look forward to a "long season."

The Tigers trailed Garden City West in the season's opener 16-47 with West runners crossing the finish line first through fourth before Belleville's first harrier made his appearance.

West's Dave Conley, with a 11:03 won the two-mile event with teammates Don Andersen (11:15), Mike Uhelsi and Steve Wilcox following in that order.

Ken Quinley, who was clocked at 11:23 was the first to finish for Belleville. He was the fifth man in the meet.

Runningmate Alan Fant was eighth while Brad Warrick was ninth.

Belleville raced Edsel Ford and John Glenn in a triangular meet last night and enters Suburban Six Conference dual meet competition Thursday as guests of Trenton.

## Belleville's C.A.P. to Reactivate

BELLEVILLE — The Belleville Squadron of the Civil Air Patrol, inactive for a year, will be reactivated, Commander Lorenzo Wells announced.

Any person or persons who are interested in reactivating the squadron are asked to contact Captain Wells at Oxbow 7-8100.

The Civil Air Patrol is an auxiliary of the U.S. Air Force and is trained for search and rescue procedures for downed aircraft.

In addition to this training emergency procedures are taught which would be very valuable in any emergency such as floods, fires, tornados etc.

## International Lake Receives A Chemical Treatment Today

PONTIAC — International lake, will be chemically treated with a fish toxicant today (Sept. 25).

The purpose of this treatment is to remove the existing fish population which consists mainly of small perch and rough fish. Following the treatment, International Lake will be restocked with trout, Stephan C. Swan, District Fish Biologist.

This fish management project is somewhat unique. International Lake is located in the Detroit River, East of Stony Island. It was created from the limestone spoils piled up during the dredging of the Livingston Channel.

In addition, the International Boundary between the United

States and Canada runs through this lake.

The toxicant program was suggested by Wayne County Conservation Officer Charles LeValley of the Michigan Department of Conservation and Conservation Officer Blake Evans of Ontario Department of Lands and Forests. This is one more example of the close cooperation which exists between these two departments.

The toxicant to be used in this fish eradication program simply constricts the capillaries in the gills causing the fish to suffocate.

The chemical, called rotenone, is non-hazardous to humans and other warm blooded animals. Therefore,

the fish killed in International Lake can be safely consumed, and fishermen are welcome to salvage the fish on the treatment date.

## Behymer Appointed By D.I.T.

**CHARLES E. BEHYMER JR.**

BELLEVILLE — Charles E. Behymer, Jr., of Belleville, has been appointed admissions counselor for The Detroit Institute of Technology (DIT), Joseph G. Rossmeyer, director of admissions, announced.

His duties will include community contact with counselors and students of high schools in the metropolitan area and throughout the state advising them of the curricula and advantages of the tri-college institution.

Behymer joins the DIT staff following completion of post-graduate work at the University of Maryland, where he earned a bachelor's degree in June, 1967, and a teacher's certificate this year.

A native of Ohio, Behymer graduated from Rye Neck High School, Mamaroneck, N.Y. He lives at 47103 Water's Edge Lane.

## CAP Opens Member Campaign

The Wayne-Romulus Squadron of the Civil Air Patrol, has announced a campaign which will continue during afternoon hours weekdays on Mondays, Wednesdays and Thursdays for new members.

The Civil Air Patrol will have cadets on duty at the Wayne City Parks and Recreation Department building from 3:30 to 5 p.m. on Mondays, Wednesdays and Thursdays to provide interested persons with information of the Civil Air Patrol.

Teenagers between the ages of 13 and 17 are eligible to join the Civil Air Patrol as cadets. Persons 18 years and older can join as senior members.

## Spray Lawn Weeds Now

For the most effective lawn weed control, apply sprays now, advises William Meggitt, Michigan State University crop scientist.

"If you spray your lawn between now and October 15, before the ground freezes, any weeds that are killed will be replaced by grass which is growing at its best this time of year," explains Meggitt.

"Delaying your spray program until next summer will mean that the dead weeds will be replaced with crabgrass or other annual weeds."

## Safe Autumn Trip? Here's Few Reminders

Fall vacation trips are becoming increasingly popular. Harry Porter, Jr., manager of the National Safety Council's Traffic Department, reported as he reminds motorists that the same common-sense rules apply, whatever the season. Here are his suggestions for a safe, carefree trip this fall, or any time of the year:

- Get enough sleep before starting. Don't drive like a "dope."
- Plan your trip for a reasonable number of hours of driving each day; no more than two hours at a stretch per person.
- Leave an itinerary with someone you can depend on to reach you in case of an emergency.

- Turn off faucets, lights and gas appliances at home. (Connect a timer to turn on lights automatically. It's a good insurance in evening hours). Homeowners should also notify their local police department.
- Stop newspaper and milk deliveries and make arrangements for your mail.

- Have your car checked by a competent mechanic, paying special attention to brakes, tires and lights.

- Replace or refill streaking windshield wiper blades.
- If you have diabetes or other medical problems that could require prompt recognition, carry necessary identification.
- Study a map so that you can anticipate route changes, intersections and interchanges before you get to them.
- Keep pace with traffic.
- Signal for turns and lane changes well in advance.
- Get plenty of sleep and rest before starting out again. Remember, driving can be enjoyable!

WSU's 1967-68 basketball schedule of 22 games was the school's lengthiest since the 1954-55 season.

The two shows will be shown at 9:30 a.m. at the Romulus Church and at 11 a.m. at the New Boston Church. All youngsters are invited.

#### FOR EMPLOYEE OFFSPRING

## Annual Scholarship Award Contest Announced by Ford

Ford Motor Company will award approximately 70 four-year scholarships in its 19th annual competition, Benson Ford, Fund president, has announced.

The scholarships will be awarded to sons and daughters of employees of Ford Motor Company and certain of its affiliates.

"The health and growth of our nation depends on the cultivated minds of our youth," Ford said. "Through this scholarship program, the Ford Fund strives to provide a college education for young men and women who can make the most of the opportunity."

Scholarship winners may select any approved college or university in the continental United States. Awards cover tuition and a major portion of living expenses.

**APPLICANTS MUST** be graduated from high school between Sept. 1, 1968, and August 31, 1969, and be in the upper third of their classes. Completed scholarship applications will be accepted until Dec. 1, 1968.

Winners will be selected by the Ford Fund Scholarship Board after a review of results of each candidate's College Entrance Examination Board

Scholastic Aptitude Test, high school performance, personal qualifications and other indications of potential for success in college and post-college life.

Information about the Fund's 1968 scholarship program will appear in the Sept. 26 issue of the company newspaper, The Ford World, which will be distributed to all company employees in the United States.

SINCE THE Ford Fund program began in 1951, more than 1,220 four-year scholarships have been awarded.

## MYI Appoints New Season's Conductor

**SALINE** — Dr. Lester McCoy, Musical Director of Musical Youth International, has announced the appointment of Russell D. Reed, director of Instrumental Music at Grosse Pointe High School, as MYI band conductor for the 1968-69 season.

Each year MYI selects an outstanding bandsman to train and conduct the current year's concert band.

Reed holds a Bachelor of Music and a Master of Music degree from The University of Michigan.

In 1957 he served as assistant instrumental music director in the Saline Public Schools. From 1958 to 1965 he served as head of the music department in the Buchanan Public Schools. From 1965 to the present time Reed has been employed as director of instrumental music at Grosse Pointe High School, Grosse Pointe.

This fall, 267 winners — including 70 from 1968 — are enrolled in 129 colleges and universities.

The Ford Fund also makes a supplementary annual grant of \$500 to privately endowed educational institutions for each Fund scholarship winner in attendance.

Ford Motor Company Fund is a non-profit corporation operated for charitable, educational and scientific purposes. It is supported primarily by contributions from Ford Motor Company and is not related to The Ford Foundation.

His instrumental music ensembles have twice been invited to perform at the Midwestern Conference in Ann Arbor. He is an active member in the Michigan School Band and Orchestra Association and the American School Band Directors Association.

In 1968, Reed was elected Teacher of the Year by the Michigan School Band and Orchestra Association. He has served for several years as adjudicator at music festivals in Michigan and Indiana, and has been engaged as guest conductor on many occasions.

MYI opens auditions for their 1968-69 season Saturday, Sept. 28, at White Acres, Saline, and continues on Saturdays through Oct. 26. The 1969 tour includes major cities in Japan, southern Canada, and the western United States. Qualified high school juniors and seniors are invited to apply for auditions to Lester McCoy, Musical Director, MYI, White Acres, Saline, Mich.

## Sgt. Hoeft Returns For Leave

**SGT. ROBERT G. HOEFT**

Belleville — Home on leave before reporting for duty in Vietnam is now the present assignment for Sgt. Robert G. Hoeft, 21, son of Mr. and Mrs. Robert W. Hoeft of 133 Wabash Street.

Sgt. Hoeft arrived home from Fort Ord, California. He is a graduate of Belleville High School and entered military service in November, 1966.

## Vote Set

**ROMULUS** — An election of members to a Citizen District Council for the Wayne-Beverly Urban Renewal Area will be held at the Beverly Elementary School, 35408 Beverly Road, George Wilhelmi, Urban Renewal director of Romulus Township, announced.

Any person interested in being a member of the council must submit his name by 5 p.m. Sept. 27 at the Urban Renewal Office, 6446 South Wayne Road for entry on the ballot, Wilhelmi reported.

All residents and/or property owners having a demonstrable and substantial interest in Urban Renewal Area are eligible to vote as are all residents in the UR area.

## Puppets To Appear At Area Churches

**ROMULUS** — A special treat awaits youngsters attending Sunday School at the Community Methodist Church in Romulus and the New Boston Methodist Church on Sunday, Sept. 29.

On this occasion Frieda and Her Puppets will put on two shows, "The Three Wishes," a two-act play for puppets, plus "The Circus Clowns." All youngsters are invited.

The shows will be presented during the regular Sunday School hours: 9:30

a.m. at the Romulus Church, 11160 Olive Street; and 11 a.m. at the New Boston Church, on Huron River Drive.

If possible, each person is asked to bring 25 cents in addition to his regular Sunday School offering. This will go to cover the cost of this special program.

Rev. Frank Leineke is pastor of both churches. Marge McCloskey is Church School Superintendent at Romulus and Jean Mayes, at New Boston.

A CONVERTIBLE model is added as Cougar for 1969 presents a longer, wider and roomier sports/specialty car with entirely new body and new power. The Cougars are three-and-a-half inches longer at 193.8 inches, and nearly three inches wider at 74.2 inches. There's more hip room and shoulder room both front and rear, and there's more luggage capacity and fuel capacity. Cougar continues with its sporty European road car flair. The new body has a long hood and short deck, and new side sculpturing and a horizontal grille. Dual concealed headlamps continue as standard. There's more power from Cougar's new 351-cubic-inch V-8 engine, which is standard.

Are you planning a long automobile trip? Remember, says the Michigan Heart Association, don't drive for

longer than an hour — or at most, two. The blood can pool out of your car and move around - gambol on the green and sludge in your legs. Get — dance, run, but get moving.

# Thank You

## ... To the people of the Belleville Area..

Our sincerest thanks and gratitude for your

patience during our recent remodeling and

modernization. We hope that our efforts to

make this the most modern and serviceable

supermarket in this area will meet with your

approval ... and that you will enjoy shopping

here as much as we will enjoy serving you.

Virginia and Al Rizzo

NEW TENNIS COURTS COMPLETED — Van Buren Township's Recreation Department has announced the completion of its new tennis courts that can be converted into ice skating rinks during the winter recreation season. It is located on Quirk Road, west of the Township Hall, located at 46425 Tyler Road. The tennis court-ice rink project is part of the Township's all-out program to provide recreational facilities for residents and their guests.

## Ford's Stereo Music Tapes Add Safety Tips

DEARBORN — Stereo music tapes provided with player units in Ford Motor Company vehicles will include brief safe-driving reminders.

Semon E. Knudsen, Ford president, said four 10-second safety messages will be inserted on the sound tracks of "Ford Family of Fine Music" tapes as soon as the supplier, RCA Record Division, can record them.

"The motor vehicle operator is the key to safe driving," Knudsen said. "We hope these recorded reminders will help make his driving both safer and more pleasant."

FORD AND RCA recently signed a three-year contract for the tapes which are provided with all stereo player units installed in Ford Motor Company cars and light trucks. The new tapes should be available in about five weeks.

The four safety messages are:

- "Safety belts save lives! Fasten your safety belts and make sure your passengers do the same. It's the in thing to do, so get in yours every time you drive."

## Distance Runner To Vie At Olympics

Eastern Michigan University freshman distance ace Dave Ellis has been selected as one of 29 athletes to represent Canada in the 1968 Olympic Games in Mexico City this fall. Ellis has been selected to run in the 10,000 meter event and, possibly, the 5,000 meter run. Ellis and the Canadian team will depart soon for a brief training period in Banff, Alberta prior to undertaking high-altitude training in Flagstaff, Arizona.

Ellis was the instrumental force that led the Hurons' cross country team to their second consecutive National

Association of Intercollegiate Athletics national cross country title. Ellis finished second in the individual race to Van Nelson but avenged this defeat, by his St. Cloud, Minnesota rival, in winning the NAIA Outdoor 5,000 meter crown. Ellis also finished 4th in the outdoor 10,000 meter run and second in the indoor NAIA Two Mile run as Eastern Michigan finished third in both meets.

Ellis holds Eastern Michigan varsity records in all distances over one mile. He will be a sophomore this year majoring in English.

TOP STREET PERFORMER in the intermediate field for Lincoln-Mercury is the Mercury Cyclone CJ. This new model brings together the muscular CJ 428 engine and a value leader two-door fastback hardtop to provide maximum street get-up-and-go for a modest price. Horsepower rating is 335 at 5200 rpm. Racy black-out grille, competition handling package and WSW F70 fiberglass-belted tires are standard. F70 fiberglass-belted traction tires are optional. A sports appearance group option includes bucket seats, remote-control racing mirror, turbine-styled wheel covers and "rim blow" steering wheel. Pictured is the sportiest of all, the Cyclone CJ. It can be seen at Sesi Lincoln-Mercury 950 E. Michigan, Ypsilanti.

## The Players Announced Open Dates

The Players, a touring company of 15 University of Detroit Theatre undergraduates, will produce Moliere's "The Ridiculous Young Ladies" and Edward Albee's "Zoo Story" for bookings in the Metropolitan Detroit area.

Open dates for schools or clubs interested are Oct. 4, 11, 18, 25, — Nov. 1, 8, 15, 22, and 29 for afternoon performances. Any evening or weekend engagement is open and all performances must be arranged one month prior to the performances.

Performance fees are: Moliere \$150; Albee, \$100, or the combined productions performed on the same date, \$200.

The plays will be presented in the U. of D. Theatre Friday through Sunday, Sept. 27-29 at 8:30 p.m. in the Ford Life Sciences Building on the McNichols campus. Admission is \$2.

Inquiries may be made to the Players Company, Theatre Department, U. of D. 4001 W. McNichols, Detroit, Michigan 48221.

Shakespeare's tragedy reopens with a Wednesday matinee Oct. 2 and continues Friday and Saturday, Oct. 4 and 5, at 8:30 and the following Wednesday at 2:30.

## 'How Life Begins' Returns October 14

The ABC News documentary "How Life Begins" will be re-broadcast on Channel 7 Monday, Oct. 14 at 7:30 P.M.

The hour-long special explores the mystery, meaning and beauty of birth in a variety

## 'Hamlet' Reopens At Hilberry

DETROIT — The Wayne State University's Hilberry Theatre's sixth and biggest season — eight productions and eight months — will start with limited runs of two of last season's most successful productions, "Hamlet" and "A Flea in Her Ear," which have been held over in response to heavy demand at the box office.

of species, including man.

"How Life Begins" drew an overwhelming and universal flood of praise from educators, critics and viewers after its original telecast in March. It brings to life, through rare color films, the best-selling book "How Life Begins" written by the Executive Producer of the program, Jules Power.

Eddie Albert narrates as the films examine the courtship and mating of birds and animals. Such varied methods of reproduction as budding, dividing in half, releasing their offspring through the mouth and the miraculous climb of a tiny kangaroo into its mother's pouch are shown.

The cameras also enter Flower Fifth Avenue Hospital in New York to witness a human birth.

Among the hundreds of letters received by Channel 7 in praise of the program was one postscripted: "You might be interested to know that our cat gave birth to kittens during the program."

## State Events Listed for Top U.S. Attention

LANSING — Pre-winter Michigan events have been named by the National Association of Travel Organizations, Washington, D.C., to be among the top 20 travel events in the nation, Michigan Tourist Council announced.

Included in those sharing top honors in the nation for the month of November is the Detroit Automobile Show to be held at Cobo Hall, Detroit, from Nov. 30 through Dec. 8.

The famed show features displays of domestic and imported automobiles as well as entertainment.

Christmas at Greenfield

Village, Dearborn, was selected as one of the top national travel events for the month of December.

The presentation, to be held Dec. 13-31, features the Village's famous historic homes decorated for the Yule season in the period in which the building was originally constructed, mostly in the 1800's. Sleigh rides and tours are offered.

Listings of all of Michigan's fall and winter community events are available without charge by writing for the Michigan Calendar of Events, Michigan Tourist Council, Lansing 48926.

## U.P. Fall Color Due Oct. 1

The first big weekend of Michigan's annual autumn color show is expected in the upper peninsula before the end of September, the Michigan Tourist Council reported.

Observers throughout the state, however, report some scattered color in evidence now.

Observers in the Keweenaw Peninsula report limited color

in isolated areas but the green still predominates. Maples in the Iron Mountain area have started to turn, while birch in the low areas are taking on fall yellow hues.

Some scattered color is developing in the northern parts of the lower peninsula, with the first good viewing expected about the week of October 1.

The Michigan Autumn Color Tour Guide and other fall vacation planning information is available without charge by writing the Michigan Tourist Council, Lansing, Michigan, 48926.

## Housing Available During Olympics

Though sports enthusiasts will flock to Mexico City October 12-27 for the Olympic Games, vacationers will find a choice of accommodations in many of the country's top resort and sightseeing destinations. The Mexican airline largest volume ever for a single month, the Commerce Department reported.

The total number of visitors to the U. S. for the first seven months of 1968 ran 6.9 per in Acapulco and Mexico City, cent above the same period last year.

Even at certain points during the Olympic Games.

## Davidson Opens UD Concert

John Davidson, motion picture, television, recording, concert stage and night club star, will open the University of Detroit Pop Concert season at 8:30 p.m. Friday, Oct. 4 in the Memorial Building.

Davidson, who substituted for Johnny Carson on the NBC "Tonight" show this week (Mon. Sept. 23), has a fine list of credits run up for the past year.

In Oct. '67, he was host and star of his first television special, "John Davidson at Notre Dame," on the ABC television network.

# NOTICE

## Last Day To Register FOR GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the Township of Van Buren, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned Township Clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the fifth Friday prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the Van Buren Township Hall, 46425 Tyler Road, Belleville on

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

FRIDAY, OCTOBER 4, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTERING SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

**ERMA J. PAYNE, Clerk**  
**Township of Van Buren**

## Overseas Visitors Top 200,000

Business and pleasure visitors from overseas to the United States topped the 200,000 mark in July, the second largest volume ever for a single month, the Commerce Department reported.

The total number of visitors to the U. S. for the first seven months of 1968 ran 6.9 per in Acapulco and Mexico City, cent above the same period last year.

Even at certain points during the Olympic Games.

Especially drawn for Skipper's Table by Paul and Mary Smith

"What a day! Broke my guitar string, lost my girl, had two flat tires and to top it all off I forgot Skipper's Table is closed on Mondays."

Yes, we're closed Mondays, but don't miss our delicious selection of foods the other six days of the week. Remember you can come as you are and eat all you want for lunch for only \$1.09. With two locations to serve you: Seven Mile block West of Livernois and Plymouth Road at Farmington Road.

# Fish... The Brain Food?

That, we're afraid is a myth.

However, many smart people eat a lot of fish...

for a couple of very healthy reasons.

Fish is very good for you.

It's an excellent source of high-quality protein.

Flounder, Cod, Halibut, Haddock and Ocean Perch

contain less than one percent fat.

Fish provides a treasure chest of minerals and vitamins.

Fish is also highly recommended for people

who are watching their weight.

No other food provides so much protein

with so few calories, yet is so satisfying.

Your A&P features a wide variety of fish.

Our own CAP'N JOHN'S line of frozen fish

and fish dinners is unsurpassed for quality, flavor and value.

Join the smart people who serve fish often.

The smartest of the smart serve CAP'N JOHN'S...

available only at A&P.

**NEW ASSESSOR** — Harold L. Reiner, 43, of Zanesville, Ohio (right) Romulus Township's first full-time assessor is being congratulated on his appointment by Alfred J. Perry, township clerk; and Edmund Bizik, township supervisor. The Township Board selected Reiner on recommendation of Bizik, who by law is the township assessor. He will be aided by the new appointee.

## Les Stanford Chevrolet Opens in Dearborn

Stanford — a name familiar to Downriver automobile buyers for nearly 40 years — reappeared on the business scene with the recent opening of the Les Stanford Chevrolet dealership, 21711 Michigan, Dearborn.

The firm is operated by Leslie J. Stanford, who, with his brother, Louis, sold automobiles and trucks under the name of Stanford Brothers in the Fort-Outter Drive area of Lincoln Park from the late 1920s until early this year.

### SOLD FIRM

The men, who had been Dodge dealers in Lincoln Park since 1947, sold the agency to the Chrysler Corporation in March.

The only Chevrolet agency in Dearborn, the Les Stanford firm formerly was operated by the H. R. Marsh and Son Company.

Modernized in recent years, the facilities include a sales floor with display space for six automobiles, service station, parts department and bump shop.

### SON IS MANAGER

The used-car department is managed by Stanford's oldest son, Leslie J. junior, an

Leslie J. Stanford  
Chevrolet dealer

Stanford organization in Lincoln Park.

The Stanford brothers had been in the automobile business since they were teenagers.

Reared in Lincoln Park, both were high school students when they bought their first car for \$1. They restored it to working condition and sold it for a profit.

They continued buying and selling automobiles during the depression years of the early 1930s, conducting their business in a garage at their parents' home, 998 Victoria, Lincoln Park.

(The elder Stanfords moved to California in 1942, and now reside in Santa Monica.)

### VETERAN DEALERS

In 1938, the brothers constructed a building at 25900 Outer Drive, near Fort. There they sold International trucks until the second world war. At various times they also retailed Hudson, Nash and Studebaker cars.

Both men served in the armed forces. On their return

home, they erected a building at 955 Fort and re-entered the automobile business, selling Packard cars and International trucks.

In 1947 they completed a structure at 970 Fort, in which they operated the Stanford Brothers' Dodge agency until it was sold this year.

They also sold Plymouth automobiles from 1952 to 1957 in a building they constructed at 920 Fort, adjacent to the dealership at 970 Fort.

Speaking of his "retirement," Leslie said, "Five months was long enough to stay out of the automobile business. Since we sold our business in March, I have been investigating various enterprises."

He and his wife, Helen, and their two younger sons live in Dearborn Heights.

The domestic cinnamon tree is allowed to grow to a height of not over eight to 10 feet. It needs a sandy soil and lots of water.

## 4-H Grants For College Students

Four \$1,600 scholarships for students majoring or minoring in forestry at an accredited college will be presented to four outstanding youths who are now or have been 4-H Club members.

The grants are provided for the 12th straight year by Homelite, A division of Textron Inc.

Candidates must have completed at least three years of 4-H work, and be in their freshman year in the fall of 1968, according to the Cooperative Extension Service.

Applications are to be submitted to the State 4-H Club office. For further details, contact the state office or the county extension office.

Final judging of the applications is done by a committee of extension personnel meeting for this purpose in Chicago early in November.

Winners will be announced during the National 4-H Congress.

## Cover Cough, Sneezes Prevent Disease Spread

DETROIT — Much has been said about the importance of covering coughs and sneezes.

## Brothers Return To Service

RONALD HOWELL

RODGER HOWELL

BELLEVILLE — The Howell brothers — Ronald, 19; and Rodger, 18, have returned to duty following home leaves of 21 and 14 days respectively.

They are the sons of Mr. and Mrs. Dale Howell of 11009 Borgman.

Ron is in the U. S. Marine Corps and has had his basic training at Camp Pendleton, California, where he has returned for specialized training.

And Rodger, a member of the Army, reported at Fort Bliss, Texas, for training in Missile Intelligence. He received his basic training at Fort Knox, Ky.

Both attended Belleville High School.

The truth of the matter is that careless coughs and sneezes spread millions of tiny disease germs into the air we breathe.

E. Osborne Coates, M.D., president of the Tuberculosis and Health Society, said "a careless cough or sneeze becomes more serious when a person passes the germs of tuberculosis on and you or a member of your family becomes infected with active tuberculosis and has to be hospitalized — or, if caught early, placed on drug treatment."

How does a person react when he is told he has tuberculosis? Well, he's not the most happy person in the world. His first thoughts are of his family, loss of income, time away from the family while he's hospitalized, and danger of infection to the rest of the family.

DR. COATES pointed out that tuberculosis is caused by a germ that can easily be spread from one person to another. A person with active tuberculosis sneezes or coughs and sends the germs into the air. The germs go everywhere, can infect anyone, and at any age.

Dr. Coates said that, if a person's body resistance happens to be down due to excessive physical activity, poor diet, an illness or other form of strain, he may become infected with the germ. Having the germ does not mean the person will break down with active tuberculosis where he is capable of spreading B germs. Many persons who have the germs in their bodies have led normal healthy lives for years and have never been bothered.

By having a regular tuberculin skin test and/or chest X-ray, a person can find out if he has TB.

Last year approximately 3,000 persons in Michigan were found to have tuberculosis. TB is still a killer. Last year 227 persons in Michigan died of TB.

For location of chest X-ray units, call the TB and Health Society - WO 1-1697.

## Hughey Shares in Big Test

ROMULUS — Army Private Tenny L. Hughey, who is the son of Mr. and Mrs. Charles Hughey, 39045 Superior, and a tracked vehicle mechanic with the 4th Armored Division, participated in a seven-day field training exercise Sept. 15, in southern Germany.

The maneuver, named "Schwarzer Loewe", or Black Lion, involved West German, French and American soldiers.

According to Lieutenant General Karl Wilhelm Thilo, commander of the II German Corps, approximately 40,000 men, 1,400 tanks and artillery pieces and 12,000 wheeled vehicles took part in the operation which covered several thousand miles of Bavaria and Baden Wuerttemberg.

**LT. GOV. MILLIKEN HEARS PLEA** — Members of the Huron Township School Board visited the offices of Lt. Gov. William Milliken last Wednesday to seek assistance in financing the take-over of some of the students of the former Sumpter School District. Left to right are: School Superintendent Bryon Antcliff, Mrs. Mildred Bennett, Carl Rush, Lt. Gov. Milliken, Mrs. Jean Richert, Carl Renton, school board president; and Rene Campeau. Lt. Gov. Milliken promised to do something about the need for funds.

## AIR FOUR-YEAR REPORT

# Racial Discrimination Tops Civil Rights Claim Activity

The average number of claims filed monthly with the Michigan Civil Rights Commission increased three-fold in the four years between 1964-1967, a report released by the MCRC disclosed.

"How the Backlog Grew," a four year report of claims activity from 1964-1967, shows that the backlog of unresolved complaints reached 1,265 at the end of 1967, approximately a twenty-fold increase over the 68 complaints acquired from the old Fair Employment Practices Commission, predecessor to the MCRC.

"With our present backlog of 1,583 cases, it is evident that the gap between complaints of illegal treatment and the promptness with which we're able to deal with these cases,

continues to grow rapidly," said Executive Director Burton I. Gordin. "Unless we can get additional staff, our effectiveness will be greatly limited."

THE FOUR-YEAR report highlighted the fact that racial discrimination continues to be the overwhelming basis for filing of complaints, constituting 83.5 per cent of the 1,477 complaints filed in 1967.

Sex discrimination, the most recent area of Commission jurisdiction, has become the second most important basis of employment complaints, representing about one out of ten of the total complaints filed in 1967.

About six out of ten of the total complaints filed during the 1964-1967 period (3,599),

were employment complaints, the most important area of jurisdiction.

Refusal to hire, upgrading, discharge and unequal working conditions were the most frequent types of discrimination charged against employers, accounting for eight out of ten of the 2,258 employment complaints docketed during the four year period.

THE SECOND largest area was law enforcement which had 485 or 13.5 per cent of the four-year total.

Housing was third, public accommodations fourth and education was the smallest of the complaint areas.

During the four years covered in the report, 2,402 claims were closed, of which 726 were closed by satisfactory adjustment.

## Area Obituaries

**LOMBARD, Frank**, 438 Halstead st., East Orange, N.J., died Sept. 16 in Garden City Osteopathic Hospital. He was born July 17, 1914, in Baltimore, Md.

Surviving are his wife, Betty Mae; a daughter, Mrs. Betty Hoopingarner, of St. Clair Shores; his mother, Mrs. Biagi Puglisi, of Opa Locka, Fla.; one sister in Italy; and four sisters in Opa Locka, Fla.

Services were held Thursday, Sept. 19, from Roberts Bros. Funeral Home, the Rev. Albert J. Folta presiding. Burial was in Hillside Cemetery.

**SZWAJKOWSKI, Walter**, 69, Van Petten st., Romulus, died Sept. 21 at Wayne County General Hospital following a heart attack. He had made his home in the Romulus area for some 50 years.

Surviving are two brothers, Tony Szajkowski, of Belleville, and Alex Szajkowski, of Romulus; and two sisters, Helen Wojciechowski, of Romulus, and Rose Dobozy, of Wayne. Services were to be held today, Wednesday, Sept. 25, at 10 a.m. in St. Aloysius Catholic Church. Burial was to be in St. Stephen's Cemetery. Arrangements were by Baum Funeral Home.

**GORKOS, Marcella M.**, 50, 35675 Ronald st., Romulus, died Sept. 15 in Wyandotte General Hospital. She was a member of St. Aloysius Catholic Church, Romulus.

Surviving are her husband, Joseph C. Gorkos, Jr.; her father, Harvey Du Four, of Romulus; and three children, Marilyn Ann, at home; Mrs. Carolyn Gretka, of Florida; and Charles L. Gorkos, of Wayne. She also leaves five grandchildren; two sisters, Mrs. Madeline Cunningham, of Lincoln Park, and Mrs. Dorothy Schlueter, of California; and a brother, William Du Four, of Southgate.

Services were held Thursday, Sept. 19, from St. Aloysius Church and Baum Funeral Home, the Rev. James Wilson presiding. Burial was in Michigan Memorial Park, Flat Rock.

## Van Buren MEA Probe to Continue

**BELLEVILLE** — An investigation on possible sanctions against the Van Buren Public School District by the Michigan Education Association is continuing, Kenneth Askew, chief of the professional negotiating team for Van Buren School District's teachers, reported.

The Van Buren Education Association had requested MEA investigation during contract negotiations on a new teachers' contract for the 1968-69 school year.

A new contract calling for higher salary range and other fringe benefits has been ratified by the teachers.

The MEA delayed its probe and the teacher-school problems to await the take over of school administration by a new school board and superintendent.

Askew reported that there are areas of teacher-school administration beyond wage and contract that should be looked into by the MEA.

He stated that teachers were reminded that the request had not been withdrawn and that the MEA's long and broad scale investigation is to continue.

## State Police Appoints Chaplain

The appointment of the Rev. V. Frederick Halboth Jr., of Detroit, as a chaplain with the Michigan State Police has been announced by Col. Fredrick E. Davids, department director.

The Reverend Halboth is a co-pastor with his father, the Rev. Frederick Halboth Sr., at Grace Lutheran Church, 25630 Grand River, Detroit, where he has been serving since 1957.

He has been a resident of Michigan since 1945. A native of California, he was born at Yuba City Dec. 21, 1932.

After graduating from Detroit Lutheran High School, he attended and graduated from Concordia College in Milwaukee, Wis., and from Concordia Seminary, St. Louis, Mo., in 1957.

His appointment to a State Police chaplaincy fills a vacancy resulting from the 1967 retirement of the Rev. Glenn E. Carpenter, Lansing.

## High School Seniors Alerted on Fund Aid

**LANSING** — October 14 is a deadline for high school seniors to remember.

More than \$10,000,000 is at stake. As much as \$1,600 per student.

High school seniors who wish to apply for State of Michigan tuition grants or competitive scholarships must take action by Oct. 14.

"The simplest thing for them to do," explains John C. Hoekje, president of the Association of Independent Colleges and Universities of Michigan, "is to see the counselors at their own schools for forms and advice."

"THESE STATE funds are available," he said, "for students who wish to attend universities or colleges in Michigan next fall."

The amount varies, but as much as \$1,600 may be available to each student for the academic year.

"A maximum of \$800 per year in tuition grants for use in private colleges, and another scholarship maximum of \$800 per year for private or public colleges, are separate and distinct. A student who fails to qualify for the competitive scholarship may still be eligible for the tuition grant if he meets the admission standards of a private college in Michigan."

## Moose Notes

The Loyal Order of Moose, Belleville Lodge No. 934 have started their Saturday Night dances again with a live band for the enjoyment of the Moose members and their friends. The dance on Saturday, Sept. 28, will be to the music by "Ted Leonard" and on Saturday Oct. 5, to the music by "The Chavelles" all girl orchestra.

On Saturday, Oct. 19, there will be an Enrollment with dinner served by the Women of the Moose from 5 to 7:30 p.m. and dancing afterward to the music of "The Aldrooms."

Our Belleville Ritual Team enrolled 13 new members at Lincoln Park Lodge on Sept. 8. They will put on the ritualistic work at the Wayne Lodge on Sept. 19 at 2 p.m.

Tonight (Wednesday, Sept. 25) there will be a membership meeting at the Moose Home at 7 p.m.

Brother Roy Groves still in Wayne County General Hospital, Room 543.

Our deepest sympathy to Brothers Raymond and Gerald Smith on the loss of their Father, Eldon Smith.

**IMPALA CUSTOM COUPE** — Sparkling with new styling refinements are the 1969 Chevrolets. New grille design, new placement of front lights and rectangular rear taillights are a few of the many changes to be found in the Impala Custom Coupe as shown above. Again Chevrolet offers an array of comfort and convenience options that personalize a car to the individual taste. The new Chevrolet line of passenger cars will be on display Sept. 26 at Heininger Chevrolet, 489 East Huron River Drive.

**THE CAMARO**, a car with a young personality for '69. Available options do 'magic' in the 'RS' and 'SS' versions. A varied selection of engines, striping, special hood with simulated ports, lower-styled rear fenders and wide oval white-lettered tires are but a few of the personal selections available in the '69 Camaro line. The RS Convertible is shown above. All Chevrolet-built passenger cars will be on display tomorrow, Sept. 26 at Heininger Chevrolet, 489 East Huron River Drive.

## 40 Police Candidates Are Sworn In

**EAST LANSING** — Forty Michigan State Police candidates were sworn in as probationary troopers in ceremonies held for the seventy-second recruit class last Friday afternoon in Kellogg Center at Michigan State University.

Principal speaker was Les Biederman, general manager of the Paul Bunyan Television Network, Traverse City, who addressed the new officers, their relatives and friends.

Col. Fredrick E. Davids, who also spoke to the group, administered the oath of office to the troopers and presented their badges.

**POST ASSIGNMENTS** were announced by Lt. Col. Melvin G. Kaufman, deputy director for field services. The officers will report to their first stations Friday, Sept. 27.

Capt. John N. Brown, deputy director for staff services, presented the class awards. The one for academic achievement was earned by Tpr. Robert D. Beaver, of Hopkins, and the marksmanship award was won by Tpr. David J. Jeffers, of Wyoming. Remarks in behalf of the class were made by Tpr. James R. Uebler, class orator, of Gary, Indiana.

The invocation was presented by the Rev. Emeral E. Price, of Hastings, while the benediction was given by the Rev. Frederick Halboth Jr., newly appointed chaplain from Detroit.

Of the recruit class members, six had previous police experience, one has a bachelor of science degree, two have associate degrees while 11 others have had some college training. One of the new officers, Gary J. Schaefer, of Linwood, has a brother Wade serving as a trooper at the Sandusky post.

## Set Tax Levy

**ROMULUS** — A tax levy assessment of 10.2 mills for the 1968 year was approved by the Romulus Township Board.

The tax assessment is up one and one-half mills over the 1967 year of operations due to voted millage for the operation and development of Romulus Police Department.

The millage of 10.2 for each \$1,000 of assessed property valuation, state equalized, consists of four mills for the retirement of sewer bonds, three mills for water bonds, four-tenths of a mill for Romulus' assessment for the operation of the Peoples Community Hospital Authority, and 1.3 mills for township operation.

The township property assessment is reported at \$90,398,960 as against \$79,000,000 in 1967.

## Ford Sets Applicant Deadline for Academies

Congressman William D. Ford (D) 15th District has set Oct. 4, as the deadline for youths in his district to apply for 1968 nominations to United States Service Academies.

Application forms and full information may be obtained by writing to Congressman Ford at 1006 House Office Building, Washington, D. C. 20515.

Appointments will be available for the Military Academy, at West Point; the Naval Academy, at Annapolis; the Air Force Academy, in Colorado; and the Merchant Marine Academy, at Kings Point, New York.

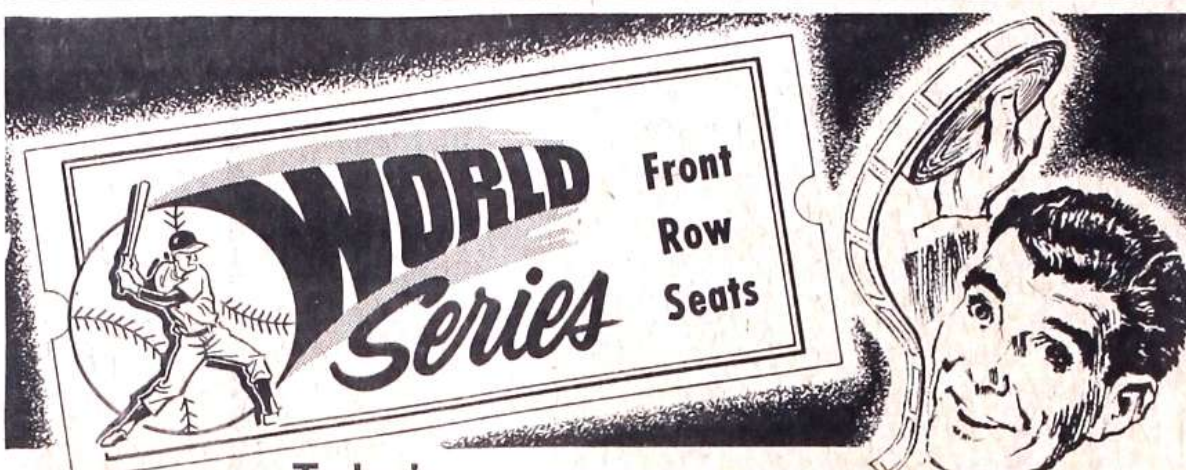

Applicants must be at least 17, but not over 22 by next July 1, to qualify for appointment to 1969 classes. They must be United States citizens, unmarried, and residents of the 15th Congressional District.

ALL YOUTHS seeking appointment must take a basic civil service test, which will be given Nov. 9, at Wyandotte. They will also have to pass a physical examination, which will be administered at Selfridge Air Force Base.

## Drive Dates Set

**ROMULUS** — A paper Drive under the sponsorship of the Trail Blazers 4-H Club will be held on two subsequent Saturdays, Sept. 28 and Oct. 5 during the hours of 11 a.m. to 5 p.m.

All residents desiring pick-ups of old newspapers and magazines are asked to call Mrs. Florence Allen at 721-3819.

SCHOOL BUS DRIVER TRAINING - The Eastern Michigan University selected Van Buren School Bus drivers and buses for a recent school bus driver training program. VB drivers were trained to teach some 100 other school bus drivers. Above is Homer Earl, director of school bus driver education for EMU explaining the use of fire extinguishing equipment to Mrs. Richard Bricks of 47119 Lauren Court.

AS YOU LIKE IT

Pedal-To Your Heart's Content

Maybe you haven't noticed it, but bicycling is gaining new popularity in the United States. Not just in small towns, but in the big cities, too. And, not just among youngsters. Grownups are pedalling a-plenty.

It's all to the good, says the Health Insurance Institute, so long as the nation's 61 million bicycle riders know what they're going.

"I can think of no better form of exercise," said Dr. Harry Johnson, director of New York's Life Extension Institute. "It's good for the big muscles of the legs and, what is more important, it's a stimulant to the circulatory system."

Dr. Johnson, however, warns against bicycling in traffic-congested urban areas. "The best place for cycling is a bike path, not the street."

Statistics back up Dr. Johnson's opinion. A recent study shows that 750 people were killed in a single year's accidents involving bicycles and other vehicles.

Much is being done, however, to make cycling a safer diversion for adults and children. Civic and government leaders, cycling clubs, community organizations, Boy and Girl Scout troops and schools are working to cut down the accident rate through local bike inspection clinics.

Part of the effort is in trying to establish bike paths. A spectacular success in this effort has been in New York City, where the roads of Manhattan's Central Park have been turned into auto-free cycling lanes on summer weekends. Thousands of New Yorkers, including the Mayor and not a few Broadway celebrities, can be seen exercising while getting a bike-rider's view of the city skyline.

Richard Balowski Is on Honor Roll

NEW BOSTON - Among the 258 students honored for academic excellence at Ferris State College in the Summer Quarter by being named to the Dean's Honor List is a New Boston student.

He is Richard Balowski, who is studying Technical and Applied Arts.

New York is not alone in providing for the cyclists. The U. S. Department of the Interior has established a network of bike paths in the Cape Cod National Seashore in Massachusetts. The state of Ohio is promoting a self-guided tour for cyclists through that state's Amish country. Thousands of bike riders tour Wisconsin, following a special 300-mile scenic route.

The interest in establishing special paths and routes for cycling without fear of cars was spurred by the success of the nation's first "Bikeway" in Homestead, Florida, in 1962. Hundreds of other cities and towns have since followed Homestead's lead.

Still, cycling can be hazardous for the unwary. Here are some of the things to watch for:

- Make sure cyclists know the rules of the road - information made available by many local civic organizations.

- A bike for a youngster should be selected with care. It should be properly scaled to the rider.

- Be sure you know how the bike you ride operates, especially if it is rented or borrowed. For example, hand brakes are effective but stops can be very sudden when applied by inexperienced hands.

- Avoid cycling in heavy traffic areas.

'NO BETTER FORM OF EXERCISE'

Chamber's Election Starts

BELLEVILLE - The Belleville Area Chamber of Commerce began this week, the distribution of a mail ballot for the election of officers for three expiring terms and one unexpired term, Theodore F. Kuckelman, executive director, announced.

Candidates in alphabetical order are:

John Barber, owner of John Barber Inc., 574 Columbia Avenue; Bud Brown, owner of Bud's Television and Radio Repair, 1136 Sumpter Road; Douglas Cullin, insurance

agent, State Farm Insurance, 382 Main Street; Lynne Hamilton, Hamilton Hardware Company, 458 Main Street; Arthur Harvey, Kirk's Drug Store, 444 Main Street; Donald Meyer, insurance agent, New York Life Insurance Company; Arthur Stiers of Stiers Pure Service, 25 Main Street; and Irv Wallace, of the National Bank of Detroit, 397 Main Street.

The three highest vote totals will serve three-year terms and the fourth will serve the remainder of the term (two years) of Joseph E. Wimberley, who resigned.

Kum-Join-Us Class to Meet

BELLEVILLE - The Street, Saturday, Sept. 28, at Kum-Join-Us Class will meet at 7:30 p.m. the Parsonage of the United Rev. Allen B. Rice, II, Methodist Church, 455 High pastor, will be present

## WITH CONCESSION PROFITS

# Sheriff Gribbs Establishes Trust Fund at County Jail

The establishment of a trust fund to make improvements at the Wayne County Jail was announced by Wayne County Sheriff Roman S. Gribbs.

"In six weeks of emergency concession operations we have a net profit of \$5,000," Gribbs said. "These profits are from the sale of cigarettes, shaving cream and other necessities to the 1,300 prisoners at the jail."

"I think any gain from these purchases should be used at the jail. Many improvements are needed and can then be made at no expense to the taxpayers of Wayne County."

SHERIFF GRIBBS said that he is being assisted in the operation and study by Russell Smith of the State's Treasury Department and the Wayne County Board of Auditors.

The study will determine what method will provide the

best service and a maximum of security. Several months of study and experimentation may be necessary before any decision can be made.

"WE WANT the best operation possible and are consulting experts from business and marketing," the Sheriff said.

The concession contract handled by a private vendor was cancelled six weeks ago when the vendor was arrested and charged with loitering during a vice raid. The vendor has been fined \$50 or 10 days after being found guilty of the charge.

"Part time help has run the concession that grossed \$24,500 in that period," Gribbs said.

"I believe an efficient operation will net about

\$1,000 a week and that these profits should be used in a manner to save money for the county's taxpayers. This is our only aim in handling the sales."

"I wish to emphasize that all the profits thus far in this operation are in a trust fund and are under the continual audit of the State and County Auditors and their representatives."

## Approves Loan

BELLEVILLE — The Van Buren Township School Board approved the borrowing of \$398,000 in anticipated state aid for current school operations.

The monies are to be repaid from school tax revenues when received. The School Board has until March 1 to repay the loan.

## ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF THE REGULAR MEETING OF THE ROMULUS TOWNSHIP BOARD HELD ON SEPTEMBER 17, 1968, IN THE TOWNSHIP HALL.

The meeting was called to order at 8:05 P.M. by Chairman Bizek.

Attendance roll call showing: Present: Bizek, Perry, Wallis, Stewart, Wegienka, Raspberry, Pennington.

Absent: None. Excused: None.

Also in attendance: Township Attorney - John E. Young.

Motion by Pennington, supported by Stewart, to approve the agenda as amended. Motion carried unanimously.

BUILDING AUTHORITY REPORT

Motion by Raspberry, supported by Wallis, to accept the preliminary plans and preliminary figures presented by the Township Building Authority for the new Municipal Complex with the addition of the cost of the property and two adjoining parcels yet to be purchased included in the preliminary figures. Motion carried unanimously.

CITIZEN REQUEST

Motion by Raspberry, supported by Pennington, to approve 24 hour operation for the Gooney Store Restaurant but the electric pool tables to be closed at 2:00 A.M. Motion carried unanimously.

BUILDING DEPARTMENT REPORT

Motion by Pennington, supported by Stewart, to accept the Building Department Report as presented by Mr. Gallagher. Motion carried unanimously.

URBAN RENEWAL REPORT

Motion by Raspberry, supported by Wallis, to approve Contract No. 1 (\$5,000.00) with Groseclose, Williams and Associates for "Land Use and Marketability Studies." Motion carried unanimously.

Motion by Perry, supported by Stewart, to approve Contract No. 2 (\$5,000.00) with Groseclose, Williams & Associates for "Reuse Appraisals." Clerk and Supervisor authorized to sign.

both contracts for the Township. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to accept the Urban Renewal Report as presented. Motion carried unanimously.

WATER DEPARTMENT REPORT

Motion by Stewart, supported by Pennington, that Mr. Nieman be given a tap in to the sanitary sewer at the normal tap fee (\$250.00) providing that soil conditions are normal. Motion carried unanimously.

Motion by Raspberry, supported by Pennington, to promote Gloria Kamin to Bookkeeper No. 1 at a starting rate of \$115.00 per week retroactive to September 2, 1968. Motion carried.

Wegienka abstaining.

Motion by Perry, supported by Wallis, to accept the Water Department Report as presented. Motion carried unanimously.

POLICE DEPARTMENT REPORT

Motion by Stewart, supported by Perry, to accept the Police Department Report as presented. Motion carried unanimously.

CITIZEN REQUEST

Motion by Stewart, supported by Pennington, that a stop order be placed on Rose Hill Builders until an agreement can be reached between Rose-Hill and Mr. Ferguson of M-Bride Road. When an agreement is reached they will notify the Township.

Roll call vote showing: Ayes: Bizek, Perry, Wallis, Stewart, Raspberry, Wegienka, Pennington. Nays: None. Motion carried unanimously.

The meeting was automatically adjourned at 12:15 A.M. by Chairman Bizek.

Respectfully submitted, Alfred J. Perry, Clerk Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting of the Romulus Township Board, held on September 17, 1968, in the Township Hall.

Alfred J. Perry, Clerk Approved: Edmund Bizek, Supervisor

ROMULUS TOWNSHIP

## NOTICE Last Day To Register FOR GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the Township of Romulus, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned Township Clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the fifth Friday prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the Romulus Township Hall, 36572 Goddard Road, Romulus on

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

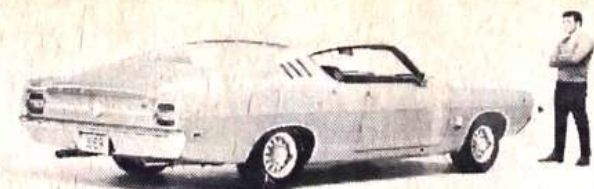

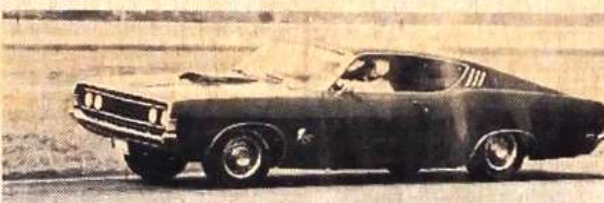

**FRIDAY, OCTOBER 4, 1968**

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTERING SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

ALFRED J. PERRY, Clerk  
Township of Romulus

COBRA IS FORD'S hot new performance-oriented addition to the Fairlane line for 1969. Whether roaring through a turn at Ford's Dearborn test track (above) or taking a quarter-mile straightaway, Cobra is made for competition handling and power. Available in fastback SportsRoof (above and below) and hardtop design, Cobra models are equipped with a standard 428-cubic-inch V-8. The 428 Cobra Jet Ram-Air engine also is available.

OUTSTANDING ECONOMY and durability and distinctive, clean design are still the boast of Ford's Falcon in 1969. Besides refinements in design and ornamentation, the new Falcons, like the Futura sports Coupe above, are available with an optional 220-horsepower, 302-cubic-inch engine for a power bonus.

## Area PTA Sets Meet

ROMULUS — The first 1968-69 meeting of the Romulus Area PTA Council will be held Tuesday, Oct. 1, at 7:30 P.M. at the Board of Education Office, 11401 Olive Street.

Scheduled speakers will be School Superintendent Robert McConeghy and Miss Marian McCrackin from the United Fund Foundation.

McConeghy will speak about the present program and the future plans of the Romulus Community School District. Miss McCrackin will be answering questions about services available to Romulus residents from the United Fund Foundation.

Anyone interested is cordially invited to attend. The Romulus Area PTA Council regularly meets the last

Tuesday of the month from September to May, excluding the month of December.

The meetings are open to all concerned persons of the community. The voting body of the Council consists of the elected officers, the immediate past president of the Council and five delegates from each local PTA unit.

All officers and delegates to council must be paid up members of their local unit.

Robert White, Wayne State University's veteran trainer, gets a working leave from WSU grid fortunes this fall, being detailed as one of eight Olympic Team trainers from mid-September through October.

SO THAT'S ALL there is to it. Take the harness of a Leader Dog and strike out all by yourself. A Leader Dog is a lot more than a constant companion, it is a live helpmate always willing to work. The Leader Dog is anxious to please and hours do not count.

## Lions Clubs Visit Leader Dog School

BELLEVILLE — The Belleville Lions Club will hold its regular monthly meeting tonight, (Wednesday, Sept. 25) at Rogalle's Lounge, James Egan, president announced.

The club is open for membership and those who join up now will become Charter Members of the newly organized Lions Club, Egan said.

Charter Night is scheduled for Oct. 12 and is to be held at Belleville High School cafeteria.

Last week some 22 members of the Belleville Lions Club along with 29 members from both the Wayne and Canton Township Lions Clubs visited the Leader Dog School, located at Rochester, Michigan.

The event was to present an opportunity to new Lions Club members as well as veteran members a chance to see the Leader Dog School in operation.

The school is a great tribute to the Lions organization, its chief sponsors.

Lions Clubs have provided leader dogs for people all over the world free, officials of the Lions stated.

## Woman Injured In Area Accident

BELLEVILLE — Miss Ann Carol Olsen, 20, of 725 Madison Place, Ann Arbor, was treated at Wayne County General Hospital for injuries received when a car she was driving swerved off Belleville Road, hit a pole, then went into the ditch near Harmony Lane and tipped over.

Wayne County Sheriff's Road Patrol reported that Miss Olsen was driving north on Belleville Road, Wednesday, Sept. 18, (it had rained) when the accident happened.

## AT THE 11TH HOUR

## Some Colleges Aren't Crowded

It's tougher than ever to get into college. Fact or Fiction? But there are many less well-known schools that are accepting new applicants as late as early September! The best bets, according to the Institute of Life Insurance, are state universities and colleges located in large cities. They are likely to have classroom space. But, late applying students may have to live off-campus, at least for a while.

This might be news to a lot of students and parents. Every body, it seems, hears about how tough it is to get into college. That's true—but only for about seven per cent of the nation's colleges. They're the best students have saved for college. They get about 50 per cent of the applications, and conse-

quently, can pick and choose. children. They've saved, invested and built up college funds in the course of managing the family's money.

Still, the cost of a college education is a fact to be reckoned with. A survey, conducted by the Life Insurance Agency Management Association, indicates that most schools in every region of the country have increased the charges for tuition and room and board. Generally, the total expenses will be between six and nine per cent higher than last year. So, depending on the school—whether it's public or private, prestigious or little-known, Eastern or Western, Northern or Southern, coed, all-women or all men—the costs will range anywhere from less than \$1,000 to over \$3,000 a year.

But, funds are available for those who know how to get them. As one educator puts it: "A student need not have the money in hand. There are lots of places where it can be borrowed at low interest."

Money is available for student loans under the National Defense Education Act. Many states have enacted laws to guarantee private loans to students. In addition, there are life insurance policies in many families that can provide funds if families deem it necessary.

Students still seeking college admittance at this date should consult their high school advisors who can put them in contact directly with the colleges or with the college placement clearing houses that have been established in recent years.

## Huron Seeks Assistance On Sumpter

NEW BOSTON — A meeting of Local School Boards with Lt. Governor William Milliken on the Sumpter School District's split-up was held in Lansing, Wednesday, Sept. 18.

Carl T. Renton, president of the Huron Board stated the background of the Sumpter Re-organization, and School Superintendent Bryon Antcliff gave a report on the effect of the re-organization on the Huron District.

John E. MacDonald spoke for the Van Buren School Board and Superintendent Joseph Sterling and Lawyer Griffin represented the Airport Board.

Following the reports Lt. Governor Milliken assured the Boards of his support in the matter.

Arrangements for the meeting were made by Senator William Faust.

Also attending the meeting were members of the Huron School Board, members of the Van Buren School Board, members of the Airport School District and State Representative Edward E. Mahalak.

## Revival Services

BELLEVILLE — The Emmanuel Baptist Church, 960 East Huron River drive, will begin revival services Sunday, Oct. 6 and continuing through Oct. 12, Rev. H. Mark Holladay, pastor, announced.

The evangelist at the services will be Rev. W. L. Shipman of Benton, Tennessee.

HIGHER EDUCATION COSTS RISING

## State Conference of AA Opens in Detroit Sept. 27

DETROIT — The 16th Annual Michigan State Conference of Alcoholics Anonymous will provide a highly interesting and informative program for those wishing to know more about alcoholism and how AA works.

The Conference starts at noon this Friday, (Sept. 27) with registration at the Sheraton-Cadillac Hotel. On Friday night a skit will be given by AA members called "A Twelfth Step Call" followed by a play, "One for the Road", to be presented by the AA Players' Group.

Both on Friday and Saturday nights, the Conference will feature "Alkathons" and "Alanonathons" for AA

members and their husbands and wives.

AFTER A Saturday morning welcome address by Mayor Jerome Cavanagh, the Conference will offer a variety of panel discussions throughout the day for Alateens, Alanons and AA's.

On Saturday at 1:30 p.m., a panel of distinguished professional people will speak on "The Professional View of AA". The panel will include an industrialist, medical doctor, judge and member of the clergy.

On Saturday, at 8 p.m., Midge M., an AA member from the General Service Office in New York will give an AA talk at Cobo Hall.

## Jaycees Sponsor Contest

ROMULUS — The Ford Motor Car Company's annual Punt-Pass & Kick contest, is being put on once again by the Romulus Jaycees.

Atchinson Ford Sales, Inc., 9800 Belleville road is the dealer sponsor this year.

The event includes boys between the ages of 8-13 years of age. They will compete with boys of their own age group and winners will be awarded trophies.

The competition will take place on Saturday, Oct. 5, at 10 a.m. at the Romulus Junior High.

Application blanks can be obtained from the applicants respective school buildings.

Note: The application must have parents signature for youth to compete.

# Chevrolet introduces 1969.

## Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this.

Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive?

Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button?

Should we have given you less power, instead of the largest standard V8 in its field?

Some people think so.

Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Huger.

And just look how it all hangs together. No gingerbread anywhere.

We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better.

The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires.

Your Chevrolet dealer offers this advice:

Go on, you other sportsters. Gnash your gears and look tough.

Maybe it will help.

Putting you first, keeps us first.

# HAMILTON HARDWARE

458 MAIN ST. BELLEVILLE OX-9-2711

'GALAXY' HEAVEN BOUND - With the 28-wheel landing gear very evident, the giant U.S. Air Force C-5 "Galaxy," lifts from the runway with a record maximum weight of 557,000 pounds, the greatest load ever to be lifted by any aircraft in the world. Built by Lockheed-Georgia, the C-5 is the largest airplane in the world and is now entering the second series of flight tests.

# 'Galaxy' Fills Heavens With Gigantic Records

THE WORLD'S LARGEST AIRPLANE--Lockheed's "man made eclipse of the sun" - the traffic-stopping giant U.S. Air Force C-5 "Galaxy," has now completed its first series of flight tests.

The Galaxy, now a familiar sight over such north Georgia towns as Sandy Springs, Roswell, Marietta, Gainesville and the city of Atlanta, recently completed a five-hour flight test series which even included Nashville and Charleston, S.C.

Lockheed C-5 Flight Test Program Manager C.B. Payne described the test series as "extremely successful." The huge aircraft, capable of carrying more than 900 passengers or a squadron of motor buses, will be joined late in September by the second C-5 prototype now being readied at the sprawling Marietta Lockheed-Georgia facility.

The huge bird is now roosting in massive soaring engineering test center, the world's largest cantilevered hangar, with company specialists swarming all over the winged gargantuan to

make it ready for the next series of air evaluations that will commence in late September.

As Lockheed crews installed new instrumentation, company officials and other flight test personnel expressed confidence that they "have a good airplane." The preliminary flight tests that began with the first flight on June 30 have proven every plan and hope that Lockheed had placed into the largest airplane in the world.

First of the series of new tests will be to perform flight flutter tests through January, 1969. Number Two C-5 "Galaxy" is expected to make its maiden flight within the next week. It is expected the number two sky giant will perform with the ease of the first one.

On Aug. 1, during one of its flight tests, the 223-foot span airlifter flew five hours and four minutes. Some of the significant milestones accomplished by the C-5 were facts and figures never dreamed possible a few years ago for airplanes. Outstanding record on one of the milestone flights was recorded when the C-5 grossed a taxi weight of 732,000 pounds and airlifted a gross weight of 557,000 pounds. During these tests a maximum speed of 250 knots (287 m.p.h.) was attained

reaching a maximum altitude of 11,000 feet.

In the Military Airlift Command Service, the C-5 normally will take off at weights up to 728,000 pounds, cruise at speeds over 500 miles per hour and fly as high as 40,000 feet.

When the big bird went indoors after the initial flight tests, the score book showed that the C-5 had met many other impressive test objectives. This included evaluation of flight characteristics of in-flight thrust reversing (this means operating the two in-board General Electric jet engine thrust reversers in the air), in-flight engine shutdowns and air starts, normal and emergency landing gear operation, wing leading edge slat and trailing edge flap operations, flutter characteristics at speeds to 250 knots, environmental systems, such as air conditioning and heating, stability augmentation systems and auto-pilot and ground handling characteristics.

Six pilots have flown the record size Galaxy-four Lockheed-Georgia and two Air Force. Lockheed pilots were Leo J. Sullivan, who was at the controls for the first historic flight on June 30; Walt Hensleigh, co-pilot for the first flight and also C-5 project pilot;

Hank Dees and Jess Allen. Representing the Air Force were Lt. Col. Joe Schiele and Lt. Col. Ralph Matson, both from the Air Force Flight Test Center at Edwards Air Force Base, Calif., where the first C-5 will go early next year for extensive company-military testing.

The third and fourth Galaxies are due to be flying by February and eight flight test aircraft are expected to be in the air by mid 1969, about the time first delivery is expected to be made to the Air Force at Altus Air Force Base, Okla., for transitional training.

Of special interest to Detroit area readers should be the fact that Detroit auto manufacturers are actively investigating the "economic and operational pros and cons" of shipping completed luxury automobiles by air. Lockheed's commercial version of the Galaxy will be called the "L-500" and it has been reported that it could airlift with ease close to 60 Cadillac, Lincoln or Imperial cars.

General Motors, Ford, Chrysler and American Motors have been evaluating this new concept in cooperation with some airlines and with Lockheed and Boeing. The evaluation includes the Boeing 747 which in all cargo configuration could carry 30 of the luxury cars.

## State Group OK's Belvil Hospital

BELLEVILLE - The Belvil Community Hospital a 70-bed medical facility, located at 105 Main Street, has been accepted for membership in the Michigan Hospital Association, William E. Hinchey, hospital administrator, announced.

Belvil Hospital, an approved facility for Blue Cross Hospitalization participation was notified for its membership in the state organization by letter from Allan Barth, executive director of Michigan Hospital Association.

Belvil Hospital was unanimously elected to membership by the Board of Trustees for a Type I Institutional Member, Barth told Hinchey.

## Dr. Towsley To Assist GOP Drive

LANSING - Dr. Harry A. Towsley, prominent Ann Arbor physician, has been named chairman of the "Doctors for Nixon" Committee to assist in rounding up support among the medical community of the State for the Nixon - Agnew campaign. Creighton Holden, co-ordinator of the State GOP campaign, announced today.

"The doctors of Michigan, and the United States, have a great interest in the outcome of this year's Presidential election, Holden said. "In asking Dr. Towsley to take on the task of rounding up the support of medical men and women for the Nixon - Agnew ticket, we are very aware of his influence among physicians in the State and of his long-time interest in Republican politics."

Dr. Towsley is President of the Michigan Health Council; Chairman of the Board of the Michigan United Fund; member and past president of the Washtenaw County Medical Society; member of the House of Delegates of the Michigan State Medical Society and Chairman of its Postgraduate Committee; member of the American Medical Association and Chairman of the Ann Arbor City Board of Health.

## Citizens Join to Pass Community College Tax

WESTLAND---Pending the outcome of a court fight over the placing of the Community College question on a county-wide ballot in November, a group of area citizens headed by Community College Trustee John Ryan are gearing up for a campaign to secure passage of the two and a half mill proposition.

Ryan said this week that the campaign will go into full swing once Wayne County Circuit Judge Blair Moody Jr. rules on the College Board of Trustees' suit to have their millage question placed on the Nov. 5 ballot.

The controversy over ballot position arose, Ryan said, after the county told the Board of Trustees that they would have to run their own election through the school system because state law did not bind the County to run the Community College election.

The Community College proposal, if passed, would provide 2.5 mills for the implementation of a community college system in Wayne County. One of the proposed colleges would

be located in or near the Western Wayne County area.

Ryan said preliminary meetings attended by community leaders resulted in the enlistment of aid from such men as former Wayne Community School District Superintendent P.D. Graham, current superintendent Harry Howard, State Rep. Vincent Pettipren (D-37th District), and James McCartney, who was an unsuccessful candidate against Ryan for the Community College Trustee position from Western Wayne.

McCartney is to be campaign coordinator, if further plans are developed, Ryan said.

Ryan said it is important that the Board of Trustees of the

Community College area get their proposal on the ballot countywide in November. With no money of their own to run an election, they have to join with some other arm of government in order to get the question before the voters. It costs nearly one-half million dollars to run a countywide election.

The proposed election on the Community College question will be the second try by County educators and concerned citizens. Two years ago a similar proposal was defeated when voters in Detroit rejected millage to implement the colleges while out-county areas were passing it.

## School Bus Accidents Show Increase in 1967

Nine persons seven of them children, were killed and 552 others injured in the 854 rural school bus and related type accidents reported in Michigan in 1967, an annual summary by the State Police safety and traffic division, showed.

Compared with 1966, deaths increased by one and accidents by 30 while injuries decreased by 46. It was the highest death toll recorded in the 1957 - 67 period.

Of the total accidents, nine resulted in fatalities, 291 caused personal injuries and 554 had property damage only. The breakdown of accident types follows:

There were four children and one adult killed and 330 others injured in the 551 accidents which physically involved school buses. The 495 accidents of this type in 1966 killed six and injured 357.

Associated accidents numbered 19 and resulted in

three deaths and injury to 13 others. These are accidents in which other vehicles cause injury to persons before boarding or after leaving buses. In 1966 there were one killed and 25 injured in 26 accidents.

Other associated type accidents - those involving vehicles affected by the stopping of buses - totaled 284 and resulted in one death and 209 persons injured. In 1966 these accidents numbered 303 with one killed and 215 injured.

Last year there was a total of 729,516 students transported daily in 8,200 rural school buses which traveled 71.6 million miles.

When the Acadians moved into Louisiana from Canada, they settled at what is now New Iberia. They were made famous by Henry Wadsworth Longfellow's Evangeline.

## Van Buren School Board Minutes

Regular Meeting  
August 12, 1968

The Regular Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on August 12, 1968 at 8:00 p.m.

Members present were Muse, Hopka, Williams, Bole, Schweigert, and Hay. Also present were Superintendent Kaulitz and Business Manager Egan.

The meeting was called to order by President Bole at 8:00 p.m.

The minutes of the Regular meeting of July 8, 1968 and special intervening meetings of July 15, 1968, July 24, 1968 and August 6, 1968 were read and approved as corrected.

The bills for the month of July were reviewed. Motion by Muse, and supported by Schweigert, that the bills be paid as presented.

Motion by Hopka, and supported by Williams, that the Athletic Budget as recommended by the Athletic Council, and increase of \$6500.00 for the year 1968-69, be approved. Motion carried.

Motion by Hay, and supported by Muse, that the attached Transportation Department recommended salary improvements for garage mechanics and transportation foreman be approved. Motion carried.

Motion by Hopka, and supported by Schweigert, that

the request of Eastern Michigan University, for the use of 20 school buses and drivers for a training institute to be held at Belleville on August 28, 29, 1968, be approved. Motion carried.

Motion by Hay, and supported by Williams, that the Chamber of Commerce be extended the Board of Education's gratitude, by letter, for their efforts in behalf of the August 5, 1968 school millage election. Motion carried.

President Bole appointed a committee, consisting of Chauncey Schweigert, Superintendent Kaulitz and himself, to work on a public relations' program for recommendation to the Board of Education for adoption.

Motion by Hay, and supported by Hopka, that the National Bank of Detroit be designated as the depository for the School District's General Fund, Building and Site Fund and Debt Retirement Funds as per attached resolution. Motion carried.

Motion by Williams, and supported by Hopka, that "Better Made Potato Chips" be awarded the contract for furnishing potato chips to the cafeteria for the year 1968-69. Motion carried.

Superintendent Kaulitz was directed to write letters of protest to William E. Hamlen, Michigan Aeronautics Comm.; Paul W. Evans, Administrative

Assistant, Michigan Aeronautics Comm.; William Malinowski, Airport Engineer and Mr. Wakefield, Willow Run Airport, regarding the extension of East-West runways at the Willow Run Airport.

Motion by Williams, and supported by Muse, that this meeting be adjourned. Motion carried.

Robert A. Hay,  
Secretary

Special Meeting  
August 19, 1968

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on August 19, 1968 at 8:00 p.m.

Members present were Hopka, Bole, Roe, Muse, Schweigert and Hay. Also present were Superintendent Kaulitz, Business Manager Egan, and architect representatives' Thurston Jahr and Victor LaRose.

President Bole called the meeting to order at 8:00 p.m. This meeting to be held primarily to open bids for a new Junior High. President Bole made a last call for bids, announced the bidding time closed, and asked that the bids on hand be read aloud. Bids were read as follows:

### ARCHITECTURAL TRADES:

1. Canton China & Equipment Co.	\$67,970.
2. Gold Star Products	65,285.
3. Great Lakes Hotel Supply	65,017.
4. McKesson-Robbins Co.	67,074.
5. F.D. Stella Products Co.	64,445.

Motion by Hopka, and supported by Schweigert, that all bids be referred to the Architects for investigation and recommendation. Motion carried.

Member Gerald Williams entered the meeting at 9:30 p.m.

Motion by Hopka, and supported by Hopka, that Gary Kniffen, a sixth grade teacher in the Van Buren Public Schools, be appointed principal of the West Willow Elementary School for the year 1968-69 as per recommendation of Superintendent Kaulitz. Motion carried.

Motion by Hopka, and supported by Hopka, that this school tax rate for the year 1968 be 3.85 mills for Debt Retirement and 24.9 mills for operation or a total of 28.75 mills. Motion carried.

Motion by Hay, and supported by Hopka, that this

meeting be adjourned. Motion carried.

Robert A. Hay,  
Secretary

### SPECIAL MEETING

August 26, 1968

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library, August 26, 1968 at 8:00 p.m.

Members present were Hopka, Muse, Roe, Williams, Bole, Schweigert and Hay. Also present were Superintendent Kaulitz, Business Manager Egan and Architect Thurston Jahr.

President Bole called the meeting to order at 8:15 p.m.

Gerald Williams, Doris Roe and James Egan, the Board's Salary Committee for custodians, had a salary negotiation meeting scheduled with the custodial staff committee so they left to proceed with that meeting. Thurston Jahr, with the balance of the Board, reviewed the bids and the budget on the new Junior High School. After about a one hour analysis of

the bids, Gerald Williams and Doris Roe returned to the meeting and were informed of the results and the following action was taken.

Motion by Muse, and supported by Hay, that the following contractors be awarded contracts for their respective trades to construct a new Junior High School on McBride Street near Beck Road all as per plan and specifications of Jahr-Anderson, Architects.

Architectural Trades: F. W. Fordon Co. - \$1,644,000.00; Mechanical Trades: Norman L. Boelter Co. - \$554,500.00; Electrical Trades: Darwish Brothers Electric Co. - \$289,806.00. Also that the Food Service Equipment Contract be held up pending review of equipment quoted as related to our needs. Also note that Colonial Electric Company, who were low bidders on the Electrical at the time of bid opening, have withdrawn their bid. Motion carried.

Motion by Hay, and supported by Schweigert, that the attached resolution, to set the tax rate for 1968 for the recently annexed area of Sumpter Township, be adopted. Motion carried.

Motion by Hopka, and supported by Muse, that this meeting be adjourned. Motion carried.

Robert A. Hay,  
Secretary

### SPECIAL MEETING

September 4, 1968

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on September 4, 1968 at 10:00 p.m.

Members present were Roe,

Muse, Williams, Hopka, Schweigert, Bole and Hay. Also present were Superintendent Kaulitz and Attorney MacDonald.

The meeting was called to order by President Bole at 10:00 p.m.

President Bole informed the Board that this meeting had to be called to resolve a problem concerning that area of Sumpter Township assigned to the Van Buren District in the recent breakup of the Sumpter School District. Attorney MacDonald explained to the Board the decision rendered by the Court of Appeals on a court case before that body on Friday, August 30, 1968. The case being one in which the Van Buren District was contesting the annexation of the new Sumpter area without the \$476,000.00, that was part of the original promises of the State Department of Public Instruction. An earlier decision of the Wayne County Circuit Court had been in the Van Buren District's favor but the Appeals Court having reversed that decision by a two to one margin the following action was taken.

Motion by Hopka, and supported by Williams, that the Administration be directed to place the school age children of that area of Sumpter Township recently assigned to the Van Buren Public Schools, in school as soon as possible for the school year 1968-69. Also that court action be continued to get the monies that are due the District. Motion carried.

Motion by Roe, and supported by Muse, that this meeting be adjourned. Motion carried.

Robert A. Hay,  
Secretary

## Annual Financial Report For the Year Ended June 30, 1968

### VAN BUREN PUBLIC SCHOOLS BELLEVILLE, MICHIGAN

The following is an accurate statement of the financial status of the Van Buren Public Schools, Belleville, Michigan, as of June 30, 1968, and a statement of receipts and disbursements for the year ended June 30, 1968. All records and accounts have been verified and audited by Thomas Hopka, Treasurer of the School District, and Curtis, Bailey and Sposito, Certified Public Accountants of Ypsilanti, Michigan.

Robert A. Hay, Secretary  
Board of Education

**TORINO** - A strong contributor to Ford's hot-selling Fairlane line, the top-of-the-line Torino features distinctive improvements in 1969 while maintaining the popular design introduced last year. This Torino four-door sedan shows the new grille and taillamp design that highlight the exterior of the new models. The new cars can be seen at Atchinson Ford Sales, Inc., 9800 Belleville Road.

## Nigerian School Principal Joins County School Board

Chief Thomas Durowoju Oluyemi, a high school principal on leave from his Western Nigerian educational post, has joined the Wayne County Intermediate School District staff for the coming school year, as a curriculum consultant in the field of international education.

During the 1967-68 school year, the Intermediate School District Office of Education had the service of Dr. Vyas Thirtha from Hyderabad, India, and local districts were given an authoritative, authentic, perspective of South Asian history, customs, and political activities.

Chief Oluyemi will be with the Intermediate District office for a period of ten months, serving the 39 local school districts, including Detroit, of Wayne County. The International educational position is made possible by the Fulbright-Hayes Exchange Program.

THE EGBA area of Abeokuta is 2,989 square miles and has a population of over a half million people. Headmaster Oluyemi has worked as a teacher and administrator in the secondary schools of Western Nigeria for the past 14 years. Chief Oluyemi holds the Master's Degree of Trinity College, Dublin, and Diploma in Education of Oxford University. He took part in local politics and was a Councillor from 1957 to 1963. He is married and has four children.

Chief Oluyemi will be with the Intermediate District office for a period of ten months, serving the 39 local school districts, including Detroit, of Wayne County. The International educational position is made possible by the Fulbright-Hayes Exchange Program.

## Social Security Office Lists Reporting Change

DEARBORN - Social security beneficiaries in Wayne County who need to report changes of address or other events that affect the payment of their monthly benefits may now do so through the social security office at 5141 Oakman Boulevard, Dearborn, Louis Levine, district manager, has announced. Reports may be made by mail, telephone, or personal visit.

Levine said that up to now beneficiaries were encouraged to notify the Social Security Administration about the occurrence of these events on postcard forms pre-addressed to one of six social security record centers throughout the country. Beneficiaries received the postcard forms when they initially applied for monthly benefits.

Levine said that the change in reporting methods is designed to reduce the time needed to change addresses and process other information having an effect on payment of monthly benefits.

The change is prompted by the increased capacity of social security district offices to transmit the information over high speed communications circuits to record offices. In addition to address changes Levine said that events that affect receipt of monthly social security checks include employment, marriage or remarriage in some instances, divorce, and death.

## Rouge Plant is One of Top Attractions in Country

What do a Metropolitan Opera singer, the Yugoslavian minister of economics, a star of "Cabaret" and members of the American Society for Microbiology have in common? They're among 96,287 visitors who toured Ford Motor Company's world-famous Rouge plant in Dearborn, Mich., during the first six months of 1968.

August is annually the biggest tour month with more than 50,000 visitors. With these and thousands more,

Ford officials predict a record 250,000 Rouge visitors during 1968.

"Rouge tours have become increasingly more popular in the past 10 years, and we might well have passed the quarter-million mark in 1967 except for the auto strike which curtailed tours for two months," according to R. G. Fischer, acting special events manager.

DURING THE busy summer months, the company operates as many as 14 buses at one time and supplements its permanent

staff of 24 tour guides with 24 college students.

Last year, visitors came from every state and all U. S. possessions, as well as from 105 foreign countries.

One of the top tourist attractions in the country, the 1,200-acre Rouge is the only industrial area encompassing every facet of the automobile manufacturing process, ranging from steel-making to vehicle assembly.

THE AREA includes 229 coke ovens, three blast furnaces,

a highly advanced basic oxygen steel-making facility, steel-rolling mills, one of the largest production foundries in the United States, an engine plant, a stamping plant, tool and die plant, a glass plant and an assembly plant.

Admission-free tours of the Rouge are conducted from 9 a.m. to 3 p.m. Monday through Friday, except for holidays. The 90-minute tours begin in the visitors' reception lobby in the east concourse of the Ford Central Office Building.

## Convention On Hearing Announced

DETROIT — Parents and educators of hearing impaired children and medical personnel interested in ear problems will gather in Detroit this Friday and Saturday, Sept. 27-28, for the 37th annual convention of the Michigan Association for Better Hearing and Speech.

Theme of the two-day meeting at the Pick-Fort Shelby Hotel, Detroit, is to be "Early Identification and Habilitation of Hearing Impaired Children".

Mrs. Marion P. Downs, Director of Clinical Audiology at the University of Colorado Medical Center, Denver, who has developed a program of hospital hearing tests for newborn babies, will give Friday's keynote address.

Saturday keynote will be Miss Charlotte B. Avery, Director of Special Projects for the John Tracy Clinic, Los Angeles, California. Her theme will be "Programming the

Home of the Hearing Impaired Child".

\*\*\*

THE ANNUAL statewide lipreading contest will take place Saturday morning. Winners will be announced at the Awards Luncheon at 1 p.m.

Royal C. Hayden, Jr., M.D., and Walter Wend will be chairmen for Friday and Saturday programs respectively.

Dr. Hayden is a Detroit area otologist and director of the Otological Research Laboratory at Henry Ford Hospital. Wend, MABHS second vice-president, is Director of Special Education for Berrien County Intermediate School District.

A. Bruce Graham, Ph.D., chief of the Audiology and Speech Pathology Division at Henry Ford Hospital, is program committee chairman.

## In the Open

By LEE SMITS  
Special Writer

Among outdoor people you will find some outrageous snobs. Prejudiced hound men who look down on bird dogs; big game hunters who sneer at scatter-guns; wildfowlers who can't bother with grouse; deep-sea and anglers who have no interest in fish weighing under 50 pounds.

The most snobbish of all: a fly-fisherman. And among fly-fishermen, the dry-fly addict is the most supercilious of all.

For a dry-fly man there is only one form of sport, wading upstream with a four ounce rod, a 6X tippet on his leader, and a No. 20 hook, embellished with feathers to resemble a bug of some kind.

What a relief, then, to know a man who is a dedicated fisherman, a notable artist and craftsman who will gladly join you, on a troll for lake trout or salmon or fishing off a dock for perch. He will even dig the worms. Any kind of fishing is good for one's soul!

\*\*\*

FRED W. REA, a retired Chevrolet advertising man, believes that fly-fishing is preferable, especially for trout, because a trout with a fly hooked at the edge of its jaw can be released undamaged and Fred enjoys releasing a fish unharmed after it is lifted in his landing net. Of course, only if the fish is too small for bragging or frying.

Mrs. Rea made blithe adjustment long ago to the unpredictable behavior of a husband who can go into a kind of trance for hours on end, blending feathers, fur and thread into the idealized likeness of insects.

The Fred Rea library includes over 60 books devoted to fishing and fishing flies. Some day, he says, he hopes to write his own book on the subject. Many sportsmen remember a handsome publication, authored by Mr. Rea, "The Into Sport With Chevrolet" - with directions and sketches revealing the mysteries of fly-tying.

While with the Chevrolet advertising department Fred Rea visited sportsmen's shows, spreading the gospel of his employer's products by a series of symbolic trout flies and giving demonstrations and free lessons in the challenging art, hobby, handicraft that has kept him radiantly young as the years roll on.

There is, of course, a cult of fly-tyers and in his snug studio Fred has an assortment of flies received from friends in various parts of the country. Fly-tying mystique confers on its followers some of the gentle philosophy of Izaak Walton.

"Tying flies," Fred says, "is continuous invention and discovery. You never reach a stopping place. New ideas keep popping up. They pop into your mind or into the mind of someone who is eager to share with you."

Fly-tying takes two directions. There are flies that closely approximate minnow, nymphs or insects and flies that simply embody a fly-tyer's

dreams. For example, Fred produced a fly commemorating the launching of the NASSA space capsules, and it is a safe bet that an imaginative brown trout or bass would nail it on sight.

Materials used in making flies are in themselves highly romantic. There was a highly effective Fred Rea fly called the "Skipty" in honor of his black and white cocker spaniel who contributed hair from which the "Skipty" was fashioned.

THE JUNGLE-FOWL of Asia has supplied spectacular wings, other supplies of feathers or fur from wild turkey, fox squirrel, woodchuck, ruffed grouse, red squirrel and fighting cock's hackles are highly esteemed. Deer hair is a standard item. There is a Rea fly composed of fox squirrel tail and wool yarn, deftly treated with lacquer so that when moved through the water the wings move as though swimming thus tricking the most cynical old brown trout or bass.

Every old-timer reaches a point in his career where the normal hardships of any sport no longer appeal. He is fortunate if he collects decoys or takes a correspondence course in taxidermy or is attended by a retired retriever or bird dog.

No one could find a more satisfying form of sport enjoyment, with no effort, exposure, travel, bother, than Fred W. Rea has made for himself in the midst of memories, fur, feathers, books, and hooks, shared enthusiasms, in the creation of things beautiful and delicate - and they do catch fishermen as well as fish.

## Bank Elects Marketing Director

The board of directors of Bank of the Commonwealth has elected Robert S. Cherouny, vice president of marketing, it has been announced by George W. Miller, president.

In his new position Cherouny will be responsible for the bank's advertising, product and marketing planning, sales promotion and training, civic affairs, and public relations programs.

He comes to the Commonwealth from First National City Bank of New York City where he was assistant vice president of marketing.

Cherouny was graduated from Trinity College, Hartford, Connecticut with a B.S. degree in geology and also holds a Master of Business Administration degree from the Columbia University Graduate School of Business.

He and his wife, Priscilla, and their three children make their home at 1713 Pine Street, Birmingham, Michigan.

# State Driver Improvement Activity Hitting Record Pace

LANSING — Tougher actions against first-year drivers and Michigan's new implied consent law contributed to a record-smashing pace in driver improvement activities for the first five months of 1968.

The figures show 26,929 actions by the Department of State -- cancellations of licenses, revocations, suspensions, restrictions, denials, referrals to driver safety schools and revocations for failure to appear at hearings.

That compares to 20,255 for the same period of 1967 and 20,642 for the first five months of 1966.

Normally, drivers aren't called in unless they pick up 12 points for moving violations in a two year period. But under a law that took effect Jan. 1, 1967, new drivers are on probation for one year.

And, probationary drivers may be called in by department

examiners if they accumulate four points in their first year of driving.

\*\*\*

In some cases, the drivers are given a warning and in some others the examiner might prescribe attendance at a county driver safety school.

The purpose is to nip bad driving habits quickly and to impress upon these new drivers that driving is a privilege, not a right," said Deputy Secretary of State James F. McClure.

Since it takes time to accumulate points, there were only 551 cases involving the probationary drivers in 1967. The tempo has picked up considerably since then with 3,482 through May 31 this year.

Another change in the law has resulted in more efficiency. Drivers who fail to appear for examinations after being cited now have their licenses revoked automatically.

A letter is sent to them, informing them of the action and directing them to mail in the license.

The other new weapon is the implied consent law which took effect last Nov. 2. Under it, a driver is implied to have given his consent to be subjected to a chemical test if he is arrested for drunk driving.

There were 1,608 cases in the first five months of 1968 in which the driver refused to take the chemical test. Of that number, 860 licenses were suspended without requesting an appeal. Another 653 had their licenses suspended by the License Appeal Board, and eight of those who appealed to Circuit Court were denied.

Overall, the Driver Improvement section held 25,258 hearings in the first five months of 1968 compared to 20,698 for the same period in 1967.

The difference between actions -- there have been 26,929 of them through May 31 -- and hearings is that licenses can be cancelled or revoked without re-examinations in some instances.

Light-Duty Pickup — Boldly restyled for a more massive front end appearance with higher hood line and silver anodized aluminum grille, the 1969 Chevrolet light conventional truck models combine attractive styling with a sturdy chassis for work or pleasure use. Improvements include new brighter interiors, foot-operated parking brake, tighter door sealing, automatic choke on all engines, and revised cab and sheet metal mountings for a quieter ride.

## Promotion

William H. Anderson, M.D., director of the Michigan Department of Mental Health, has announced the appointment of E. Gordon Yudashkin, M.D., as an assistant director of the Department responsible for services to the mentally ill.

## Kelley Issues Warning On Land Buy Scheme

LANSING -- Attorney General Frank J. Kelley has issued a warning of a widespread operation by Texas speculators to encourage Michigan landowners to sign away all of their rights to oil, gas and minerals on their land.

Hundreds, possibly thousands, of landowners in the northern part of Michigan's lower peninsula have been approached through the mail by this operation, he said.

In each case the landowner receives a letter, a mineral deed and a draft on a Texas bank. The letter contains instructions for filling out the deed and cashing the draft (which usually amounts to about 50 cents per acre) but gives no explanation of what the action involves for the landowner.

A careful reading of the deed reveals that if the landowner signs, he not only grants the speculator the sole right to explore for oil, gas and minerals, but also signs away all rights to any royalties whatsoever from any oil, gas and minerals which may be found on his land.

It appears that many who have received the deed in the mail believe that by signing it they are merely giving the right to the speculator to explore for oil, gas and minerals, and are not signing away their rights to the usual royalties.

SPECIFIC REPORTS have been received from Cheboygan, Alpena, Kalkaska, and Presque Isle counties; and there is reason to believe that there has been similar activity in other counties in the northern part of the lower peninsula.

Attorney General Kelley said: "Our reports indicate that this is a large scale operation. We urge any citizen who has received such communication to contact the Consumer Protection Division of my office in Lansing and certainly to check with their lawyer before signing any instrument involving the rights in their land."

"We intend to work closely with the State Conservation Department, county prosecuting attorneys, postal authorities and officials in Texas to determine what steps may be taken to halt this operation."

IN ADDITION, by signing the deed the landowner permits the purchaser to bring drilling and other excavation equipment onto his property, to store it on his land indefinitely, and also to store any oil, gas and minerals on his land.

## A U.S. Army Recruiter Is Versatile Performer

WAYNE -- One hundred and forty five years have passed since Major General Jacob Brown, U. S. Army recognized a need for a new and special breed of professional soldier. Thus began the military life of an Army recruiter.

It all came about when regimental commanders, working under General Brown, experienced an acute shortage of personnel in their units. When General Brown observed their (regimental commanders) futile and unimpressive attempts to fill these units, he reasoned that it would take men with a special knowledge to find such replacements.

History has proved him right. Today, the General Recruiting Service (the name General Brown gave it) still carries on. Only we call it the U. S. Army Recruiting Command.

MEN SUCH as SSG, Gerald J. Rinke, of the Wayne recruiting station talk to hundreds of thousands of young men and women each year. "It's quite a job," says Sergeant Rinke.

Indeed it is. A good recruiter is a versatile performer: expert soldier, public relations expert and psychologist to mention a few. He must be (and usually is) at ease in any sort of company, able to communicate with young people, maintain in his head a voluminous file of recruiting regulations and answer the same questions a countless

number of times without being bored or losing his composure. The recruiter comes in no standard size or shape and fits no pet description. He need not possess any specific military background. He just needs to be interested in people, places and things military. Interested enough to maintain his drive seven days a week, 24 hours a day.

MOST IMPORTANT of all, he must believe the Army has been good to him and will be good to the young people he enlists. An impressive record of achievement supports his contention. Army schools have racked up a record of "firsts." They have pioneered in techniques ranging from use of the motion picture to classroom television on subjects ranging from road-building to rocketry.

Sergeant Rinke knows well that the Army also teaches leadership, physical fitness and a disciplined approach to problems. A sense of self-reliance and a willingness to bear responsibility are still other lessons the Army teaches. But as all good recruiters know, the Army promotes the man who is ready -- ready to assume all responsibilities mentioned -- and still more.

Liquid lost during the canning process shouldn't be replaced. Opening a jar to refill with liquid lets bacteria in and food would have to be reprocessed, say Extension food specialists at MSU. Loss of liquid does not cause food to spoil, although the food above the liquid may darken.

WASHINGTON AND Small Business  
BY C. WILSON HARDER  
Riots and Taxes

"Take snapshots along the way to preserve those pleasant moments" was at one time the thrust of an advertising appeal to sell cameras and film.

But now the Internal Revenue Service advises business enterprises to take snapshots if they want to take income tax deductions for riot losses.

While every other governmental agency apparently seems helpless in devising ways of stopping riots, the IRS has come up with a program for claiming losses after a riot. This is contained in a booklet, Document 5174, available free at any IRS office.

As to be expected, it is complicated, comprising some eleven steps to be taken. One is to be sure that before a riot the proprietor has photos of the property, including those showing improvements, and then to be sure to have photos after the looters and fire bombing have been controlled.

In addition, the owner must give such details as the nature of the losses suffered such as fire bombing, looting, et al, and the date of the happening.

If looting occurred, the owner must state when he discovered the loss of goods, supported by police records and other documentary evidence. The owner must also prove through deeds, bills of sale and other papers, ownership of the property.

Documentary evidence is also required to establish the basis for the cost of the property as well as for any improvements made. In addition there must be established by appraisals the value of the property before destruction and the value of the property following destruction. Included must be the details on the insurance payment anticipated and applied against the cost of repairs, restoration, clean up and other operations.

Thus, while business owners may feel that their biggest headache is over after the last looter has been rounded up, the flames from the last Molotov cocktail extinguished, and the last sniper apprehended, this is far from the case.

Although press coverage of such events is most comprehensive, he must assume that no government people ever read the newspapers, and laboriously build up the evidence needed to establish his losses.

While the IRS is due for congratulations in issuing such a guide for victims of future rioting, there is a large element of irony here. After all, while most segments of the present governmental structure say they cannot control business being victimized by rioters, and some even condone the situation, another government branch draws up elaborate rules to forestall any possible attempt by the victims of rioting to victimize government.

## Demand for Safety Shoes Keeps Designers on Alert

When today's working man puts on a pair of safety shoes, it is difficult to determine from their appearance whether he is headed for work or an evening on the town.

The modern safety shoe is a lightweight, comfortable shoe which is not easily distinguishable from an attractive dress shoe. But they're capable of preventing smashed toes, and with an average of over 4,500 on-the-job injuries in Michigan each month, protective equipment is important.

In the last 20 years, many new materials have been developed to allow manufacture of a wide variety of better quality, better looking pieces of safety wearing apparel for the working man -- and woman.

At the same time, the toes of safety shoes have been developed to a point where they can withstand 75 lbs. of impact and 2,500 lbs. of compression.

Specialists in Michigan's

DETROIT — The Detroit Public Library and Wayne State University are sponsoring an exhibit entitled "150 Years of Organized Labor in Detroit" in the Adam Strohm Hall of the Detroit Main Library.

Open during regular library hours, the exhibit will continue through Saturday, Oct. 19.

The exhibit consists of photos, early handbills, books and other items illustrative of the rise of Detroit's labor movement. Sixteen panels portray the life of the labor movement in Detroit from the Mechanics Society of 1818 to the giant trade unions of today.

Themes covered include Early Labor Days, The Unionization of the Auto Industry, The Mechanics Society, Child Labor, The Woman Worker, The Teamsters, and the IWW in Detroit.

Bureau of Safety and Regulation advise all workers to wear safety shoes when recommended by their employers or when common sense indicates that their use is a step in the right direction.

Farm prices reached such lows in 1933 that they caused Congress to pass the Agricultural Adjustment Act which sought to raise prices and increase farm purchasing power with acreage controls and voluntary marketing agreements.

## NOTICE OF BIDS

Sealed bids for the purchase and removal/dismantling of the house and barn located at 38207 Barth Road, Romulus Township, Wayne County, Michigan will be received by the Secretary, Board of Education, Romulus Community Schools, 11401 Olive Street, Romulus, Michigan until 7:30 p.m., Monday, October 14, 1968 at which time they will be opened and read at the Regular meeting of the Board of Education scheduled on that date and time. A bid deposit in the amount of \$200.00 must be filed with the bid. Failure to perform by successful bidder will result in forfeiture of bid deposit to the owner. All bid deposits will be returned within seven days following the opening of bids to unsuccessful bidders.

Conditions governing the bid:

- (1) All salvage will become the property of the contractor.
- (2) All debris and material must be removed from the site.
- (3) All structure must be removed to a level of three feet below grade.
- (4) The site must be leveled to conform with the slope of the grade of the property.
- (5) The successful bidder must provide a performance bond and labor and material bond in the amount of 100% of the cost of performance.
- (6) The successful bidder must provide a certificate of insurance for property damage and public liability in the amounts of \$50,000 and \$100,000 respectively.
- (7) All work must be completed not later than November 30, 1968.
- (8) All permits must be obtained by the contractor.

The buildings will be opened for inspection by appointment by calling 941-1600.

The Board of Education reserves the right to reject any or all bids.

DAVIS B. DRAPER,  
Secretary  
Board of Education  
Romulus Community Schools

## CITY OF BELLEVILLE COUNCIL PROCEEDINGS

### REGULAR MEETING

SEPTEMBER 16, 1968

A regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with Councilmen Walters, Palmer, Boone and Amerman present.

Motion by Amerman, seconded by Boone, that the minutes of the regular meeting held August 19, 1968 be approved. Carried unanimously.

Motion by Boone, seconded by Amerman, that the minutes of the special meeting held September 10, 1968 be approved. Carried unanimously.

Motion by Walters, seconded by Palmer, that the bills presented for payment be paid. Carried unanimously.

Motion by Boone, seconded by Amerman, that the City Treasurer's report for the month of August 1968, be accepted. Carried unanimously.

This was the time designated for the Public Hearing on the Adoption of an Ordinance to establish the method of selection of the Citizens District Council. Due notice of hearing been given by publication on August 21, 1968, and distribution of said notice throughout the district area; discussion followed concerning the ordinance.

Upon motion by Palmer, supported by Walters, that the following ordinance was offered:

**CITY OF BELLEVILLE  
ORDINANCE NO. 68-104  
AN ORDINANCE ESTABLISHING THE METHOD OF SELECTION OF THE CITIZENS DISTRICT COUNCIL AND THE APPOINTMENTS THERETO.  
THE CITY OF BELLEVILLE ORDAINS:**

Section 1. That there is hereby created a Citizens District Council for the District Area established by Ordinance No. 68-103 which shall consist of fifteen (15) persons living within the said district area.

Section 2. That a majority of the members of the citizens District Council shall be composed of Citizens living in a development area designated within the district area established by Ordinance No. 68-103, provided, however, if there are not sufficient citizens living in a development area so as to comply with this section then the Citizens District Council shall be composed of as many citizens living in a development area as are willing to serve on said Citizens District Council.

Section 3. That the term of Office of the members of the Citizens District Council shall be two years. Vacancies created by any cause or reason shall be filled in the same manner as the original appointment for the unexpired term.

Section 4. That the members of the Citizens District Council shall be appointed by the Mayor with the approval of the City Council.

Section 5. That as the time requirements set forth in Act 189 of the Public Acts of 1968 have created an emergency affecting the public peace, health and safety, this Ordinance shall take effect upon publication.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE  
Upon Motion by Amerman, supported by Boone that the following Resolution was offered:

**RESOLUTION  
RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A PROPOSED CONTRACT FOR PLANNING ADVANCE FOR SURVEYS AND PLANS FOR URBAN RENEWAL PROJECT UNDER TITLE 1 OF THE HOUSING ACT OF 1949, AS AMENDED, NUMBERED CONTRACT NO. MICH. R-192 (A), BY AND BETWEEN CITY OF BELLEVILLE, MICHIGAN AND THE UNITED STATES OF AMERICA.**

WHEREAS, the United States of America (herein called the "Government") has tendered to City of Belleville, Michigan (herein called "Local Public Agency") a proposed Contract for Planning Advance for Surveys and Plans for Urban Renewal Project under Title 1 of the Housing Act of 1949, as amended, under which the Government would make an advance of Federal Funds to the Local Public Agency to aid in financing the cost of certain surveys and plans in preparation of an urban renewal project designated Project No. Mich. R-192 in the urban renewal area described in such proposed Contract; and

WHEREAS, the Local Public Agency has given due consideration to said proposed Contract;

BE IT RESOLVED BY Mr. Amerman, supported by Mr. Boone, as FOLLOWS:

Section 1. The proposed Contract for Planning Advance for Surveys and Plans for Urban Renewal Project under Title 1 of the Housing Act of 1949 as amended, designated Contract No. Mich. R-192 (a) consisting of Parts 1 and 11, under 2nd subject to the terms and conditions of which the Government would make an advance of Federal Funds to the Local Public Agency to aid in financing the cost of certain surveys and plans for an urban renewal project designated Project No. Mich. R-192, situated in the City of Belleville, Michigan, is hereby in all respects approved.

Section 2. The Mayor of the Local Public Agency is hereby authorized and directed to execute said proposed Contract in two counterparts on behalf of the Local Public Agency, and the Clerk is hereby authorized and directed to impress and attest the official seal of the Local Public Agency on each counterpart and to forward such counterparts to the Housing and Home Finance Agency for execution on behalf of

the Government, together with such other documents relative to the approval of and execution thereof as well as to this Resolution as may be required by the Government.

Section 3. The Mayor is hereby authorized to file requisitions, together with necessary supporting documents, with the Government, from time to time as advance funds are required, requesting payments to be made on account of the advance provided for in the said Contract, and to do and perform all other things and acts required to be done or performed in order to obtain such payments.

Section 4. This Resolution shall take effect immediately.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE  
ABSENT: NONE

Motion by Amerman, seconded by Boone, that the meeting be adjourned.

Carried unanimously.

Irwin W. Stech  
City Clerk

### SPECIAL MEETING

SEPTEMBER 18, 1968

A special meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with Councilmen Palmer, Boone and Amerman present.

Councilman Walters Absent.

Upon motion by Councilman Amerman, supported by Councilman Palmer, the following resolution was offered:

**RESOLUTION**  
WHEREAS, the Township of Van Buren proposed to levy a one (1) mill assessment for recreational purposes; and  
WHEREAS, this Council has been requested to consider a similar levy to be used for recreational purposes in cooperation with the Township of Van Buren; and  
WHEREAS, this Council desires to determine the feeling of the electors of the City of Belleville to paying one (1) mill for recreational purposes;

NOW, THEREFORE, BE IT RESOLVED, that this Council does hereby determine to submit to the electors of the City of Belleville at the general election to be held on Tuesday, November 5, 1968, an advisory question of whether or not the Council of the City of Belleville should levy one (1) mill on the assessed valuation for recreational purposes.

BE IT FURTHER RESOLVED, That the form foresaid advisory question shall appear on the ballot as follows:

**ADVISORY QUESTION**  
Shall the Council of the City of Belleville levy one (1) mill on the state equalized assessed valuation of all property in the City of Belleville for the recreational purposes?

( ) Yes  
( ) No

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby instructed to transmit a true copy of the advisory question to the Director of Elections for the County of Wayne with the request that said question be placed on the ballot at the next general election to be held in the City of Belleville.

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby ordered and directed to post within the machine booths and in the polling places in which said election is conducted in the City of Belleville a verbatim statement of the advisory question.

AYES: PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE  
ABSENT: WALTERS

Motion by Boone, seconded by Amerman, that the Utility Bills for the City of Belleville, be paid promptly, when received by the City Clerk.

Carried unanimously.

Motion by Boone, seconded by Amerman, that the meeting be adjourned.

Carried unanimously.

Irwin W. Stech,  
City Clerk

### SPECIAL MEETING

SEPTEMBER 19, 1968

A special meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan was called to order by Mayor Smith, with Councilmen Walters, Palmer, Boone and Amerman present.

Upon motion by Boone, supported by Walters, that the following resolution was offered:

**RESOLUTION**  
WHEREAS, the Mayor, pursuant to the provisions of Ordinance No. 68-104, has appointed Thomas Hamlin, Chairman, Robert Mason, James Egan, Theodore Kuckelman, John Tator, Charles Baish, Chester Baker, Casimir Michniewicz, Clyde Jones, D. Shackelford, Lillie Carr, Robert Devine, Allen Berlenn, Howard Kirk and Donald Bluhm as members of the Citizens District Council.

NOW, THEREFORE, BE IT RESOLVED, that this Council does hereby approve the foregoing appointments.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE

Motion by Walters, seconded by Boone that the meeting be adjourned.

Carried unanimously.
